To
Ms. Gloria Gutwein,

Dear Ms. Gutwein,

This is to inform you that IEEE Kharagpur Subsection held its Annual General Meeting on 11th December, 1984 and had election for the new office bearers for the year 1985. The name and address of the office bearers for the year 1985 are as given below. We would appreciate if you kindly make necessary changes in the Organization Rosters.

Thanking you,

Sincerely yours,

(A.K. Majumdar)
Secretary-cum-Treasurer

Kharagpur Subsection : Officers for the year 1985.

1. Professor T. S. Lamba - Chairman
2. Prof. A.K. Majumdar, Vice-Chairman,
3. Prof. V.G. Rau, Secretary-cum-Treasurer,

MEMORANDUM

TO: Betty Stillman

DATE: June 13, 1985

FROM: Don Suppers
Staff Director - Field Services

SUBJECT: Elevation of Subsection to Section Status

The Kharagpur Subsection was elevated to Section status during the Regional Activities Board meeting, May 31, 1985. The territory of the Section encompasses the District of Midnapore in the State of West Bengal (India) as stated in the original Subsection petition.

The geographical code assigned to the Kharagpur Section is:

Region	10	Council	01	Section	55	Subsection	00
--------	----	---------	----	---------	----	------------	----

cc: E. K. Gannett
Mark M. Lucas
Laura S. Jobmann
Carol Telep
Gloria O. Gutwein

Chairman: T.V. Balan

June 5, 1985

Dear Mr. Bodson,

Sub: Upgrading of Kharagpur Sub-Section

This has reference to the correspondence resting with your letter of 2nd May 1985, addressed to Prof. M.N. Roy, Chairman of Calcutta Section.

During my sojourn at New York on the 20th May 85, I called on Mr. Don Suppers and discussed with him the proposal to elevate Kharagpur Sub-Section to Section status. Subsequently, when I spoke to Mr. Don Suppers from New Orleans, he desired that I should try and speak to you, but unfortunately I could not get through to you during the short time at my disposal.

Some of the points we should consider are whether in the same State of West Bengal, we should have two Sections. Kharagpur is in West Bengal and the territory proposed by them includes a portion of West Bengal, the whole of Orissa and a portion of the Bihar State - which regions are presently with Calcutta Section. In other words, by upgrading the Kharagpur Sub-Section we would be weakening the Calcutta Section. Further, the Membership presently at Calcutta Section and Kharagpur Sub-Section, are not in my opinion, sufficient for two Sections to operate in that part of the country.

I understand that your goodself would be attending Region 10 Meeting at Bangkok by end of July 85 and we should take the opportunity to discuss this matter threadbare as Prof. M. N. Roy and Mr. Eric Hertz would also be present at Bangkok.

With warm personal regards,

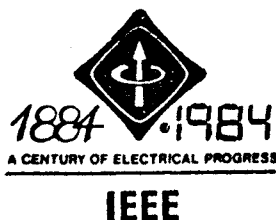

Yours sincerely,

(T. V. Balan)

Mr. Dennis Bodson,
Vice President-Regional Activities,

Sub : Elevation of Kharagpur Subsection to Section Status

Dear Mr. Bodson,

With reference to your letter dated February 27, 1985 addressed to Mr. Alak K. Ghosh in connection with the above subject, please find enclosed herewith the form indicating the approval for elevation of the Kharagpur subsection to section status. I sincerely regret for the delay in answering to your letter, the reason being that the AGM of Calcutta Section was held in March 1985, and myself being the Chairman for 1985, is writing the letter to you.

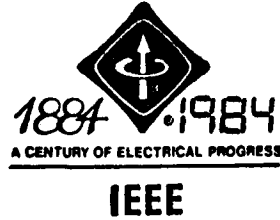

Regarding the subject, I would like to draw your attention to the following points :

1. Calcutta Section had responded in due time to India Council regarding the upgradation of Kharagpur subsection and the matter was under active consideration of India Council.
2. Calcutta Section, whole-heartedly welcome the upliftment of the Kharagpur sub-section to section status, congratulate them for their good work and does not at all want to stand in the way to this upliftment.
3. I would like to mention further that, in India, there are seven sections at the moment, but no single state has two sections. Kharagpur is not only in the same state (West Bengal) as Calcutta but also situated in close proximity (116 Km) with Calcutta Section. Hence we would suggest that definite demarcation of geographical area of the Kharagpur Section be done by joint consultation. Otherwise, the formation of more such sections in eastern region may dissolve Calcutta Section in future.

VICE PRESIDENT - REGIONAL ACTIVITIES
Dennis Bodson

PLEASE REPLY TO:

February 27, 1985

Dr. Irving T. Ho

Dear Irving:

Attached is a letter dated December 7, 1984 which was sent to 1984 IEEE President, Richard Gowen, from Professor S. L. Maskara, Student Branch Counselor at IIT in Kharagpur.

As Vice President of Regional Activities, President Eldon has requested that I respond to this letter, and I am enclosing a copy of my response to Professor Maskara.

Of major import in these letters is the petition for the elevation of the Kharagpur Subsection to Section status. Although the Kharagpur Subsection submitted this petition with only 43 valid signatures, I feel that through the activities Professor Maskara describes in his letter Kharagpur could become a very viable Section. Therefore, I would like to place approval of this petition for elevation on the May 31, 1984 Regional Activities Board Agenda and exercise the Regional Activities Board's right to waive the requirement of 50 names for Section formation as set forth in IEEE Bylaw 404.2.

In addition, I am enclosing my letter to the Calcutta Section Chairman requesting approval of the elevation of the Kharagpur Subsection to Section status. You will note that I have given the Calcutta Section 60 days to respond. The reason that I have placed a response date in the letter is due to the fact that the Calcutta Section has ignored all prior requests for approval of this petition.

At this point, I would like to obtain your approval of this petition based on the information enclosed. You can indicate your approval (or disapproval)

Dr. Irving T. Ho
February 27, 1985
Page 2

on the form below and mail it to Laura Jobmann, Regional Activities Board, 445
Hoes Lane, Piscataway, NJ 08854 USA or you can send a telex to Laura Jobmann
at Telex No. 833-233 PWAY.

Thank you very much for your attention to this matter.

Sincerely,

Dennis Bodson

Dennis Bodson
Vice President-Regional Activities

Prof. S. L. Maskara

The Kharagpur Subsection of the IEEE has mushroomed impressively. Starting with a total strength of 22 members, it now has more than 50 members with the bulk of the membership in the city of Kharagpur. There are an additional 75 odd student members of IEEE and the IIT Kharagpur IEEE Student Branch.

The Subsection and the Student Branch are not only large, they are also active. Thus in the last quarter of 81, we arranged 3 technical talks; in 82 we arranged 11 technical talks and 2 technical visits; in 83 we arranged 15 technical talks and 2 technical visits. These talks have been at advanced levels and ranged over a wide range of topics starting from personal Computers to Remote Sensing. Over and above these, we at Kharagpur have arranged 4 paper contest and 4 courses over the last two years. Most of the paper contests and all the courses have been well received with participation well beyond expectation.

Even all these activities do not fully depict the potential at Kharagpur. At Kharagpur we have the INDIAN INSTITUTE OF TECHNOLOGY which is a premier institute in India, and is internationally renowned. This institute has a faculty of 500 odd and about 3000 students distributed over some 25 Departments and Centres. There are eight Departments and Centres in IEEE related fields. To tap this potential it is desirable that the Kharagpur Subsection be upgraded to a Section. This will lead to an enhancement of the subsection's activities and member enrollment. We will also be able to open several society chapters at Kharagpur. This is all the more important because Kharagpur is quite an isolated place. For example, Kharagpur is quite far from Calcutta - two and a half hours train journey— and hence

THE INSTITUTE OF
ELECTRICAL AND
ELECTRONICS
ENGINEERS, INC.

IEEE KHARAGPUR SUBSECTION

IIT Kharagpur IEEE Student Branch

C/o E&ECE Dept. IIT., Kharagpur - 721302 (India)

it has not been possible to have any meaningful interaction with the parent section at Calcutta.

The geographical regions of the section may remain as before the Midnapore District, or for administrative convenience, be enlarged to include Orissa and parts of Bihar.

We hope that Kharagpur will be upgraded to a section in the Centennial Year and this make the elevation all the more memorable. All the members have expressed their desire to have a section and have been making continuous enquiries in this respect.

In view of this isolation and large potential for professional activities, this educational centre should have a full fledged section, besides the section at Calcutta. In fact Kharagpur cannot be placed under any section, but may have other areas under it because of the density of electrical, electronics and computer engineering experts located at the IIT Campus here.

Prof. S. C. DeSarkar

Dear Prof. DeSarkar:

I am in receipt of your petition for the upgrade of the Kharagpur Subsection to Section status. I have noted that not all the members signed the petition. According to the Bylaws (404.2) of IEEE, we need a minimum of 50 signatures of IEEE dues paying members of the Subsection in order to process this petition. We also need the approval of the Calcutta Section Executive Committee. As soon as we receive the needed additional signatures and Section approval, we will proceed with the steps necessary for the upgrade to Section status.

I have attached a copy of your petition with the members outlined in yellow who need to sign. Please obtain a few more signatures of members in your Section who qualify, so there will be no additional time loss in processing this petition.

Please feel free to contact me, if you need additional information. Good luck with your efforts. Thank you for your continued support of IEEE activities.

Sincerely,

Kathleen Ruggeri

We, the undersigned, active members of the Institute of Electrical and Electronics Engineers, Inc., hereby petition for approval to form an IEEE Section, to be known as the:
IEEE Kharagpur Section.

The proposed territorial limits of this Section are defined as follows:

District of Midnapore, Bankura & Purulia in West Bengal.

Districts of Rohatus, Palamau, ~~Amra~~ Aurangabad, Hazaribagh, Ranchi, Singhbhum, Bhanbad, Giridi in Bihar and the state of Orissa.

(see attached map)

If approved, we agree to abide by the IEEE Constitution, Bylaws and published interpretations of policy.

IEEE Kharagpur Subsection
C/O E & ECE Department
I.I.T., Kharagpur.

Minutes of the AGM held on 3.2.1983.

The Second Annual General Meeting of the IEEE Kharagpur Subsection was held on the 3rd Feb. 1983 at 6.30 P.M. in the Technology Club. Sixteen members attended the meeting. The Chairman welcomed the members. He called the meeting to order. The minutes of the previous meeting were confirmed.

The Chairman highlighted the activities of the Subsection carried out in the year 1982. He expressed his appreciation of the cooperation received from the members of the subsection which made possible the successful implementation of the Subsection's activities. He thanked the members of the executive committee for the initiative they took in planning and carrying out the various activities. He said that the Subsection had been able to carry out many activities successfully. Now that its roots are firm, it should take up fund-raising programmes.

his view that

is in line with the policy of the IEEE Kharagpur Subsection to work towards the development of the subsection.

The secretary presented a bird's eye-view of the years activities for the year 1982. He enumerated the eleven technical talks which the Subsection sponsored and described the technical visits to the TRACT and the Kalaikunda Air base. He reported on the tutorial paper contest and on the visit of Dr. V.P. Kodali, then region 10 director. He expressed his gratification with the IEEE Kharagpur student branch over their close cooperation, but was forced to express regrets over the lack of cooperation from the Calcutta Section. He also presented a summary of the accounts for the year 1982.

Since no petition was received, the slate proposed by the Nomination Committee was elected uncontested. The members of the executive committee for the 1983 are as follows :

Chairman	: Prof. S.B. Sinha (6833909 M)
Vice-Chairman	: Prof. S.C. De Sarkar (7995798 M)
Secretary-cum-Treasurer	: Prof. T.S. Lamba (7649395 M)
Members	: Prof. S.L. Maskara (5372065 SM) Immediate : Prof. P. Dasgupta (7995095 M) past Chairman : Prof. D.N. Bose (409025 M) : Dr. B.K. Mathur (7602170 M)

The vice-chairman initiated a discussion on various activities.

year's activities and made some useful suggestions for future activities.

The chairman then requested Prof. Lamba to conduct the rest of the function which was a jumble of games, entertainment and dinner. The families of the members were also invited to join in the fun. The members, the ladies and the children participated enthusiastically in the off-beat games. The children presented the variety entertainment programme. The dinner was prepared by the wives of the members. The evening was quite enjoyable as brought out by the Vice-Chairman. He concluded the evening with a vote of thanks.

(S.C. DE SARKAR)
Secretary-cum-Treasurer.

Mr. F. C. Kohli

Dear Mr. Kohli:

The Field Services Department is in receipt of two Subsection petitions from members of Sections within the All-India Council.

The "Kharagpur" Subsection petition has been approved by the Calcutta Section Executive Committee. The petition contains the required amount of valid signatures. The "Hyderabad" Subsection petition has been approved by the Bombay Section Executive Committee. The names on the petition are currently being verified. Dr. V. Prasad Kodali, Region 10 Director, has also indicated his approval of both petitions.

However, in order to further process the petitions, we must have the approval of the All-India Council. We are asking your assistance in obtaining these approvals, and forwarding them to the Field Services Department at your earliest convenience.

We look forward to the establishment of the "Kharagpur" and "Hyderabad" Subsections, and we thank you in advance for your help. If we can be of assistance, please do not hesitate to contact us.

Sincerely,

Prof. A. Pal

Dear Prof. Pal:

Thank you for your recent correspondence regarding the formation of a Computer Chapter in the Kharagpur Section. We are pleased to know that the Section is still eager to have the Chapter formed.

On behalf of IEEE's General Manager, Mr. Eric Herz, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the establishment of a Computer Chapter in the Kharagpur Section has been approved. The effective establishment date of the Chapter is April 12, 1989.

At this time we are recording Mr. M.B. Brahmanandan as C-16 Chapter Chairman. When the next election has been held, please use the enclosed Chapter Officer Reporting form (L7) to report the officers to IEEE. If we can assist you in any way in the planning of the Chapter activities please let us know.

We extend our best wishes for the successful operation of this Chapter.
