# AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS.

## APPLICATION FOR ADMISSION.

Extracts from the Rules, as Amended December 8th, 1885.

### MEMBERSHIP.

The Institute shall consist of Members, Honorary Members, and Associates. **Members** shall be Electrical Experts, Electricians, or Electrical Engineers, possessing such knowledge of the principles of Electrical science, and such familiarity with the practical applications of electricity in its several branches as those branches imply.

**Honorary Members** shall be recommended by at least ten members or associates, and elected by the unanimous vote of the Council, but shall not be entitled to vote or serve as members of the Council.

**Associate Members** shall be such persons as are or have been connected with the utilization of electricity, or who by means of study or experimental investigation, are qualifying themselves to become identified with electrical science, and such others to whose admission no objection shall be made by any member of the Council.

*Proposals for admission shall be endorsed by at least three members or associates, and referred to the Council, which shall have power to elect to Associate Membership only.*

All members and associates shall be equally entitled to the privileges of membership.

Transfers from associate membership to membership may be made by the Council upon application, subject to the approval of a Board of Examiners, which shall have the power from time to time to provide rules to test the qualifications of applicants. Such rules must be approved by the Council. Any person rejected by the Board shall have the right of appeal first to the Council, and finally to any meeting of the Institute.

### DUES.

The entrance fee shall be five dollars for each person. The dues of members and associates shall be ten dollars per annum, payable in advance, at the annual meeting, except that new associate members elected, shall pay in advance *pro rata*, from the first of the month of their election until the next annual meeting. Honorary members shall not be liable to fees and dues. Any member or associate may become, by the payment of one hundred dollars at any one time, a life member or associate, and shall not be liable thereafter to annual dues. The dues of members residing in foreign countries—beyond the seas—shall be five dollars per year, but such members shall have no vote for election of members.

To the Council of the American Institute of Electrical Engineers.
