

April 21, 1923

This statement was prepared at request of
Mr. Robertson, of the Crocker-Wheeler Co.
A.D.F.

*W. J. Farver
C. M. C.*

SCHUYLER SKAATS WHEELER was one of nine in-
corporators of United Engineering Society in May, 1904.
This Society was created to hold and administer properties
for the American Societies of Mining, Mechanical and
Electrical Engineers, he being one of the three repre-
sentatives of the American Institute of Electrical En-
gineers. Later the American Society of Civil Engineers
also became a member. Mr. Wheeler was a Trustee of
United Engineering Society from 1904 to 1907, and its
Treasurer for the year 1904-05.

1271
File

In 1901 he presented to the American Institute
of Electrical Engineers the remarkable collection of
electrical books of the late Latimer Clark, of London,
including practically every known publication in the
English language previous to 1886 and many older books.
Later this collection became a part of Engineering Societies
Library, owned by the four Founder Societies.

During his term as Trustee, ~~of~~ United Engineering
Society ~~erected~~ the beautiful Engineering Societies Building,
25-33 West 39th Street, New York.
