Mr. H. H. Henline, Nat'l. Sec'y.,
American Institute of Electrical
Engineers,
33 West 39th Street,
New York City.

Dear Sir:

On behalf of my brother, Clifford, and myself, I wish to express our deep appreciation of the Memorial Minute adopted by the Executive Committee of the American Institute of Electrical Engineers at their meeting on December 8, 1933. The carefully worded minute of his untiring devotion to the Institute and the Engineering Profession is a most eloquent testimonial and one that his family will long cherish.

Due, no doubt, to an erroneous account that appeared in the paper, you sent this letter to my brother at 77 Park Avenue, and it has just been forwarded to me as he does not live in New York City. This, I trust, will explain the tardy acknowledgment.

Yours very truly,

Donald C. Townley
