Mr. Don Suppers

Dear Don:

Enclosed are petitions from the Red River Valley Subsection requesting upgrade to Section status. Also enclosed is a copy of a letter from Neal Bodin, chairman of the Twin Cities Section, indicating their support. As Region 4 director I also approve this action.

In order to help with the finances of the new section, I am requesting that \$500 be sent to the Red River Valley Subsection immediately from the Section Support via Region 4 fund. This request was also verbally approved by Neal Bodin.

Thanks for your assistance.

Best regards,

*Bill F. Rider*

Mr. William F. Rider

Dear Billie,

Enclosed are petitions from the Red River Valley Subsection seeking to gain section status. The petitions include maps of South Dakota, North Dakota, & Minnesota showing the counties which are currently in the Subsection, and which would be included in the section boundaries.

I believe you have received a letter giving you notification of support from the Twin Cities Section.

Would you please provide Region 4 approval to our petition, and forward the papers to IEEE? Our officer group is anxious get reorganized as a section.

Thank you for your support and help in this project.

Very truly yours,

*Bryan*

Mr. Billie Rider

Dear Mr. Rider:

The Twin Cities Section Executive Committee at its November meeting unanimously passed a motion of approval and support for the Red River Valley Subsection to seek Section status.

We regret that the present state of the Section finances precludes any assistance beyond that of the usual subsection rebate. However, the Section anticipates a cash flow improvement in the near future and will consider a commitment to Red River Valley at that time.

Sincerely,

*Neal Bodin*
