Ballots must be returned in the pre-addressed envelope not later than May 1 of each year to be counted. A Committee of three tellers shall be appointed by the Section Chairman prior to May 1 of each year. This Committee shall receive and count all ballots and submit a written tabulation of them to the Secretary by May 10 of each year. In case of a tie vote for any position on the ballot, it shall be resolved by a majority vote of the members of the Executive Committee at a special meeting called by the Chairman for that purpose. The Tellers Committee shall report their tabulation of the ballots to the annual meeting of the Section and the Chairman shall declare elected those nominees receiving the majority of the votes.
- Sec. 6. The Chairman of the Section shall inform the successful candidates of their election and arrange for the transfer of responsibility to the new officers at the Annual Meeting.
- Sec. 7. Vacancies in office occurring during the year shall be filled by the Section Executive Committee for the remainder of the unexpired term unless otherwise provided for.

Hello Dr. Reilly,

I am not a Professor, I'm not even in the education field right now. It has been one of my career options for some time, but I have never pursued it. I'm also interested in contributing to the K-12 initiatives.

OK

I thought I had sent in my signature. Are you sure that I am not already one of the two you have? If you did not get it before - here is my support statement:

I support the formation of a chapter of IEEE Education Society in the IEEE-Atlanta Section.

It is interesting, though disheartening, that Atlanta with Georgia Tech cannot come up with 10 signatures. What does that say about their commitment to teaching? How many Atlanta IEEE members are members of the Education Society?

Thank you for your efforts in this area.

Dear Sir or Madam:

The Atlanta Section of the IEEE would like to merge the Communications Chapter and the Acoustics, Speech, and Signal Processing Chapter to form a joint COM-19/ASSP-10 Chapter. Our reasons for this request are as follows:

In the past year, the Chairman of the ASSP Chapter has returned to student status and has resigned his position. An effort was made to replace him with no success. This effort included a mail survey of all ASSP Chapter members asking for volunteers for Chapter offices. Only one volunteer was identified, and it was his wish that he not serve as Chairman. In addition, the Communications Chapter has experienced similar difficulties in filling its Chapter offices. Currently, only the office of Chairman is filled. It is our belief that the interests of the members of each Chapter are similar enough so that a Joint Chapter could be a success.

On October 9, 1985, a meeting was held among interested members to try to organize a Joint Chapter. A full slate of officers has been identified. These are as follows:

Chairman--Frank A. Ferguson, [REDACTED]
[REDACTED] Vice-Chairman--Thomas E.
Brewer, Georgia Tech - EE, [REDACTED] Secretary
--Mel Belcher, Georgia Tech - GTRI-CC/RAIL, [REDACTED]
[REDACTED] Treasurer--Wayne L. Brown, Dekalb Tech, [REDACTED]
[REDACTED] N. Inkian Creek Dr., [REDACTED] Mr. Ferguson

is currently the Chairman of the Communications Chapter and has volunteered to serve one year as Chairman of the Joint Chapter. His work telephone number is [REDACTED]

We would appreciate your consideration of this request to form a Joint Chapter. If you have any questions, I can be reached at [REDACTED] My secretary's number is [REDACTED]
