Mr. E. N. Narayanaswamy
[REDACTED]

Dear Mr. Narayanaswamy:

We are pleased to advise that the Regional Activities Board, on April 28, 1978 approved the establishment of the MADRAS Section with the territory to encompass the following:

State, India: Tamil Nadu
Union Territory of Pondicherry

We are recording you as the Interim Chairman until an election has been held and the officers can be reported to IEEE on the enclosed officer reporting form. If we can assist in any way in planning the Section activities, please let us know.

The IEEE Bylaws provide that each new Section, within six months of establishment, shall adopt Section Bylaws to be submitted to the Regional Director for his approval, with copy simultaneously forwarded to IEEE Headquarters for our records. Enclosed is a Sample Section Bylaw which may be used as a guide in the preparation of your Bylaws.

Our Best Wishes for the successful operation of the new Section.

Sincerely,

Robert K. Asdal

Sub: Elevation of Tamilnadu subsection
to Section level

Dear Mr. Asdal,

I am writing this in reference to the recommendations made by us to you to elevate the Tamilnadu subsection to the level of section. This was as a result of the petition made by the members of the Tamilnadu subsection and which was subsequently recommended by the Council to you. During the recent Annual Convention in Madras, the Chairman of the Tamilnadu subsection discussed this with Dr. I.A. Getting expecting that Dr. Getting might have heard of the decision from the Board of Directors on this matter. As the Council has already recommended to you the upgrading of the Tamilnadu subsection, I hope there may not be any hesitation on the part of the headquarters to do the necessary.

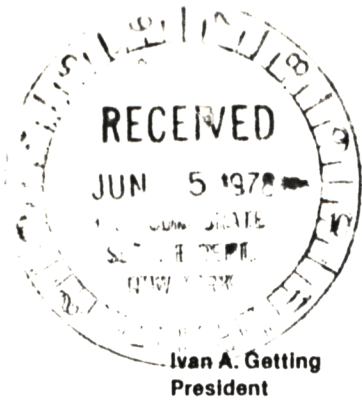

I would however like to know from you how the matter stands today.

With regards,

Yours sincerely,

D N PURANDARE

Dear Mr. Kohli:

I have recently been advised that the Madras Section has been officially approved. I am sure that under the leadership of Mr. E. N. Narayanaswamy, the Madras Section will prosper.

At a recent Board meeting, it was agreed to raise the minimum salary for reduced membership cost from \$2,000 per annum to \$2,500 per annum. At the same time, the definition of income was sharpened. These actions should be of benefit to members of your Council.

Please accept my best wishes.

Sincerely yours,

Ivan A. Getting

E.N. NARAYANASWAMY
CHAIRMAN.

Dear Mr. Asdal,

Thank you very much for your kind letter of May 3, 1978 intimating the approval of the Regional Activities Board on April 28, 1978 the establishment of the Madras Section with the Territory to encompass i) Tamilnadu and ii) Union Territory of Pondicherry. It has also been noted from your letter that I have been recorded as an Interim Chairman of the Section until an Election has been held.

The work on drafting the bylaws for the Section has been taken up and will be sent to you in due course, and in the meantime, the following Officers elected for the Tamil Nadu Sub Section would be steering the Section activities.

27 September 2007

Dr. Krishnan Nallaperumal

Dear Dr. Nalleperumal:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Pedro Ray, it is a pleasure to inform you that the requirements of the IEEE RAB Operations Manual have been met, and the IEEE Podhigai Subsection of the IEEE Madras Section has been approved. The effective date of this Section formation is 25 August 2007.

The IEEE Podhigai Subsection's boundaries are defined as: State of Tamilnadu, including the districts of Ramanathapuram, Dindigul, Theni, Madurai, Virudhunagar, Tirunelveli, Tuticorin (Thoothukudi), Kanyakumari, Sivagana and Coimbatore.

We have recorded you as the interim Chair. When an election has been held, please report the names and member numbers of the new officers to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>.

You will find additional information to assist you and your fellow Section volunteers on the Section/Chapter Support web page <http://www.ieee.org/scs>. A Section Officer training program is available at <http://www.ieee.org/officers>.

We extend our best wishes for the successful operation of this new Subsection.

Sincerely,

A handwritten signature in black ink, appearing to read 'Cecelia Jankowski'.

PETITION TO FORM AN IEEE SECTION – REGION 10

Date: 05 February 2007

We, the undersigned, active members of IEEE, Inc., hereby petition for approval to form an IEEE Section to be known as the **IEEE PODHIGAI Section**. If approved, we agree to abide by the IEEE Constitution, Bylaws and published interpretations of policy.

1. Name of the proposed section: IEEE PODHIGAI SECTION

2. The proposed territorial limits (boundaries) of the proposed IEEE PODHIGAI Section are defined as follows:

Districts involved in the Proposed IEEE PODHIGAI Section

Sl.No.	COUNTRY	STATE	District Name	Postal Code
1.	INDIA	TAMILNADU	RAMANATHAPURAM	623xxx
2.	INDIA	TAMILNADU	DINDIGUL	624xxx
3.	INDIA	TAMILNADU	THENI	625xxx
4.	INDIA	TAMILNADU	MADURAI	625xxx
5.	INDIA	TAMILNADU	VIRUDHUNAGAR	626xxx
6.	INDIA	TAMILNADU	TIRUNELVELI	627xxx
7.	INDIA	TAMILNADU	TUTICORIN	628xxx
8.	INDIA	TAMILNADU	KANYAKUMARI	629xxx
9.	INDIA	TAMILNADU	SIVAGANGA	630xxx
10.	INDIA	TAMILNADU	COIMBATORE	641xxx 642xxx

The 10 west and south districts of Ramanathapuram, Dindigul, Teni, Madurai, Virudhunagar, Tirunelveli, Thoothukudi, Kanyakumari, Sivagangai and Coimbatore of TAMILNADU STATE of INDIA.

3. Concurring Section involved in the territory: IEEE Madras Section covering the full TAMILNADU STATE OF INDIA consists of 30 districts. (Map annexed)

4. Rationale for the Proposed Section: The geographical spread of the existing IEEE Madras section being the entire state of Tamilnadu covering 30 districts, we, the IEEE members of the south and west parts of Tamilnadu are not able to actively participate in the activities of the IEEE Madras section owing to the long distance separation from our area to the Head Quarters of the IEEE Madras section at Chennai, where most of the activities happen. The proposed IEEE PODHIGAI SECTION will fulfill our professional needs and further the missions of IEEE.

The following individual is serving as the Organizer of the Section:

Name: Krishnan Nallaperumal Member #: 85004024

Address: Professor and Head, Centre for Information Technology and Engineering,
Manonmaniam Sundaranar University, City: Tirunelveli State/Province: Tamil Nadu
 Postal Code: 627012

Dear Nathalie Gosset,

Thanks for your mail. I am glad to be the organizer.
I am giving my consent herewith.

I, Balakrishnan Santhanaraj, am the Chapter organizer
of the EMBS Chapter in the Madras IEEE Section. I am
an IEEE member as well an EMBS member of the Madras
Section. My address is:

Dr. Balakrishnan Santhanaraj

Subject: IEEE-EMBS Chapter Madras Section

Dear Nathalie Gosset!

I, **Santhanaraj Balakrishnan, IEEE-EMBS member 80035163**, petition to have an EMBS, Chapter started in the Madras IEEE Section.

Thanks for your mail and encouraging words. Yes! I am interested in making the EMBS chapter in India. Please kindly provide me the members contact address. I shall try my level best. I have done some work in making the chapter formed. The major concerns that I worried about is that to see the chapter functions permanently. It should not be dissolved. Annual membership fee (IEEE-EMBS) seems to be higher for many peers here in our country. I do not get the guarantee for their continued association with EMBS and to search new members. However I am making all the effort from my level to see the chapter formed and continually engages in the development of EMBS. I feel lot of things to be done with our government to see the high quality health care system is functioning here.

I shall do all the help that I can render for EMBS. My college authorities have agreed to provide necessary infrastructure to have EMBS Indian Office to be housed here.

We are organizing an International Symposium on Bioengineering on Health Care during 16-18 November 2006.

Please send details.

Thanks!
Dr. Balakrishnan Santhanaraj

Mr. Ramasamy Chellappan

Dear Mr. Chellappan:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Marc T. Apter, and IEEE Technical Activities Vice President, John Vig, it is a pleasure to inform you that the requirements of the RAB Operations Manual have been met, IEEE Madras Section – Power Electronics Society Chapter has been formed. The effective date of this Chapter formation is 15 November 2005.

You have been recorded as the Chapter Chair. When an election has been held, please report the name and member number of the new Chapter Chair to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>. Valuable information regarding IEEE Society Chapters can be found at www.ieee.org/chapters. If we can assist you in any way in the planning of the Chapter activities, please let us know.

We extend our best wishes for the successful operation of this Chapter.

Sincerely,

Cecelia Jankowski

Leap Second Meant More Time For June Weddings This Year

"We add an extra second almost every year," says Dr. Sam Stein, chief of the Time and Frequency Division of NBS, who supervises the atomic clocks which provide the standards for time interval and frequency for the United States. "If we didn't, our clocks would gradually get out of step with solar time. Although our atomic clocks are actually much more precise than solar time, they run at a slightly different rate. Since we can't reset the sun, we have to reset our clocks. This keeps the discrepancy between the clocks and the sun to less than one second at all times," Stein notes.

Leap seconds have been used since 1972; there were two the first year, none in 1980, and one in each of the other years. This year, the leap second was added on June 30 at the end of the minute designated 2359 UTC (Coordinated Universal Time). That minute, just before midnight on the Greenwich (England) meridian, contained 61 seconds. At the same instant, clocks all over the world were reset according to instructions from the International Bureau of Time in Paris. In the United States, the moment came just before 8 p.m. EDT.

Only those clocks which must be kept within one second of UTC, such as the atomic clocks at NBS and the U.S. Navy Observatory, are adjusted, so most people were not

directly affected by the leap second. It was only important to those who work with very accurate clocks, such as the operators of communication, transportation, and computer systems.

Television Electronic News-Gathering Equipment Can Be Shut Down

Complaints from the National Aeronautics and Space Administration that spurious radiation from television electronic news-gathering equipment interfered with space shuttle tracking and communications equipment led to a ruling by the Federal Communications Commission authorizing shutdown of such equipment if its operation interferes with other radio communications and in so doing threatens life or property. The ruling met with strong opposition from broadcasting companies.

"Quality" Is Main Problem in Engineering Crisis

The IEEE Board of Directors has approved a position paper on U.S. engineering education that states that the main problem in the engineering crisis is one of quality.

According to the paper, the quality of a large fraction of educational programs is eroding and thereby "limiting our ability to graduate the students who are needed for the appropriate development of the nation's economy, defense, and standard of living."

The paper urges that high quality be given precedence over increased number of graduates, recognizing that compromises must be made because of limited resources and larger numbers of students.

The paper also offers guidelines for ensuring acceptable quality in engineering programs. These include having appropriate student-to-faculty ratios; limiting the number of students graduated per year to five times the number of faculty; and increasing graduate stipends so they approach 50 percent of the starting salaries of baccalaureate engineering graduates.

For copies of the paper, write Veronica Lewis, IEEE 345 E. 47th St., New York, NY 10017.

Dr. Krishnan Nallaperumal

Dear Dr. Nallaperumal:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Pedro Ray, and IEEE Technical Activities Vice President, Celia Desmond, it is a pleasure to inform you that the requirements of the RAB Operations Manual have been met, and IEEE Madras Section – Signal Processing/Computational Intelligence/Computer Joint Societies Chapter has been formed. The effective date of this Chapter formation is 28 April 2006.

At this time, we are recording you as the Chapter Chair. When an election has been held, please report the name and member number of the new Chapter Chair to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>. Valuable information regarding IEEE Society Chapters can be found at www.ieee.org/chapters. If we can assist you in any way in the planning of the Chapter activities, please let us know.

We extend our best wishes for the successful operation of this Chapter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Cecelia Jankowski', written over a light blue horizontal line.

Ms. I. Auxilia Jansi Rani

Dear Ms. Jansi Rani:

Congratulations! On behalf of the IEEE Executive Director, Dan Senese, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the IEEE Madras Section - GOLD Affinity Group has been formed. The effective date of this Affinity Group formation is 25 June 2003.

At this time, we are recording you as the Affinity Group Chair. When an election has been held, please report the name and member number of the new Affinity Group Chair to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>. If we can assist you in any way in the planning of the Affinity Group activities, please let us know.

We extend our best wishes for the successful operation of this Affinity Group.

Sincerely,

Cecelia Jankowski
