American Institute of Elec. Engineers,
33 West 39th Street,
New York.

Dear Mr. Henline:

Thank you for your letter of May 22 notify-
ing me that I have been enrolled as a Member of the Institute
for life.

As long as I remain in active service I ex-
pect to continue the payment of my dues. I may wish to take
advantage of the exemption some time in the future and I assume
this can be done by notifying headquarters.

Yours very truly,

R. E. Hellmund, Chief Engineer
