Mr. Francis B. Crocker,
No. 14 West 54th Street,
New York.

Dear Sir:

Enclosed I send you the final draft of the report on the Code of Ethics. We desire to submit this report to the Board of Directors at its next meeting.

We have received your suggestions and criticisms, and those of the other advisory members of the committee, and have carefull considered the same, and embodied them in substance in the report, so that in our opinion it now meets your suggestions and criticism. We trust, therefore, that the report, as now enclosed, meets with your approval. If, however, you should wish to make any further criticism, we would like to receive the same before Saturday, February 5th, so that we may consider them before submitting the report to the Board of Directors, and may assume, if we do not hear from you, that you are satisfied with the report.

Very truly yours,

enc.
