Dear Mr. Haddock:

Many thanks for your letter of November 26 enclosing a copy of a letter written by Constam to Doc Sadler on the Golpa-Zschornowitz power plant near Bitterfeld. It was good of you to send this in. Will you express our thanks to Mr. Constam?

With respect to the information, we had previously secured rather full information on this plant from other sources but it is always good to have the additional information as a check. I am enclosing an early photograph of this plant which you might want to give to Mr. Constam as a souvenir since we now have clearer reconnaissance on this which shows up the details more accurately than this photograph.

Sincerely yours,

*James S. Martin*
