CAN YOU GIVE INFORMATION RELATIVE DOCTOR STEINMETZ FUNERAL

CUTLER HAMMER MFG CO ARTHUR SIMON.

1923 OCT 26 PM 4 58

P O Stanford University, Calif., Oct. 26, 1923

(Given to the Press at 8:00 AM)

In the death of Dr. Charles Proteus Steinmetz the world has lost from active service one of its ablest workers for the cause of human progress. He had acquired a profound knowledge of the sciences and long since had come to be one of the very few in the nation to whom men could turn for effective aid in the solution of the most difficult technical problems encountered in the electrical industries. He was deeply humanitarian and ever ready with thought and deed to help his fellow man in every walk of life. Dr. Steinmetz's spirit has been acquired by so many that it will remain in action as long as there are people to work for a better world.

SPECIAL COMMITTEE TO PREPARE RESOLUTION IN
MEMORY OF DR. STEINMETZ

Gentlemen:

At the meeting of the Board of Directors yesterday, Vice-President Slichter who presided was authorized to appoint a committee to prepare a resolution in memory of Dr. Steinmetz for incorporation in the minutes of the Board meeting.

Accordingly, Professor Slichter designated you as members of this committee, and as it is very desirable that the resolution shall be published promptly in the November issue of the JOURNAL now partially printed, it is necessary that in order to accomplish this result the resolution be prepared on Monday; therefore, a meeting of the committee is called to be held at Institute headquarters on Monday afternoon, October 29, at 3:30 o'clock.

Mr. Farrer, of this office, drafted a tentative form of resolution, which was read at the Board meeting and which will be available for the use of your committee if desired.

Very truly yours,

F. L. HUTCHINSON

Secretary.

Mr. F. L. Hutchinson,
Secretary A.I.E.E.,
33 West, 30th Street,
New York, N.Y.

Dear Mr. Hutchinson:-

The Associated Press called me yesterday morning while at breakfast and said Dr. Steinmetz has just died and would I give them at once a statement of 50 to 100 words, which I did as per the attached copy.

The Journal of Electricity asked for 300 words to be mailed to them in San Francisco to-morrow. Thereof I also attach carbon copy.

Mrs. Ryan has just 'phoned that there are telegrams at home from Schenectady announcing his death and from the Electrical World asking for 100 words of appreciation prior to Tuesday. I will send later copies of my replies.

Sincerely,

Harris J. Ryan

Dear Sir:-

At the opening of the monthly Section Meeting here last night the Chairman made the announcement of the death of Dr. C. P. Steinmetz and referred to the great loss which this means to the world. Humble tributes to Dr. Steinmetz were also expressed by other members and a motion was passed to express the sympathy of the Vancouver Section of the A.I.E.E. with those to whom the death of Dr. Steinmetz is a personal loss.

I shall be glad if you will be good enough to assist us by having this expression of condolence conveyed to those concerned.

Yours truly,

A. Vilstrup

WE TENDER OUR HEARTY CONDOLENCE ON THE DEATH OF EXPRESIDENT

DR C P STEINMETZ / INSTITUTION OF ELECTRICAL ENGINEERS OF JAPAN.

Tokyo, Nov. 6th, 1923.

The American Institute of Electrical Engineers

Sirs:

News of Dr. C. P. Steinmetz's death was so sudden to us. We cannot but feel the deepest sorrow. He was the most prominent figure in the modern electrical circles and too high credit cannot be given to his distinguished contribution to the world.

Please accept our sincere condolence and convey our most profound sympathy to the bereaved family.

Yours very faithfully

The Institution of Electrical Engineers of Japan

P. S. We have sent you the following message which, we expect, would have reached you in due time:-

Nov. 2nd, 1923.

American Institute of Electrical Engineers,
New York.

We tender our hearty condolence on the death of ex-president
Dr. C. P. Steinmetz.

The Institution of Electrical Engineers of Japan.
