## Agreement for a loan between Region 9 and the Venezuela Section

---

This agreement sets out the terms and conditions of a loan from Region 9 to the Venezuela Section.

1. Region 9 undertakes to provide the Venezuela Section with an interest free loan totalling a sum of US\$ 5000. Those funds will be used exclusively for the ANDESCON Conference in September, 1999.
2. The Venezuela Section agree to repay the loan in full by 1 November, 1999.
3. In case the Venezuela Section doesn't cancel its debt in time, Regional Activities will, at the sole request of the Region 9 Director, deduct part of the Section's Rebates and transfer those funds to the R9 Custody account starting in 2000 and until the debt has been cancelled.
4. The Director of Region 9 will communicate to Regional Activities the unpaid amount and the retention for each year will be equal to that amount AND not to exceed the 40% of the Section's Rebates.
5. The terms and conditions of this agreement can be changed at any time with the consent of both the R9 Director and the Chairman of the Venezuela Section, who are in office at the time.
6. Any dispute arising from this agreement which cannot be resolved with the consent of both the Director and the Chairman, shall be resolved by the IEEE Vice President for Regional Activities, and both the Region 9 Director and the Venezuela Section Chairman shall agree to accept his/her decision on how the dispute shall be resolved.

We accept and agree to carry out the terms and conditions set out in the above agreement.
