Mr. Ashutosh Dutta
Chair, IEEE Princeton/Central Jersey Section
349 Greenfield Road
Bridgewater, NJ 08807

Dear Ashutosh,

Sarnoff Corporation would be pleased to host the IEEE Milestone Plaque for TIROS 1, the world's first meteorological satellite. If awarded, the plaque will be displayed prominently at the front entrance of our facility along with the two existing IEEE Milestones for Color TV and the Liquid Crystal Display. We look forward to the possibility of hosting this prestigious award.

Sincerely,

Don Newsome
