Attention: Ewing C. Sadler, Esq.

Dear Mac:

We acknowledge receipt of your letter of March 11, 1943 by Mr. Sadler, requesting copy of report on the electrification of Swiss railroads by Mr. Cramond of this office.

Due to a large burden upon our stenographic force at this time, it would be extremely impractical to have another copy of this 80-page report made up for you. There are no surplus copies available. I would suggest that you contact Washington for a copy of this report.

Very truly yours
Daniel B. Britt
