Mr. G. R. Metcalfe, Editor,  
Journal of the A. I. E. E.,  
33 West 39th Street,  
New York, N.Y.

Dear Mr. Metcalfe:

On April 2, 1920, I presented an  
Institute paper on the subject of "Alternating-  
Current Commutator Motor". I have a few copies  
but these are about exhausted and I would like  
to know whether you have on hand any extra copies  
which I could get. If they are available, I  
would like to have about twenty-five, or any  
smaller number that you can spare.

Very truly yours,

*B. H. Lamme.*  
CHIEF ENGINEER.

Dear Mr. Lamme:

Replying to yours of December 19, I regret that we have not a single copy of your paper on "Alternating Current Commutator Motor", and even the JOURNAL in which it is printed is intirely exhausted. I am sorry we cannot help you out in the matter.
