DEATH OF DR. SCHUYLER SKAATS WHEELER

Dear Sir:

Past President Wheeler died yesterday (Friday, April 20) at his residence in New York.

The time and place of the funeral services are not known at this writing, but you will probably be able to obtain this information from the daily papers.

This notice is for the purpose of advising you that you have been designated by President Jewett as members of a delegation to represent the Institute at the funeral.

Very truly yours,

F. L. HUTCHINSON

Secretary.

FLH:H

Public Service Electric Company

Newark, N.J., April 25, 1923.

Mr. F.L. Hutchinson,
American Institute of Electrical Engineers,
33 West 39th Street, New York.

Dear Sir:

This acknowledges your notice of April 21st, that I was appointed a member of a delegation to represent the Institute at Past President Wheeler's funeral services, but absence from the office did not bring it before me and of course, prevented me from going to the service, even though I would have been advised of it, but I none the less appreciate President Jewett's appointment on such a delegation for to my mind, this is one of considerable distinction.

Yours very truly,

Farley Osgood.
Vice President and General Manager.

F. L. Hutchinson, Esq., Secretary,
American Institute of Electrical Engineers,
29 West 39th Street, New York.

Dear Mr. Hutchinson,

I am back this morning from an absence in Washington and find your notice of April 21st of the death of Dr. Wheeler and my appointment as a member of a delegation to represent the Institute at his funeral.

I learned of Dr. Wheeler's death just as I was leaving for Washington and stayed over to permit going up to call on Mrs. Wheeler. Also I planned to come back from Washington for his funeral but was prevented by important public matters.

I did not know of my appointment by President Jewett or I should have telegraphed you immediately.

Very truly yours,

Gano Dunn

THE CROCKER-WHEELER COMPANY

OF AMPERE, NEW JERSEY

ANNOUNCE WITH THE DEEPEST SORROW THE DEATH

ON FRIDAY, THE TWENTIETH OF APRIL

ONE THOUSAND, NINE HUNDRED AND TWENTY-THREE, OF

SCHUYLER SKAATS WHEELER

PRESIDENT AND A FOUNDER OF THE COMPANY

1271
April 27, 1923

Mrs. Schuyler S. Wheeler
755 Park Avenue
New York City

Dear Mrs. Wheeler:-

At the Spring Convention of this Institute, which was held this week in Pittsburgh, the following resolution was unanimously adopted:

"WHEREAS, death has suddenly removed Dr. Schuyler Skaats Wheeler, a revered Past President of the American Institute of Electrical Engineers, be it

"RESOLVED: That we, the members of the Institute in attendance at our Spring Convention in Pittsburgh, hereby record our personal grief and our deep regret at this great loss to the electrical engineering profession; and that we express our sincere sympathy to the members of Dr. Wheeler's family."

In transmitting this resolution I desire also to extend my sincere personal sympathy.

Very truly yours

Secretary

May 4, 1923

SUBJECT: Memorial to Dr. Schuyler
Skaats Wheeler.

Professor Charles F. Scott
Sheffield Scientific School
Yale University
New Haven, Conn.

Dear Professor Scott:-

At the Directors's meeting to be held on May 13, we shall want to adopt a memorial, in the form of a resolution or otherwise, to Past President Wheeler.

President Jewett has appointed you as a committee of one to prepare a suitable memorial for adoption by the Directors, on the understanding that you were very closely associated with Dr. Wheeler, particularly during the period of the organization of the United Engineering Society.

In order to assist you we call your attention to the obituary notice printed in the Institute Journal for May, which was rather hastily prepared, as we were about to go to press when Dr. Wheeler's death occurred; and we are sending you herewith obituary notice and editorial taken from the Electrical World of April 28. We are also sending you a copy of a resolution adopted at the Spring Convention of the Institute, in Pittsburgh, last week, a copy of which has already been transmitted to Mrs. Wheeler.

We are also enclosing a "Memorial proposed for adoption by the Board of Directors of the American Institute of Electrical Engineers," which was prepared in this office along the lines of other memorials adopted in the past. This you are at liberty to use, modify, or discard, as you prefer.

If you undertake to attend to this matter, we should have your draft in our possession by May 15.

Very truly yours

Subject: Memorial to Dr. S. S. Wheeler

Dear Mr. Hutchinson:

Your letter of May 4 states that at the Directors' meeting on May 18 it is proposed that a memorial in the form of a resolution or otherwise to Past-President Wheeler be adopted and you say that Dr. Jewett has appointed me to prepare a suitable memorial for adoption.

I understand that action is to be taken at the regular meeting of the Board on the 18th and is not connected with the proposed evening dinner to which the Past-Presidents are invited by President Jewett.

You enclose a proposed draft. This appeals to me as being in quite satisfactory form for endorsement by the Board. I would suggest placing the clause referring to the Latimer Clark Library just before the one referring to the Engineering Societies Building. The reason is that the presentation of the library was really an antecedent and a motive for the building itself. It might also be said that he was "one of the original Trustees of the United Engineering Society." Otherwise the material seems to be appropriate and adequate. My own preference would be to change the words "Almighty Providence" to "Death".

The Past-President who was most closely associated with Dr. Wheeler was Mr. Dunn.

If I can be of further service please call upon me.

Very truly yours

A large, stylized handwritten signature in blue ink, which appears to read "C. F. Scott".

Professor Charles F. Scott
Sheffield Scientific School
Yale University, New Haven, Conn.

Dear Professor Scott:-

Thank you very much for your letter of the 7th instant, with reference to a memorial to Dr. Wheeler. We will modify the resolution in accordance with your suggestions, and then will probably ask Mr. Dunn if he has any suggestions for further modification.

You are correct in your understanding that it is the intention to adopt this memorial at the Board of Directors' meeting on May 18.

Hoping to see you at the dinner on the evening of May 18, I am

Very truly yours

Secretary

Dear Mrs. Wheeler:

I have the honor of transmitting to you herewith a copy of a memorial to Past-President Wheeler, as adopted at a meeting of the Board of Directors of this Institute held yesterday.

Very truly yours,

Secretary.
