Dear Dr. Alahakoon:

Congratulations! On behalf of the IEEE Executive Director, Dan Senese, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the IEEE Sri Lanka Section has been approved. The effective date of this Section formation is 14 November 2003.

The Geocode for the IEEE Sri Lanka Section is R00002; please use this on all correspondence.

The IEEE Sri Lanka Section's boundaries are Sri Lanka.

At this time, we are recording you as the Interim Chair. When an election has been held, please report the names and member numbers of the new officers to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>.

You will find additional information to assist you and your fellow Section volunteers on the Section/Chapter Support web page <http://www.ieee.org/scs>. A Section Officer Training Program is available at <http://www.ieee.org/officers>. Please contact Regional Activities Section/Chapter Support staff if you need additional assistance ([sec-chap-support@ieee.org](mailto:sec-chap-support@ieee.org)).

We extend our best wishes for the successful operation of this new Section.

Sincerely,

Cecelia Jankowski

**PETITION TO FORM AN IEEE SECTION**

Dear Sir,

I am herewith faxing the petition to form an IEEE Section to be known as the IEEE Sri Lanka Section. The petition carries 64 signatures (over seven pages) of eligible IEEE members who are residing within the territorial limits of the proposed IEEE Sri Lanka Section, which will be the territorial limits of The Democratic Socialist Republic of Sri Lanka.

There are three engineering faculties in three state universities in Sri Lanka, where B.Sc. degrees in different sub disciplines of electrical and electronic engineering are offered. Thus the annual output of engineers in the area of electrical and electronic engineering is about 300 per year. There are several industries, which employ several hundreds of electrical and electronic engineers as well. Being an island nation, this strong electrical and electronic engineering community in Sri Lanka can be served with all available services of IEEE in a more organized manner by forming this IEEE Sri Lanka Section. More than twenty of the petitioners here are clustered around the Faculty of Engineering, University of Peradeniya who are providing the leadership in formulating this section. We believe that we could expose the electrical and electronic engineering community of Sri Lanka to latest developments in this discipline and serve it better by this effort.

I would be very grateful if you could evaluate the petition and grant your approval in the near future.

Thank you,

Yours truly,

*U.S.K. Alahakoon*
