Dear Mr. Metcalfe

May I ask you to kindly cut out p. 748 of the August issue from some of your office cut copies. I would like several to file. It was not worth while making reprints.

I would also like very much a few copies of p. 764-5 concerning the Pasadena convention. Or perhaps these are being reprinted for separate circulation. Am contemplating going on that trip.

Yrs truly

Dear Sir:-

In the absence of Mr. Metcalfe, who is now on his vacation, I am sending you several copies of the pages which you requested in your letter of August 11th.

Yours very truly,

Assistant to Editor.
