J. Elmer Housley
President, AIEE

Welcome:

A genuine welcome is extended to members and guests attending the 1947 Winter Meeting. The Committee has prepared a splendid program for the enrichment of both your professional and social life. The facilities and staff of the Institute are available to serve you while visiting Metropolitan New York. This city offers a wide range of interesting events for your enjoyment. Your attendance will be rewarded by the stimulation of personal contacts and the relaxation afforded by a change from your regular activities.

Cordially,
J. Elmer Housley.

SMOKER

Hotel Commodore

5:30 P.M., Tuesday, January 28

The evening commences with a cocktail hour at 5:30 in the West Ballroom, with dinner and stage show following.

While every effort has been made to meet the demand for tickets, the physical limits of the room which have made this difficult for several years past have again prevented us from filling all requests.

THEATRE and BROADCAST TICKETS

For out-of-town members attending the Winter Meeting, blocks of tickets have been purchased for the Wednesday and Thursday night performances of the following shows:

Carousel	\$6.00
Happy Birthday (Thurs. only)	4.80
Harvey	4.20
Oklahoma	4.80

Tickets for several radio broadcasts are also available. Obtain all tickets (including advance requests) at the Information Desk in Lobby. Persons interested in attending UNO session apply also at Information Desk.

LADIES' ENTERTAINMENT

A Sightseeing Trip and Tea on Tuesday will start at 2:00 P.M. from AIEE Headquarters. Buses will make an extensive trip around New York City and stop for tea at the "Tavern on the Green" in Central Park at 4:30 P.M. Tickets are \$1.00 per person.

A Luncheon and Bridge on Wednesday will be held at the Engineering Women's Club, 2 Fifth Avenue. The luncheon will start at 12:30 P.M. and be followed by the Bridge Party. Tickets are \$1.00 per person.

Tickets for both affairs may be obtained at Ladies' Headquarters on the 10th floor of the Engineering Societies Building.

INSPECTION TRIPS

An interesting and comprehensive schedule of inspection trips coordinated as far as possible with the various technical sessions has been set up and is listed below.

Those wishing to make inspection trips are urged to make arrangements and secure tickets as soon as possible after registering in order that adequate transportation facilities may be provided. Where buses are required, a nominal charge will be made to defray this expense.
