

Region 5; R5; Southwestern USA - Region 5

R50020 Southwest Missouri Section

10 March 2009

Mr. Gabriel Fleck

Dear Mr. Gabriel Fleck:

Congratulations! On behalf of the IEEE Member and Geographic Activities Vice President, Joseph V. Lillie, it is a pleasure to inform you that the requirements of the MGA Operations Manual have been met, and the IEEE Southwest Missouri Section has been formed. The effective date of this Section formation is 14 February 2009.

The IEEE Southwest Missouri Section's boundaries are defined as: the area of Southwest Missouri including the counties of Barton, Jasper, Newton, McDonald, Cedar, Dade, Lawrence, Barry, Polk, Greene, Christian, Stone, Taney, Dallas, Webster, Douglas, Ozark, Laclede, and Wright.

We have recorded you as the interim Chair. When an election has been held, please report the names and member numbers of the new officers to the IEEE using the online Officer Confirmation form at <http://ewh.ieee.org/forms/scs/interactofficer.php>.

In celebration of this Section formation, The MGA Board has agreed to provide \$2,000 USD to your Section. These funds are to be used by your Section in support of IEEE related activities. These funds will be kept in an IEEE Custody Account that has been established on behalf of your Section. IEEE Custody Accounts are holding accounts available to those Sections in Regions 8, 9, and 10 which have difficulty exchanging currency to pay for membership and other services at IEEE. You will receive information regarding this account in a separate message.

In subsequent years, your Section will receive funding from the Member and Geographic Activities Board on an annual basis, provided that the required reporting is submitted: (1) Current Officer Report (2) Annual Financial Report and (3) Meeting Activity Report. For more information on required reporting, please go to http://www.ieee.org/web/geo_activities/units/

Page Two
10 March 2009
Mr. Gabriel Fleck

Membership growth is important for a Section's vitality. We highly recommend that you identify a volunteer to be responsible for your membership development activities. IEEE will provide critical support to help you meet your membership goals. Your Section will receive a Membership Recruitment Kit containing IEEE membership brochures, applications, and other promotional materials. The kit will also include a membership development manual, where you will find best practices and tactics for coordinating successful, local recruitment and retention initiatives. Resources for membership development can be found at <http://www.ieee.org/md>.

You will find additional information to assist you and your fellow Section volunteers on the Geographic Unit Operations Support web page http://www.ieee.org/web/geo_activities/units. A Section Officer training program is available at: http://www.ieee.org/web/geo_activities/units/Resources/Officer_Training

We extend our best wishes for the successful operation of this new Section.

Sincerely,

Cecelia Jankowski
Managing Director
Member and Geographic Activities

cc: J. Lillie – Member and Geographic Activities Vice President
D. Pierce – Region 5 Director
S. Robinson – Region 5 Director Elect
R. Shapiro – Region 5 Membership Development Committee Chair

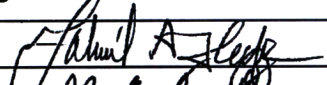

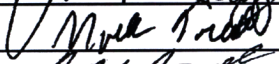

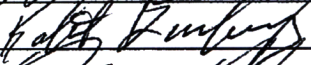

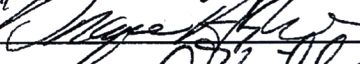

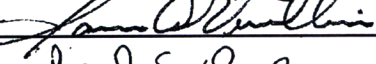

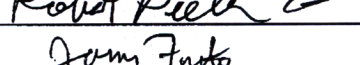

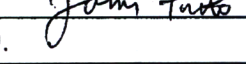

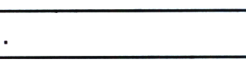

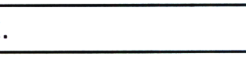

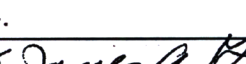

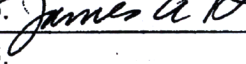

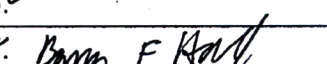

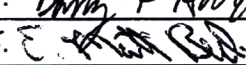

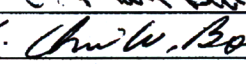

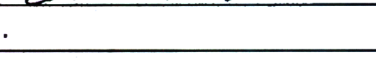

PETITION TO FORM AN IEEE SECTION/SUBSECTION

Date: 30Dec08

We, the undersigned, active members of IEEE, Inc., hereby petition for approval to form an IEEE Section/Subsection to be known as the IEEE Southwest Missouri Section. If approved, we agree to abide by the IEEE Constitution, Bylaws and published interpretations of policy.

The proposed territorial limits of this Section/Subsection are defined as follows:

The area of Southwest Missouri including the counties of Barton, Jasper, Newton, McDonald, Cedar, Dade, Lawrence, Barry, Polk, Greene, Christian, Stone, Taney, Dallas, Webster, Douglas, Ozark, Laclede, and Wright.

Signature of Petitioner	Member Number	Printed Name

*Managing Director
Regional Activities*

18 August 2004

Mr. Duane Highley

Dear Mr. Highley:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Marc T. Apter, it is a pleasure to inform you that the requirements of the IEEE RAB Operations Manual have been met, and the IEEE Southwest Missouri Subsection of the IEEE Kansas City Section has been approved. The effective date of this Subsection formation is 18 June 2004.

The Geocode for the IEEE Southwest Missouri Subsection is R5001903; please use this on all correspondence.

The IEEE Southwest Missouri Subsection's boundaries are defined as the area of Southwest Missouri including the counties of Barton, Jasper, Newton, McDonald, Cedar, Dade, Lawrence, Barry, Polk, Greene, Christian, Stone, Taney, Dallas, Webster, Douglas, Ozark, Laclede, and Wright.

We have recorded you as the Chair. When an election has been held, please report the names and member numbers of the new officers to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>.

You will find additional information to assist you and your fellow Section volunteers on the Section/Chapter Support web page <http://www.ieee.org/scs>. A Section Officer training program is available at <http://www.ieee.org/officers>. Please contact Regional Activities Section/Chapter Support staff if you need additional assistance (sec-chap-support@ieee.org).

We extend our best wishes for the successful operation of this new Subsection.

Sincerely,

Cecelia Jankowski
Managing Director
Regional Activities

Subject: IEEE Southwest Missouri Subsection

Greetings,

A petition was submitted with over 20 qualified signatures by Mr. Duane Highley to form the IEEE Southwest Missouri Subsection in Region 5.

The proposed territorial limits of the Subsection are defined as follows:

The area of Southwest Missouri including the counties of Barton, Jasper, Newton, McDonald, Cedar, Dade, Lawrence, Barry, Polk, Greene, Christian, Stone, Taney, Dallas, Webster, Douglas, Ozark, Laclede, and Wright.

The rationale for the creation of this subsection is to provide a local presence for the IEEE. The Kansas City Section has meetings monthly, but few Southwest Missouri member attend these meeting because of distance; a three-hour drive (one-way) is required to travel from Springfield, Missouri. This means an overnight stay is required just to attend a monthly meeting.

If you have any questions or concerns, please contact Mr. Highley at
[REDACTED]

Do we have your approval to place this on the June RAB Agenda? Please advise.

Warmest regards,

Lauren

Subject: RAB & TAB Actions

Hi,

In case you didn't get to read over the entire summary from the RAB meeting, please note that the following action items directly affect our group. Also, from TAB - there is another new Society. Please update the database and related files and follow up on items that relate to your job functions as needed.

Please let me know if you have any questions.

Thank you,
Vicki

17. Approved the IEEE Springfield Section as the R1 recipient of the 2003 Sustained Section Membership Growth Award contingent upon receipt of the Section Financial report by 30 June 2004. (8B)

21. Approved an one time exception to the RAB Operations Manual Section 9.4.F.7 which will allow the IEEE Beaumont Section Officers to have a 2 year term of office, provided that no officer serve in the same position for more than two consecutive terms. (9B)

22. Defeated a proposal to elevate the position of Section Membership Development Chair throughout IEEE to the same status level as the Section Chair, Vice Chair, Treasurer and Secretary Positions. RAB also defeated a proposal which recommended that the officer position of Section Membership Development Chair be required to be filled by a volunteer prior to that Section receiving its IEEE rebate. YAHOO :-)

25. Approved the formation of 45 IEEE Technical Chapters and 11 Affinity Groups. (3B) ✓

26. Approved the dissolution of 11 inactive technical chapters and 3 inactive affinity groups. (9D) ✓

27. Approved the formation of the IEEE Southwest Missouri [Sub]Section (Kansas City Section – R5) (9E). ✓

28. Approved the following Section name changes in Region 6: (1) IEEE Sacramento Section was changed to the IEEE Sacramento Valley Section; (2) IEEE Los Alamos Section was changed to the IEEE Las Alamos/Northern New Mexico Section. (11F.2, 11F.3) ✓

29. Approved the dissolution of the IEEE Redwood Empire Subsection (San Francisco Section). In Region 6. (11F.4) ✓

From TAB:

3. Approved the IEEE Intelligent Transportation Systems Council Proposal to become a Society including appropriate modifications to Society Bylaws and Constitution.

Subject: RE: IEEE Springfield Subsection

Hi Lauren,

I don't know the status of this item, but I spoke with John Meredith today, and he does **not** want it on the agenda for the upcoming meeting. He called about something else and just mentioned this. I know you wouldn't proceed without his approval, but I'm letting you know in case at some point he implied it was OK.

Thanks,
Vicki

Subject: RE: IEEE Southwest Missouri Subsection

To All,

I am definitely under the impression that The Springfield Sub Section would be a part of the Kansas City Section. I have already informed the IEEE Student Advisor at Pittsburg State that they will now have a choice on where to go for monthly meetings. Randy Winzer indicated that he would like to have the choice of both areas depending on the guest speakers.

I have communicated with Duane Highley and have told him that the Kansas City EXCOM is excited for them and would like to assist in any way. I told Duane that I and a couple of the EXCOM members would like to visit them after they are approved and help them get organized.

I hope I have explained our position and the dedication we are prepared to provide to the Springfield Sub Section.

Subject: Re: IEEE Southwest Missouri Subsection

Hello Duane,

I was pleased to hear about your plans to form a Subsection of the Kansas City Section. I would appreciate some details on your plans. Specifically, could you give me some details on the following:

- (a) Number of IEEE members in SW Missouri; number that are committed to participating in Subsection activities?
- (b) Universities that have programs in IEEE fields of interest; do any have IEEE student branches?
- (c) Have you identified volunteers who are willing to act as officers in your Subsection?
- (d) Plans for programs for Subsection; topics, field of interest, location of meetings?

(e) History of activity centered in SW Missouri?
(f) Which Section is most appropriate for affiliation, Ozark or Kansas City Section?
(g) Any other details that would support formation of an active Subsection in SW Missouri?

I will need this information in order to present your case for formation of a Subsection. If you can provide this information prior to the June 15-20 IEEE Board series, I would be happy to bring this before the Regional Activities Board.

Thanks,
John Meredith
Region 5 Director

Subject: RE: IEEE Southwest Missouri Subsection

Dear Lauren Leaston,

The Kansas City Section is well aware of the application that was forwarded to the RAB, for consideration of adding the Springfield area as a Sub-Section of the Kansas City Section. The Kansas City Section EXCOM, has discussed this and is in favor of this happening.

Please put this item on the June RAB Agenda.

I will be attending the RAB/TAB Section Chapter Support meeting, from 1-5 PM, on 17 June 04, at the IEEE Board Series. If this is the same meeting I would be available for any questions concerning the proposed Springfield Sub-Section.

Subject: IEEE Southwest Missouri Subsection

Greetings,

A petition was submitted with over 20 qualified signatures by Mr. Duane Highley to form the IEEE Southwest Missouri Subsection in Region 5.

The proposed territorial limits of the Subsection are defined as follows:

The area of Southwest Missouri including the counties of Barton, Jasper, Newton, McDonald, Cedar, Dade, Lawrence, Barry, Polk, Greene, Christian, Stone, Taney, Dallas, Webster, Douglas, Ozark, Laclede, and Wright.

The rationale for the creation of this subsection is to provide a local presence for the IEEE. The Kansas City Section has meetings monthly, but few Southwest Missouri member attend these meeting because of distance; a three-hour drive (one-way) is required to travel from Springfield, Missouri. This means an overnight stay is required just to attend a monthly meeting.

If you have any questions or concerns, please contact Mr. Highley at

Do we have your approval to place this on the June RAB Agenda? Please advise.

Warmest regards,

Lauren

PETITION TO FORM AN IEEE SECTION/SUBSECTION

Date:

We, the undersigned, active members of the Institute of Electrical and Electronics Engineers, Inc., hereby petition for approval to form an IEEE Section/Subsection to be known as the Southwest Missouri IEEE Subsection. If approved, we agree to abide by the IEEE Constitution, Bylaws and published interpretations of policy.

The proposed territorial limits of this Section/Subsection are defined as follows:

The area of Southwest Missouri including the counties of Barton, Jasper, Newton, McDonald, Cedar, Dade, Lawrence, Barry, Polk, Greene, Christian, Stone, Taney, Dallas, Webster, Douglas, Ozark, Laclede, and Wright.
