March 8, 1985

Mr. Wayne M. Haidle  

Dear Mr. Haidle:

On behalf of IEEE's General Manager, Mr. Eric Herz, we are pleased to announce that formal approval was given during the Regional Activities Board Meeting, February 22, 1985 for the elevation of the Missouri Slope Subsection to Section status.

The geographical coding assigned to the Section is:

Region 04 Council 00 Section 47 Subsection 00

We are changing the records of all members residing within the territorial limits specified in the original petition, to reflect the new geographical code. This process will be completed in three to four weeks. At this time, we are recording you as Section Chairman, and we will be ready to fully service your Section.

We extend our best wishes for the success of the Missouri Slope Section. If we can be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Don Suppers  
Staff Director  
Field Services

cc: Mr. Billie F. Rider - Region 4 Director  
Mr. M. Goldberg - Twin Cities Section Chairman  
Mr. Ron Lipp - Missouri Slope Section Organizer  
Mr. Bryan D. Morlock - Red River Valley Subsection  
Dr. Irving Engelson - Staff Director - Technical Activities  
Mr. Mark M. Lucas - Field Services

Mr. Donald H. Sandell, P.E.

RE: Petition to Become a Section

Dear Mr. Sandell:

Enclosed you will find fifty (50) signatures from this area to petition a new section of IEEE. I have talked with Mr. Neil Bodin, Secretary of the Twin Cities Section, and he foresees no problem with the Twin Cities Section giving us their approval.

We have been a subsection under the Twin Cities Section for five (5) years so we are familiar with all the bylaws and procedures that go along with IEEE. The only people that have not been notified about this petition is the Red River Vally Subsection.

Also enclosed is a map showing the proposed boundary. This boundary will be the same as the Missouri Slope Subsection.

Yours Very Truly,

  
Ron Lipp

lfc

cc: Mr. Neil Bodin

Date: 12/18/84

We, the undersigned, active members of the Institute of Electrical and Electronics Engineers, Inc., hereby petition for approval to form an IEEE Section, to be known as the: Missouri Slope Section.  
IEEE \_\_\_\_\_

The proposed territorial limits of this Section are defined as follows:

All area in North Dakota west of a line starting at the Canadian border, thence south on the Bottineau County east boundary, thence west on the Pierce County north border and thence south on the Pierce County west border to the Sheridan County line. Thence east along the north border of Wells County to the east border, thence south to the Stutsman County border, west to Kidder County, thence south on the Kidder County east border to Logan County, thence east to the Logan County east border, thence south to the McIntosh County east border and thence south to the South Dakota border.

If approved, we agree to abide by the IEEE Constitution, Bylaws and published interpretations of policy.

Field Services

December 28, 1978

PLEASE REPLY TO:

Mr. Robert Asdal

Dear Mr. Asdal:

The Twin Cities Section has received and acted upon a petition from Mr. Donald L. Hinkle to form a new subsection to be known as the "Missouri Slope Subsection". We find that the petition is valid and meets the requirements given in the national IEEE Bylaws for the formation of a subsection.

In its meeting of December 7, 1978, the Executive Committee of the Twin Cities Section unanimously passed a motion for approval of this subsection. Our section is one of the large geographical sections, and we feel the needs of IEEE members geographically separated from the Twin Cities area can be best served by local organizations in the form of subsections.

In accordance with directions from your office, I am sending the petition to you. By copy of this letter to the Regional Director, we are also notifying Region IV of our action. We consider Mr. Hinkle to be the acting chairman of the Missouri Slope Subsection and urge him to appoint a nominating committee and to call for election of officers at an early meeting of the subsection. Until further notice, his name should be on the mailing lists for subsection officers from IEEE headquarters, as well as for the region and section mailing lists. His address is:

Mr. Donald L. Hinkle

Please let me know if there is any further action for us to take in the establishment of this subsection.

Sincerely yours,

J. David Zook  
Chairman, Twin Cities Section

REPLY TO: BISMARCK OFFICE

November 7, 1978

Mr. J.D. Zook  
[REDACTED]

Dear Mr. Zook:

We have twenty-one (21) signatures from this area to petition a new subsection as we previously discussed. Enclosed are these signatures on and with a petition. A map is enclosed showing the proposed boundary. This boundary is in agreement with the Red River Subsection.

I assume you will process this petition.

If you have any questions, please call me.

Yours very truly,

Donald L. Hinkle

# THE INSTITUTE OF ELECTRICAL AND ELECTRONICS ENGINEERS

Address Reply To:  
P. O. Box 2211  
Atlanta 1, Georgia

Mr. Donald G. Fink, General Manager  
Institute of Electrical and Electronics Engineers  
Box A, Lenox Hill Station  
New York 21, New York

Dear Mr. Fink:

This is to recommend the establishment of the Mississippi  
Section of IEEE, effective as soon as possible.

This section will be comprised of those counties in central Mississippi listed on the petition and the map.

Attached are the petition, a map, a financial statement, and a list of the officers.

The Mississippi Section is not happy with the assignment of the counties in northeast Mississippi. They are particularly unhappy at the loss of Lee county. In the interest of time, however, to conclude the merger, they agreed to accept the territorial assignment listed above upon my assurance that if they could work out an agreement with the adjoining sections, Memphis and Huntsville, the boundaries could be realigned when the proper request is received. Tupelo in Lee county is a thriving community closely oriented with the rest of Mississippi, and I am quite sure that the interest of the people in this county is with the Mississippi Section rather than with Huntsville. If it will be difficult to obtain the realignment of Lee county from the Huntsville Section to the Mississippi Section in the near future, I would recommend that Lee county be shown in the Mississippi Section in the initial setup.

This section will operate under the IEEE constitution in the interim period, pending the anticipated revision of the model constitution which was contained in initial draft form in the draft issue of the section manual.

**IEEE**

**SERVICE CENTER**

THE INSTITUTE OF ELECTRICAL AND ELECTRONICS ENGINEERS, INC.  
445 HOES LANE, P.O. BOX 1331, PISCATAWAY, NJ 08855-1331, U.S.A. TEL. (201) 981-0060 TELEX 833233

October 6, 1987

Mr. Lynn D. Strombeck  

Dear Mr. Strombeck:

Congratulations! On behalf of IEEE's General Manager, Mr. Eric Herz, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the Power Engineering Chapter in the Missouri Slope Section has been approved. The effective date of this establishment is September 15, 1987.

At this time we are recording you as the Interim Chairman. When an election has been held, please use the enclosed Chapter Officer Reporting form (L7) to report the officers to IEEE. If we can assist you in any way in the planning of the Chapter activities please let us know.

We extend our best wishes for the successful operation of this new Chapter.

Sincerely,

Don Suppers  
Staff Director  
Field Services

cc: Dr. James E. Holte - Region 4 Director  
Mr. Theodore W. Hissey - Power Engineering Society President  
Mr. Michael D. Risan - Missouri Slope Section Secretary  
Mr. Dan Klempel - Nominated Chairman of Proposed PE-31 Chapter  
Dr. Irving Engelson - Staff Director Technical Activities  
Mr. Mark M. Lucas - Field Services

14 May 2007

Mr. Jacob Zettel  

Dear Mr. Zettel:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Pedro Ray it is a pleasure to inform you that the requirements of the RAB Operations Manual have been met, and the IEEE Missouri Slope Section - GOLD Affinity Group has been formed. The effective date of this Affinity Group formation is 8 May 2007.

You have been recorded as the Affinity Group Chair. When an election has been held, please report the name and member number of the new Affinity Group Chair to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>. If we can assist you in any way in the planning of the Affinity Group activities, please let us know.

We extend our best wishes for the successful operation of this Affinity Group.

Sincerely,

A handwritten signature in cursive script that reads "Cecelia Jankowski".

Cecelia Jankowski
