Mr Geo Walker

Dear sir

I have just
sent 10 copies of my Telephone
to the address of the Gold &
Stock Co. as requested and in-
close will -

I have been anxious to hear
from you about the little telephone
that I sent two weeks ago last Sat.
Whether you intend to get it
patented or not.

Yours truly,

A. E. Dolbear

Prof. Dolbear

Jan'y. 1. 1878

ans Jan'y 3
ask whether
we propose to
patent the
little telephone
sent several
weeks ago.

Will Mr. Pope
please advise
me as to
answer

J.W.V.

Jan'y 3.

I think it advisable
to patent the telephone
referred to, and shall
prepare the application
at an early day. Mr
Dolbear's rights cannot be
sacrificed, unless the delay
is unreasonably which it
will not be.

Jan 3/78.
