Hello

This is to confirm our telephone conversation.

The Allegheny Mountain Section has been dissolved and we must reassign several counties to the nearest Section. The Warren and McKean Counties are being reassigned to the Erie Section. If for some reason this does not meet with your approval please contact me immediately so we may adjust our records.

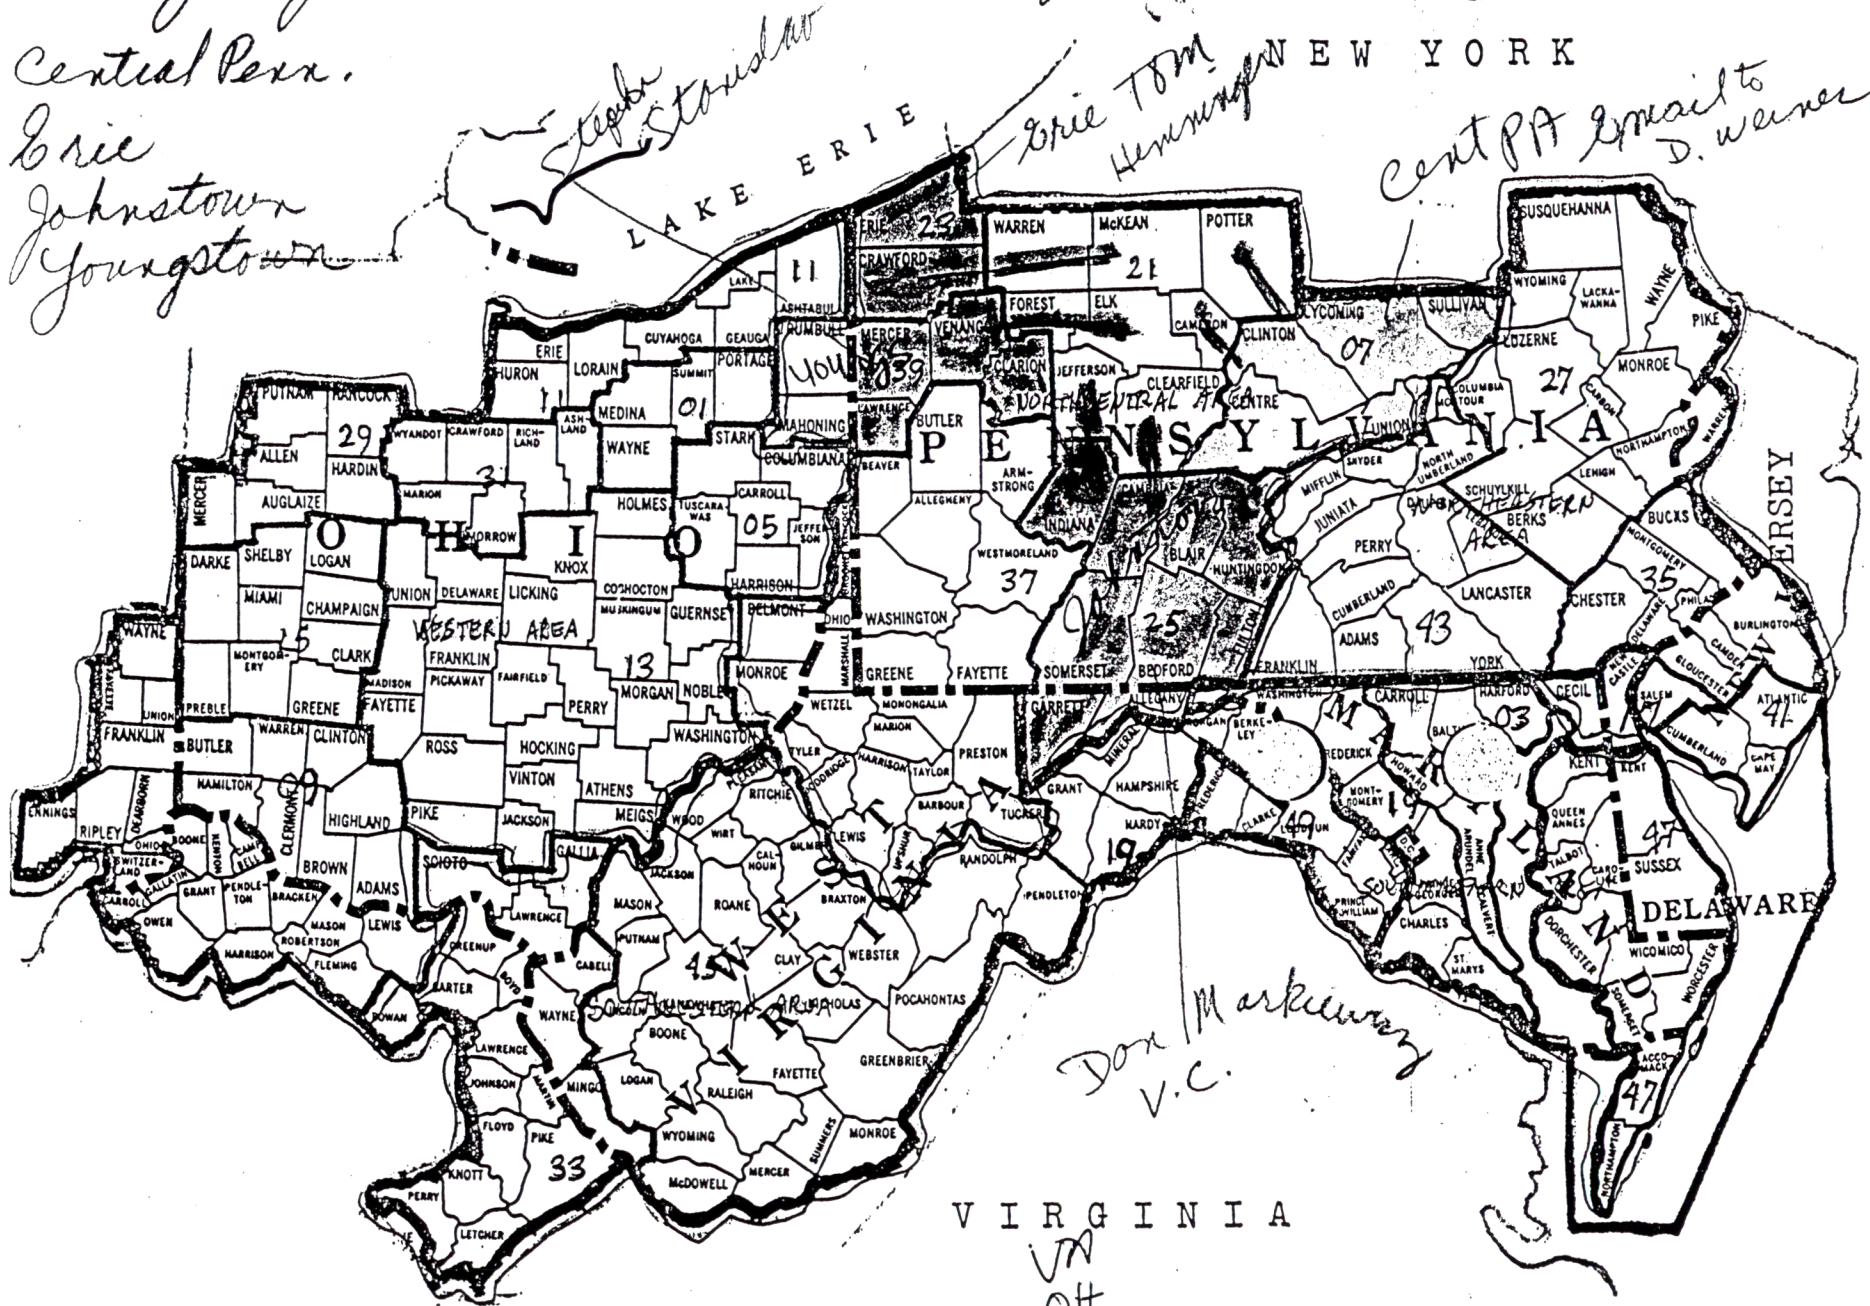

Please feel free to contact me if you have any questions or concerns.

Thank you.

JP

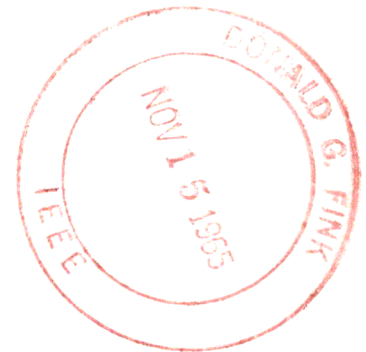

Date November 12, 1965

From Emily Sirjane

Subject: DISSOLUTION of WILLIAMSPORT SECTION

Following the dissolution of the Williamsport Section, and reassignment of Section territory, the Student Branch at Bucknell University will be within the territory of the Central Pennsylvania Section, who has been so informed.

This is the only Student Branch involved in this change.

Subject: Dissolution of the Williamsport Section

The Board of Directors at its meeting of November 4 authorized the dissolution of the Williamsport Section in accordance with the recommendation of Director Morrill and in accordance with his correspondence to me, dated October 20, with respect to the assignment of Members and Students to the adjacent Sections, which will now share the territory previously held by Williamsport.

The prorata assignment of the Williamsport Section Treasury, recommended in the last paragraph of his letter was also approved.

Please notify Mr. Kinn and Mr. Leonard concerning the impact of this change on Student Branch operations in the affected area.

Mr. Donald G. Fink, General Manager

Dear Don:

This letter is in further reply to yours of 29 September, 1965, relative to the disposition of the Williamsport Section.

We have consulted further with Mr. C. E. Johnson and with the Student Counselors of Lehigh and Bucknell. Because of the very small size (47) of the Williamsport Section, I didn't think it necessary to talk specifically on this subject with the chairmen of the surrounding sections since they are not greatly affected. The location of roads seems to be as big a consideration as any.

My recommendation is that the members in the counties shown below be assigned to the sections indicated.

<u>County</u>	<u>Members</u>	<u>Students</u>	<u>Total</u>	<u>Section</u>
Columbia	5	1	6	Lehigh Valley
Snyder	1	1	2	Susquehanna
Northumberland	6	4	10	"
Montour	-	-	-	"
Clinton	-	3	3	Central-Pennsylvania
Lycoming	29	2	31	"
Sullivan	-	-	-	"
Union	<u>6</u>	<u>28</u>	<u>34</u>	"
	47	39	86	

I would further recommend that the Williamsport Section treasury, which I understand to be almost \$800.00, be assigned by IEEE to the sections on a prorata basis; i.e., 6:12:68.

Best regards,

C. D. Morrill, Director

Mr. C. D. Morrill

Dear Mr. Morrill:

The Williamsport Section has requested disbandment of that Section and, if you approve, it will be necessary to take several actions:

1. Reassignment of Territory. Attached are:
 - a. Map showing the boundaries of this Section and the adjacent Sections.
 - b. Breakdown of the membership of the Williamsport Section as of 9/30/65.
 - c. Breakdown of the membership of the adjacent Sections as of 12/31/64.

You may wish to consult with these Sections to determine the fair and proper distribution of territory.

2. Funds and Assets. Arrangements are to be made to forward all the funds and assets of the Williamsport Section to IEEE Headquarters.
3. Approval of Dissolution. The Bylaws provide that "The Board of Directors may dissolve any Section for any reason deemed sufficient by the Board of Directors and any remaining funds and assets in the custody of that Section shall revert to the IEEE."

It would be desirable to complete all of the above actions before the end of the calendar year 1965. To do so would mean that your recommendation should be submitted in time for study by the Executive Committee at its meeting on November 3, with formal action taken by the Board on November 4.

If I can provide any further information, or assist in this matter, please call or write me.

Sincerely yours,

Emily Sirjane, Manager

Nathalie - I do think you will soon need to identify the local leadership for this chapter to succeed. Maybe you will find them at University of Cincinnati in Electrical Engineering (we call it ECECS). Tom Mantai, our former chair of Dept. might be a good choice. GE Jet aircraft engines plant is also near by and employees plenty of EEs. You may find someone there. Good luck. skh

Vicki Waldman

Dear Ms. Waldman:

This is in reference to the closing of accounts for the Ohio Valley Section of the IEEE. Enclosed are copies of the letters and checks mailed to the West Virginia and Cincinnati sections. Also enclosed are copies of any other relevant documents. Below is a summary of the balances of the Ohio Valley section accounts which were closed.

The checking account at Huntington Federal was closed on 10/7/02, with a balance of \$1,911.91. (The August, 2002 statement is enclosed). The savings account original balance, transferred to the State of Ohio Division of Unclaimed Funds, was \$2,287.24. The State of Ohio withheld 5% of the amount as a processing fee, leaving \$2,172.88. Hence, the total amount to be divided up was \$4,084.79. Your e-mail message of November 21, 2001 indicated that the Cincinnati section was to receive 53% and the West Virginia section was to receive 47%.

I sincerely apologize for the long delay in processing the funds. If you have any questions regarding this matter, contact me at [REDACTED]

Sincerely,

Dear Mr. Gobovic:

As you may be aware, the IEEE has decided to close down the Ohio Valley Section, of which I was the past treasurer. The Ohio Valley Section has not met for several years, and the national IEEE has instructed me to close the accounts. The consolidated balance is being distributed to the West Virginia and Cincinnati sections. I have deposited the monies into my personal account for dispersion. Enclosed is check number 1066, in the amount of \$1,919.85, to be deposited into the West Virginia section IEEE account.
