AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS.

APPLICATION FOR ADMISSION AS ASSOCIATE.

Extracts from the Constitution, as Amended May 21st, 1901.

MEMBERSHIP.

1. The corporate members of the Institute shall be designated as Members and Associates. Members and Associates shall be equally entitled to all of the rights and privileges of the Institute, except eligibility to the offices of President and Vice-President which shall be limited to Members; and Members only shall be entitled to a diploma. There shall also be Honorary Members, who shall be entitled to all the rights and privileges of the Institute, except the right to vote for officers and hold office.

2. A Member shall have been an Associate, and at the time of his transfer to membership, he shall be not less than twenty-seven years of age, and shall be:

- a. A Professional Electrical Engineer; or
- b. A Professor of Electrical Engineering; or
- c. A person who has done important original work of recognized value to electrical science.

3. To be eligible to membership as a professional Electrical Engineer, the applicant shall have been in the active practice of his profession for at least five years; he shall have had responsible charge of work for at least two years, and shall be qualified to design as well as direct electrical engineering works. Graduation from a School of Engineering of recognized standing shall be considered the equivalent of one year's active practice.

4. To be eligible to membership as Professor of Electrical Engineering, the applicant shall have been in responsible charge of a course of Electrical Engineering at a college or technical school of recognized standing, for a period of at least two years.

5. An Associate shall be a person who is interested in or connected with the study or application of electricity.

DUES.

1. The entrance fee, payable on admission to the Institute, shall be five (5) dollars, A fee of ten (10) dollars shall be paid on transfer to the grade of Member, which shall include the fee for a diploma.

2. The annual dues shall be fifteen (15) dollars for members and ten (10) dollars for Associates.

3. The annual dues of Members and Associates residing in foreign countries other than Canada and Mexico, shall be ten (10) and five dollars, (5) respectively.

4. Honorary Members shall be exempt from all payments.

5. Persons elected after six months of the fiscal year have expired, shall pay one-half of the amount of dues for that fiscal year.

6. A Member or Associate in good standing, by the single payment of two hundred (200) dollars in addition to his entrance fee, shall become exempt from all future payments for dues or transfer fee. All money thus paid shall be invested as a permanent fund, of which the interest only shall be subject to appropriation for current expenses.

Name of original proposer, through whom application is made.

John H. Timney

These spaces to be filled in by applicant.

Article III, Sec. 2.—An application for admission to the INSTITUTE as Associate shall refer to at least three Members or Associates.

To the Board of Directors of the American Institute of Electrical Engineers.
