Mr. James Southard

Dear Mr. Southard:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Pedro Ray, and IEEE Technical Activities Vice President, Celia Desmond, it is a pleasure to inform you that the requirements of the RAB Operations Manual have been met, and the request to add Power Engineering to the IEEE Coastal South Carolina Section – Computer and Communications Joint Societies Chapter has been approved. The effective date of this Chapter change is 14 August 2006.

When an election has been held, please report the names and member numbers of the new Chapter Chairs to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>. Valuable information regarding IEEE Society Chapters can be found at [www.ieee.org/chapters](http://www.ieee.org/chapters). If we can assist you in any way in the planning of the Chapter activities, please let us know.

We extend our best wishes for the successful operation of this Chapter.

Sincerely,

Subject: Addition of IEEE Power Engineering Society to an existing Chapter

The IEEE Coastal South Carolina Section would like to add an IEEE Power Engineering Society Chapter to its existing Communication and Computer Chapter. Our Communications and Computer Chapter is in its fourth year of operation and is very active, with 3 to 4 speakers per year in the communications and computer areas. These meetings are held in conjunction with the Coastal SC Section. The addition of the Power Engineering Society would blend well with the existing chapter areas and would be of interest to the members. As a communications engineer in a power company, I see how communications, computers and power interface on a daily basis.

Thank you for your consideration.

Yours truly,
