Dr. David V. Thiel

Dear Dr. Thiel:

On behalf of IEEE's General Manager, Mr. Eric Herz, we are pleased to announce that formal approval was given during the Regional Activities Board Meeting, February 22, 1985 for the formation of the Queensland Section in Region 10.

The geographical coding assigned to the Section is:

Region 10 Council 00 Section 53 Subsection 00

We are changing the records of all members residing within the territorial limits specified in the original petition, to reflect the new geographical code. This process will be completed in three to four weeks. At this time, we will record you as Section Chairman, and we will be ready to fully service your Section.

We extend our best wishes for the success of your Section. If we can be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Don Suppers

Dear Mr Buckley,

re: FORMATION OF QUEENSLAND SECTION

Further to my letter of November 1984 you will find enclosed a list of names of those IEEE members in Queensland who support the formation of the Queensland Section. This list is ordered by postcode and will be similar to your master index except where a change of address has been indicated. Enclosed also are the signed positive response slips. You will find that the list of names contains 56 member or higher grades, and some responses are still arriving. It is my understanding that you now have all of the necessary information to consider our request for the formation of the section. Please note that I can be contacted by telex #AA40362.

I look forward to hearing from you when a decision has been made.

Yours faithfully,

David V. Thiel.

Dear Mr Buckley,

re: FORMATION OF QUEENSLAND SECTION

You will find enclosed a copy of a petition seeking the support of IEEE members resident in Queensland for the formation of a Queensland Section. More than the required 50 members responded positively to this petition and their names and membership numbers are listed. I therefore seek your approval for the formation of the Queensland Section. In doing so I propose the following:

- 1) Name of Section: The Queensland Section
- 2) Geographic Area Encompassed: The whole of the State of Queensland within the Commonwealth of Australia.
- 3) Approximate number of members in New Section: 250
- 4) Location of Members: All live within Queensland
- 5) Other Sections in vicinity: There is no other section in Queensland.
- 6) Neighbouring Sections: The Australian Section supports the formation of the Queensland Section.
- 7) Name of Chairman Elect of Queensland Section: Dr. David V. Thiel.

I would appreciate it also if you could send me the relevant information and advertising material associated with Section activities including such material as membership applications at all levels, a copy of the suggested draft constitution and any other material you think might be useful in starting a new section. It would also be useful to know the procedure for obtaining a membership list covering the whole of Queensland (Australian postcode range 4000 to 4999).

I look forward to hearing from you when a decision has been made.

Yours faithfully,

David V. Thiel.
