My dear Hutchinson,

Thanks for copy  
of my letter to D.C.M. & after reading  
your memo I wrote the enclosed  
minute, to be introduced by resolution  
as to copies etc. if acceptable,

I would insert dates, other committees  
etc. if I had your files at hand, I would  
like to have Messrs Dunn & Martin  
look it over for suggestions and  
approval. You know I am not  
sensitive about any changes or  
substitution. I have tried to  
avoid thoughts embodied in my  
letter to D.C.M. & therefore have  
not read the letter again so there  
possibly may be repetition that  
in such cases are not readily  
avoided.

Yours truly

Dear Hutchinson:-

A CENTRE FOR THE DIFFUSION OF ACCURATE INFORMATION ON TECHNICAL AND INDUSTRIAL SUBJECTS.

SPECIAL ARTICLES FURNISHED ON REQUEST.

INQUIRIES WELCOMED ON ANY SCIENTIFIC OR INDUSTRIAL TOPIC, OR PAPERS AND WORK OF THE ENGINEERING SOCIETIES.

The Sheldon exercises went off very nicely as perhaps you have heard.

They are now proposing joint exercises in the Engineering Bldg, and a Samuel Sheldon Res Eng. Professorship at the Poly, which has already appointed internal committees on the subject. So our old friend will not be forgotten. I will

send you a copy of my old tribute - brief - when I get some
