Mr. C. P. Steinmetz,
Wendell Avenue,
Schenectady, N. Y.

Dear Sir:

The Publication Committee of the Institute has decided that with the exception of the papers for the miscellaneous session of the June Convention no other papers will be printed in full in the Journal although complete copies of all papers will be available at the convention if the manuscript is received in time.

It is planned to print an abstract of each convention paper in the June Journal and we are writing to ask you to prepare an abstract of not less than 500 words and not more than 1,000 words in length of your paper to be presented at the Protective Devices Session.

In order to assure it's publication in the June Journal, the manuscript of the abstract should reach us about May 1st.

Very truly yours,
