CONSULTING ELECTRICAL ENGINEER

PHILADELPHIA, PA. July 17, 1913.

Mr. F. L. Hutchinson, Secretary,
American Institute of Electrical Engineers,
33 West 39th Street,
New York City, N. Y.

Dear Mr. Hutchinson:-

On my return from Europe a few days ago I sent you several blanks for transfers which were received in my absence. I now find another for Prof. Wm. Esty of Bethlehem for transfer to Fellow, under the Special Section. It is # 2509.

trans. 2509
June 25 13

Will you please tell me whether the time has expired or whether he has sent another name or whether the case has been settled. And please consider this inquiry as confidential.

I feel about this case as I did about numerous others, that I have too little personal knowledge of his qualifications to "certify" to them, and if the case has been settled it would save me writing a long letter of explanation to him which I have had to do in so many other cases, and which is exceedingly embarrassing. I would therefore be pleased to hear that the case is settled and that I can write him that it is now too late for me to do anything further.

Yours truly,

Carl Hering

Mr. Carl Hering,
929 Chestnut Street,
Philadelphia, Pa.

Dear Sir:

Replying to your letter of the 17th inst., in reference to Professor William Esty's application for transfer from the grade of Member to that of Fellow, we find upon referring to our records that we received a sufficient number of replies from the references named in his application to enable us to submit his case to the Board of Directors for final action at their meeting held during the week of the Cooperstown Convention, June 23-27, at which time he was transferred in the regular course.

For your information we would state that we also received the required number of certifications, as specified in the Constitution, to complete Mr. Harry Barker's application for transfer to the grade of Member for action by the Board at their June meeting, and his transfer was also approved by the Board.

If reference to the two inquiry forms which you received regarding Mr. Tracy Waring's transfer, we would state that he originally applied for transfer under the Special Section of the Constitution, later canceling same and submitting

Mr. C. H. page 2.

a new application for consideration under the regular provisions of the Constitution specified in Article 2, Section 5, in accordance with the endorsement form which you have returned.

Very truly yours,

N/CN

Secretary.
