2. What education, general and technical, have you had; where and how acquired?
3. What is and has been your employment; how long have you been so employed?
4. State any facts you may deem likely to aid in determining the question here under inquiry.
5. Refer us to any Member of this society having personal knowledge of your professional qualifications, if such there be.

William Le Roy Emmet.

Born July 10<sup>th</sup> 1859 at  
Pelham, Westchester Co. New York.

I graduated at the U.S.  
Naval Academy at Annapolis

As a Cadet-Midshipman in  
1881. Most of my knowledge

of Electricity has been acquired  
since I left Annapolis by  
study and practical experience

I have made Electrical

work my business since 1887 -  
Most of the time since then I  
have been in the employ of  
the Sprague Electric Ry & Motor  
Co - and of the Edison General  
Electric & General Electric  
Companies. I have also had  
other business connections.

My work has all been of an Engineering  
nature. I was District Engineer  
of the Edison Gen. Elec. Co's Central  
district during the last year of  
that Company's existence

I am now doing Special Engineering  
work for the Gen Elec. Co in  
this city. I will refer you to

# AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS

## APPLICATION FOR ADMISSION

Extracts from the Rules, as Amended December 8th, 1885.  
**MEMBERSHIP.**

The Institute shall consist of Members, Honorary Members, and Associates.  
**Members** shall be Electrical Experts, Electricians, or Electrical Engineers, possessing such knowledge of the principles of Electrical science, and such familiarity with the practical applications of electricity in its several branches as those branches imply.

**Honorary Members** shall be recommended by at least ten members or associates, and elected by the unanimous vote of the Council, but shall not be entitled to vote or serve as members of the Council.

**Associate Members** shall be such persons as are or have been connected with the utilization of electricity, or who by means of study or experimental investigation, are qualifying themselves to become identified with electrical science, and such others to whose admission no objection shall be made by any member of the Council.

*Proposals for admission shall be endorsed by at least three members or associates, and referred to the council, which shall have power to elect to Associate Membership only.*

All members and associates shall be equally entitled to the privileges of membership.

Transfers from associate membership to membership may be made by the Council upon application subject to the approval of a Board of Examiners, which shall have the power from time to time to provide rules to test the qualifications of applicants. Such rules must be approved by the Council. Any person rejected by the Board shall have the right of appeal first to the Council, and finally to any meeting of the Institute.

### DUES.

The entrance fee shall be five dollars for each person. The dues of members and associates shall be ten dollars per annum, payable in advance, at the annual meeting, except that new associate members elected, shall pay in advance *pro rata* from the first of the month of their election until the next annual meeting. Honorary members shall not be liable to fees and dues. Any member or associate may become, by the payment of one hundred dollars at any one time, a life member or associate, and shall not be liable thereafter to annual dues. The dues of members residing in foreign countries—beyond the seas—shall be five dollars per year, but such members shall have no vote for election of members.

To the Council of the American Institute of Electrical Engineers.

I, W. L. R. Emmet .....

residing at New Rochelle, N. Y. .....

and at present associated with The General Electric Co. .....

as Electrical Engineer .....

do hereby make application for admission into the American Institute of Electrical Engineers, as an **Associate Member**, with the privilege of being subsequently transferred to full membership, should my record prove satisfactory to the Board of Examiners.
