Mr. Donald H. Sinnott

Dear Mr. Sinnott:

On behalf of IEEE's General Manager, Mr. Eric Herz, we are pleased to announce that formal approval was given during the Regional Activities Board Meeting, August 23, 1985 for the formation of the South Australia Section in Region 10.

The geographical coding assigned to the Section is:

Region 10 Council 00 Section 57 Subsection 00

We are changing the records of all members residing within the territorial limits specified in the original petition, to reflect the new geographical code. This process will be completed in three to four weeks. At this time, we will record you as Section Chairman, and we will be ready to fully service your Section.

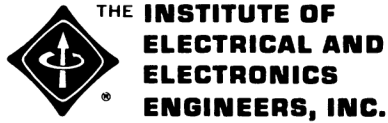

We extend our best wishes for the success of your Section. If we can be of further assistance to you, please do not hesitate to contact us.

RECEIVED

MAY 21 1985

STAFF DIRECTOR
VICE

Dear Mr Buckley

IEEE members resident in the state of South Australia, Australia, were recently polled to ascertain their feelings concerning establishment of a South Australian Section of the IEEE. A copy of the original mailing to members in South Australia, over the signature of Dr D.A. Gray (Member 4723045), is attached as Attachment A and a copy of the follow-up letter as Attachment B.

A total of 50 replies have been received from members (other than students) in favour of establishing a South Australian Section, as per the completed list and returned slips. Accordingly, I now formally make application on behalf of these concurring members for IEEE approval for the establishment of a new Section.

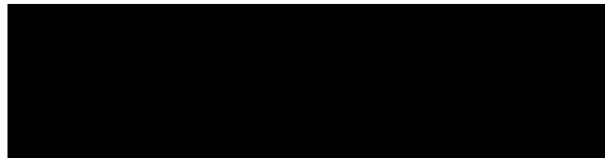

Summary details of the proposed Section are as follows :

1. Name of Section : South Australian Section
2. Geographic Area Encompassed : The whole of the State of South Australia within the Commonwealth of Australia
3. IEEE Members in the Proposed Section : Approximately 75 of Grades other than Student
4. Relationship with Other Sections : No other Section currently exists within South Australia. The parent Section, the Australian Section, has encouraged moves made to establish a South Australian Section and supports its formation.

WA 1 116

5. Chairman, pro tem (pending formalisation of the Section)

: Dr Donald H. Sinnott

This letter has been copied to Dr Ho, IEEE Region 10 Director, and to the Australian Section. The Australian Section has advised me that it supports the establishment of a South Australian Section and will document its support to you on receipt of information that this petition has been lodged.

Records of costs associated with this petition (postage and stationery) have been maintained and will be submitted for reimbursement on advice of the mechanism for making such a claim.

Yours sincerely
