Dear Miss Sirjane,

**" Proposal to Form 'Kerala Subsection' of
IEEE India Section "**

I am sending herewith a petition signed by 20 Members in the Kerala State of India for forming a Subsection in that area. It is proposed to call this Subsection as "Kerala Subsection". This was discussed at the Section Executive Committee meeting on the 3rd October '74 at Bombay and it was strongly recommended by the SEC Members. You would note that one of the Members who has signed the petition - No. 9, Mr. N.Sundarajan - is a Student Member but has applied for transfer to regular Member grade. The Managing Director of the Kerala State Electronics Development Corporation Mr. K.P.P. Nambiar has recently submitted his application for Senior Member grade and References for the same were provided amongst others by Mr.F.C.Kohli and myself. Mr. Nambiar is very much interested in promoting the activities of IEEE in Kerala State. Further a few more persons working in the Kerala State Electronics Development Corporation have also applied for Membership of IEEE and they are under processing at your end.

In view of the above, Mr. F.C.Kohli, Director Region 10 strongly supports this petition and he has asked me to request you to get this processed as early as possible, preferably before the end of this calendar year.

Even though, minimum number of persons viz. only 20 have signed
/the this petition, in ~~right~~ of what is stated above, kindly do ~~the~~ the needful.

Thanking you and with kind regards,

Encl.

Yours sincerely,

(T. V. BALAN)

As directed in your letter dt. 6th June '83, we took steps to fulfill the requirements of converting Kerala Unit of IEEE to a fullfledged section. Accordingly we got signatures of 35 members in the prescribed form and 24 members in separate slips, all of them agreeing to abide by IEEE constitution, Byelaws and published interpretations of policy and adopt Byelaws conforming to Institute Byelaw 402.

The signed documents were subsequently sent to Bangalore section. The Executive committee of Bangalore section observed that the Kerala Sub Section now stands in good stead to be an independent section. A copy of the letter to this effect received from Chairman, Bangalore section is enclosed.

All members of the Kerala Sub Section are very eagerly awaiting to see that Kerala Sub Section is given the status of a full section. Hence it is our personal request to you to see that the papers are processed at the earliest and the decision communicated to us immediately.

Looking forward to hearing from you,

With warm regards,

SUB: CHANGE THE STATUS OF AN EXISTING CHAPTER

IEEE Kerala Section has an active joint Chapter of Industrial Electronics Society (IES) and Industry Application Society (IAS). It is observed that there are many practicing Power Electronics engineers in the jurisdiction of the Section who seek professional support in organising and attending technical programmes in Power Electronics. The Executive Committee of the Kerala Section has decided to request for including the Power Electronics Society (PELS) also in the IE/IA joint chapter.

This is a formal request to the IEEE Member and Geographic Activities, Geographic Unit Support to initiate actions to obtain approval from the Regional Director, the Society Presidents and the involved Section Executive Committee(s) for effecting the change of the status of the chapter, so that the chapter will be able to serve the professionals and society in a wider spectrum.

The following are the particulars of the existing and the proposed new chapter.

Existing Chapter:

Section: Kerala; Rec ID: 71

Type: CHAPTER; Subname: IE13/IA34; (Joint Chapter of IES & IAS)

Geo code: R00145

Proposed Chapter:

Section: Kerala; Rec ID: 71

Type: CHAPTER; Subname: IE13/IA34/ PEL; (Joint Chapter of IES, IAS & PELS)

Geo code: R00145

Name of the new Chapter Chair:

Unnikrishnan A Keloth, Senior Member No. 02960169

Yours truly,

Amarnatha Raja
