Hello Dick

Thank you for reaching out to us about the Museum's interest in being designated and honored by the IEEE with an IEEE Citation. We have very high regard for the IEEE and our relationship with the organization at every level, and I'm pleased that there is sentiment within IEEE to recognize the Museum in this way.

We would therefore be happy to receive a citation and to display it in a public area of the Museum.

I know there are several steps in the process, and we will be happy to support you and IEEE in any way to help. Please do let me know, and thanks again.

Kind regards

John
