RECEIVED

JAN 10 1985

C. Satish,

August 31, 1984.

Dear Member,

I am glad to inform you the following:

I.E.E.E., headquarters has given approval on 15th May 1984 for changing our I.E.E.E., Hyderabad's status from a Sub-section to a Section. I request every Section member to play an active role in the programs at our Section. I will be glad to know your suggestions on what & how we should build up a useful professional development activity at our Section level. We have invited I.E.E.E. President Mr. R. Gowen to visit Hyderabad in December 1984 as he is planning to be in India in December 1984.

2. Regarding election of office bearers and Bylaws to the Section, it is proposed to retain the subsection office bearers and Bylaws till end of 1984.
3. The Section is organising a 10 days intensive lecture course on "Secure Communications" at Hyderabad from December 13-22, 1984. The faculty is Dr.N.S. Jayant, Dr. V. Bhargava and Mr. W. Diffie (all from North America). The course fees is Rs.3,000/- for IEEE members. Further details can be had from the Secretary. The Section is planning to organise a 2 days conference on "Energy Options" towards end of 1985. Optimal energy decisions/ strategies for the future involves evaluation of various energy technologies - old and new before committing huge funds for implementing any strategy for meeting the needs. Members suggestions are most welcome.
4. Unfortunately this year the IEEE service centre has delayed abnormally processing of our new member's applications. But everyting seems now regularised including the temporary discrimination between member and provisional members status for some new members. We have been writing to the service centre about the above and also about the abnormal delay (6-8 months) in the receipt of IEEE journals in this part of the world. We are told spectrum will be sent soon in a waterproof, tamper resistant transparent sealed polythene wrapper.
5. Sections of IEEE are the key groupings of IEEE members within geographical areas. These units bring IEEE services to the members and provide technical, educational & educational & professional activities for them. Some of the major concerns to the section are money, programs & voluntary workers. Sections get a meagre rebate which is not adequate. additional funds may be generated by section sponsored conferences & continuing education courses. An important section activity is conducting short courses, & lectures. Recruiting speakers, arranging for facilities & audio visual services, & publicising the programs are difficult and time consuming,

but, the results of a successful course or lecture are increased knowledge for members, a sense of satisfaction & unity and income for better/ expanded section activity.

These activities provide excellent opportunities to test and develop leadership and managerial skills. The IEEE presidents and Region 10 Director have been emphasising that the "dedication" & "enthusiasm" of the section leaders & members is remarkable and the voluntary work of these people is IEEE's great strength & asset & unique feature of IEEE. Section offers its membership a way to participate thro' local programs and to create a strong sense of unity within IEEE by bringing together members of divergent technical interests.

The IEEE Hyderabad Subunit which is formed in the middle of 1981 has conducted over 30 technical lectures (some of the speakers are from USA), a short 2 days all India level course in 1982 on Signal Processing & another 2 days course on parallel processing in September 1983. Support your profession & your Section. Build IEEE programs for our long term professional development and advancement.

The Job at the section level can't be done by one or two persons. We need several active volunteers to share the work in our section. You can work as an office bearer, member, of Executive Committee, Program Committee, Lecture Committee, Membership Development Committee, Finance Committee. Work involves planning conference/Lecture/course topics, contacting speakers, finding out and fixing up of facilities, lecture halls & cosponsors, publicity, membership development, preparation of lecture notes. Please contact me and build up your, professional society and derive personal satisfaction. Let us work together.

Mr. R. S. Sivaswami

Dear Mr. Sivaswami:

We are pleased to advise you that formal approval was obtained at the May 15th Regional Activities Board Meeting to change the status of the Hyderabad Subsection to Section status.

The geographical coding assigned to the Section is:

Region 10 Council 01 Section 49

We are changing the records of all members residing within the territorial limits of the Subsection to reflect the new geographical code. This process will be completed in three to four weeks. At that time, we will record you as Section Chairman, and we will be ready to fully service your Section. Please find enclosed a form for you to send back to headquarters when you have your election for the Section officers.

We extend our best wishes for the success of your Section. If we can be of further assistance to you, please do not hesitate to contact us.

Dear Pat,

Having returned to Delhi yesterday after a seven week overseas visit, I have been going through my mail and sorting out papers requiring attention.

I am enclosing my approval for formation of

- i) Information Theory Chapter of the Tokyo Section
- ii) Sarasota-Bradenton Subsection of the Florida West Coast Section

I am also enclosing copy of a letter I have received from Secretary of IEEE Calcutta Section indicating the Section's approval for opening a sub-section at Kharagpur. I have already recorded my approval for this during my visit to your office on February 7.

I am enclosing copy of correspondence from Mr C Satish of Hyderabad enclosing a petition for formation of a sub-section in Hyderabad, which will be affiliated to the Bombay Section. Mr Satish has requested IEEE Bombay Section for approval by way of his letter dated 19th February. In case you have not received a reply from Bombay Section, may I request that your Office remind Bombay Section. I also approve the formation of Hyderabad sub-section, which will cover the state of Andhra Pradesh in India.

May I thank you and Laura for receiving me at IEEE Service Center for a visit and for the enthusiastic support both of you are giving to me.

with warm regards

Dear Prof. Doma:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Marc T. Apter, it is a pleasure to inform you that the requirements of the IEEE RAB Operations Manual have been met, and the IEEE Guntur Subsection of the IEEE Hyderabad Section has been approved. The effective date of this Subsection formation is 18 November 2004.

The Geocode for the IEEE Guntur Subsection is R0014901; please use this on all correspondence.

The IEEE Guntur Subsection's boundaries are defined as:

Guntur, Vijayawada and Krishna Districts of Andhra Pradesh, India

We have recorded you as the Chair. When an election has been held, please report the names and member numbers of the new officers to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>.

You will find additional information to assist you and your fellow Section volunteers on the Section/Chapter Support web page <http://www.ieee.org/scs>. A Section Officer training program is available at <http://www.ieee.org/officers>. Please contact Regional Activities Section/Chapter Support staff if you need additional assistance (sec-chap-support@ieee.org).

We extend our best wishes for the successful operation of this new Subsection.

Dear Sir,

Sub: Opening a subsection at Guntur District, Andhra Pradesh, India

From the geographic distribution of member of IEEE Hyderabad Section, I found that it is feasible to start a subsection at Guntur and Vijayawada districts, Andhra Pradesh, India, with the district boundary as its jurisdiction that falls under the jurisdiction of IEEE Hyderabad Section.

In doing so, it will be possible to extend our services to the members of that district and spread the message of IEEE Sub-sequently, I made efforts to get in touch with the members to complete the petition form as required by IEEE and approached the SEC on the same.

The IEEE Hyderabad Section Executive Committee has resolved strongly recommends a subsection for IEEE at Guntur District, India.

Thanking you

Sub: Opening a subsection at Guntur District, Andhra Pradesh,
India.

Dear Sir,

I am pleased to inform you that from the geographic distribution of member of IEEE Hyderabad Section, I found that it is feasible to start a subsection at Guntur district, Andhra Pradesh, India, with the district boundary as its jurisdiction that falls under the jurisdiction of IEEE Hyderabad Section.

In doing so, it will be possible to extend our services to the members of that district and spread the message of IEEE. Subsequently, I made efforts to get in touch with the members to complete the petition form as required by IEEE and approached the SEC on the same.

The IEEE Hyderabad Section Executive Committee has resolved and strongly recommends a subsection for IEEE at Guntur District, India

Thanking you,

(Dr. K. Srinivas)

Note: A copy of the petition form has already been mailed by Mr SV Ranganayakulu of TJPS College, Ring Road, GUNTUR – 522 006 on 19th September 2002.

Miss Madhumita Chakravarti

Dear Miss Chakravarti,

Congratulations! On behalf of the IEEE Regional Activities Vice President, Pedro Ray, and IEEE Technical Activities Vice President, Peter Staecker, it is a pleasure to inform you that the requirements of the RAB Operations Manual have been met, and IEEE Hyderabad Section – Microwave Theory and Techniques / Antennas & Propagation / Electromagnetic Compatibility Joint Societies Chapter has been formed. The effective date of this Chapter formation is 8 May 2007.

At this time, we are recording you as the Chapter Chair. When an election has been held, please report the name and member number of the new Chapter Chair to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>. Valuable information regarding IEEE Society Chapters can be found at www.ieee.org/chapters. If we can assist you in any way in the planning of the Chapter activities, please let us know.

We extend our best wishes for the successful operation of this Chapter.

Sincerely,

Mr. Syed A. Ali

Dear Mr. Ali:

Congratulations! On behalf of the IEEE Executive Director, Dan Senese, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the IEEE Hyderabad Section – Consultants Network Affinity Group has been formed. The effective date of this Affinity Group formation is 17 October 2003.

At this time, we are recording you as the Affinity Group Chair. When an election has been held, please report the name and member number of the new Affinity Group Chair to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>. If we can assist you in any way in the planning of the Affinity Group activities, please let us know.

We extend our best wishes for the successful operation of this Affinity Group.

Sincerely,

Cecelia Jankowski
