Mrs. Donald A. Quarles
3041 Porter Street, N. W.
Washington 8, D. C.

Dear Mrs. Quarles:

The officers and members of the American Institute of Electrical Engineers extend deepest sympathy to you. The esteem and affection Don earned and held among us could be expressed only inadequately by our highest awards. We share your grief.

Sincerely,

Nelson Hibshman
Executive Secretary

Dear Ralph:

Thank you for the clipping from the May 13th
WASHINGTON POST AND TIMES HERALD. Walter Barrett attended
the services in the National Cathedral. Many of us saw brief
glimpses of it in the television newsreels. It was indeed
impressive, as it well deserved to be.

It is a great source of satisfaction to all of us
to have your keen and perceptive eye on the Washington scene.
Your comments and reports are very much appreciated. Your
presence on occasions of significance in the Capitol is a
great asset to the profession. For AIEE, thank you.

Sincerely yours,

N. S. Hibshman
Executive Secretary

Mrs. Donald A. Quarles,
3041 Porter Street N. W.,
Washington 8, D. C.

Dear Mrs. Quarles:

At its recent meeting, the Board of Directors of the American Institute of Electrical Engineers adopted a memorial minute for its permanent records and directed that a copy be sent to you.

I am enclosing several copies in case there may be more than one appropriate place in the records of Dr. Quarles' several fields of activity covered by this minute. More copies are available if you desire them. I dare say, for the moment at least, you are not in need of additional documents.

The July issue of ELECTRICAL ENGINEERING, on page 779, carries a picture and brief biography of Dr. Quarles.

Sincerely yours,

N. S. Hibshman
Executive Secretary
