Mr. Henry G. Stott,
600 West 59th Street,
New York City.

Dear Mr. Stott:

One of our Associates, Mr. C.H. Guckel, General Manager of the Dover Electric Light Company, 25 Essex Street, Dover, New Jersey, has asked us if we could furnish him with two copies of the paper that you presented before the Toronto Section last December, and which was printed in the April 1909 Proceedings. Unfortunately our edition of the April Proceedings is entirely exhausted, but we understand that you had 250 reprints of this paper. If you can spare two copies for Mr. Guckel, will you kindly forward them to us or to him direct. If you have a considerable quantity of these reprints on hand and care to do so, we suggest that if you will let us have a few copies we can keep them in stock to fill any further demands.

Very truly yours,

Assistant Secretary.
