T. C. Martin, Esq., Secretary,  
National Electric Light Association,  
29 West 39th Street, New York.

Dear Mr. Martin:

It will be agreeable for you to have the loan of two of the Past-Presidents' portraits in our reception room, but as our Mid-Winter Convention will be held in about 10 days, and you want the use of them for two weeks, the most convenient time for you to have them would be on Monday, February 14th, and you could then keep them until March 1st. Please advise if this will be satisfactory.

Very truly yours,

Secretary.
