R00119 Bangalore Section

R0011901      Mangalore Subsection

*P. N. Hiriyannaiah*

NAME OF SECTION: Bangalore

DATE ESTABLISHED: 5/13/76

HISTORY: On May 13, 1976 the Regional Activities Board approved the reorganization of the India Section. This resulted in the establishment of the Bangalore Section with territory to encompass Karnataka, Kerala, Tamil Nadu, and Union Territory of Pondicherry. The Board also established the All-India Council composed of Bangalore, Bombay and Delhi Sections.

SECTION OFFICERS:

Chairman Ravi L. Kirloskar

Vice Chairman H. V. Gopalakrishna

Secretary/  
Treasurer P. N. Hiriyannaiah

MEMBERSHIP AS OF 12/31/77: 340\*

MEMBERSHIP AS OF 12/31/76: 313

The Bangalore Section has two Subsections, Kerala and Tamil Nadu which are described as follows. Currently, there is a petition to change the Tamil Nadu Subsection to a Section.

\*Includes Subsections.

SUBSECTION: Kerala  
DATE ESTABLISHED: 11/7/74 (As part of India Section)  
SUBSECTION OFFICERS:

Chairman Kunnath P. Nambiar

Vice Chairman Dinkar S. Rane

Secretary/  
Treasurer Athipedu A. Sridhar

MEMBERSHIP AS OF 12/31/77: 48

MEETINGS HELD DURING 1977:

AIR MAIL

Mr. H. B. Shah

Dear Mr. Shah:

We are pleased to advise that on December 14, 1971, all concerned approved the petition to establish the BANGALORE SUBSECTION of the India Section. The territory of the new Subsection will encompass all of the State of Mysore in India.

As soon as an election has been held, and the names of the officers are known, we will appreciate being advised for our records. If we can assist in any way in planning the activities of the new Subsection, please let us know.

Our Best Wishes for the successful operation of the new Subsection.

Sincerely,

Emily Sirjane, Manager  
Membership Services

Memo to: Betty Stillman  
C. F. Stewart  
From: Emily Sirjane  
Subject: Information Items for the Executive Committee and the  
Regional Activities Board.

1. The Regional Activities Board, on December 14, 1971, approved the petition for the establishment of a new Section to be known as the HONG KONG SECTION. The territory of the new Section will encompass:

All of the British Crown Colony of Hong Kong

2. The Regional Activities Board, on December 14, 1971, approved the petition for the establishment of the BANGALORE SUBSECTION of the India Section. The territory of the new Subsection will encompass:

The State of Mysore, India

3. The Regional Activities Board, on December 14, 1971, approved the request of the India Section Executive Committee for an expansion of territory of their TAMIL NADU SUBSECTION to include:

The Union Territory of Pondicherry, India

4. The Bylaws of the new Hong Kong Section were approved by those concerned on December 14, 1971.

July 3, 1969

Mr. F. C. Kohli

Dear Mr. Kohli:

We are writing to report on preliminary action taken on the petition requesting approval to establish an India Section of the IEEE.

At the meeting on June 26, 1969, the IEEE Executive Committee voted to recommend to the Board of Directors: (1) dissolution of the Kanpur Section and (2) establishment of the new India Section. This item will be on the agenda for consideration by the Board of Directors at the next meeting on August 27.

Because favorable action by the Board is anticipated, it is suggested that you proceed now with organizing the Section to avoid any delay in getting the activities under way.

In a few days you will receive a list of all members of the IEEE residing in India. This will assist you in developing plans for conducting an election of Section officers.

We are forwarding to you the following material:

- IEEE Section Manual
- Supply of Section stationery

Please let us know how we can assist you further in these activities.

Sincerely,

Emily Sirjane, Manager  
Membership Services

## AIRMAIL

Mr. F. C. Kohli

Dear Mr. Kohli:

This will acknowledge receipt of your letter of May 30, 1969 addressed to Mr. Donald G. Fink, who is absent from the office on a business trip.

We are very pleased to receive the petition requesting approval to establish an India Section, to encompass the entire Country of India. The petition has been checked and found to contain the signatures of fifty-one members, above Student grade, with mailing addresses in India.

Steps are being taken immediately to have the petition submitted for approval by those concerned, and you will be informed just as soon as action has been taken in this matter.

The list of members in India, as requested in your letter of May 30, 1969, is being prepared and will be forwarded to you on June 27, 1969.

We hope that you will call upon us for any further assistance you need in organizing the new Section and getting its activities underway.

Sincerely,

Emily Sirjane, Manager  
Membership Services

Dear Mr Fink,

This has reference to your letter dated September 9, 1968 addressed to Dr H K Kesavan in regard to the establishment of an All India Section of IEEE, and my letter dated April 7, 1969 to you.

I am enclosing herewith a petition for forming an All India Section with headquarters in Bombay duly signed by 51 members residing in India. I request that this petition may be put up for the IEEE Executive Committee's approval. The Section will have its headquarters at Bombay and Sub-sections at major cities in India, namely, Delhi, Kanpur, Calcutta, Banaras, Madras, Bangalore, etc.

On behalf of the petitioners I would like to assure you and through you to the IEEE Executive Committee that the Section, when established, will further the cause and objectives of IEEE.

Mr S M Zubair, Senior Member of IEEE, has signed the petition but has not been able to give his Membership number. This, I presume, would be available at the IEEE Headquarters.

.. .. 2

-2-

I sincerely hope that it would be possible for the Executive Committee to approve our petition expeditiously, so that we can set up the Section as early as possible.

With kind regards,

Yours sincerely,

  
F C KOHLI

Dear Sirs,

IEEE Members in India

It is proposed to have a Section of the IEEE in India, with its headquarters in Bombay and subsections at Major Cities in India like Delhi, Kanpur, Calcutta, Madras, Bangalore, Banaras etc. A petition, duly signed by 51 Members, has already been submitted, requesting for the IEEE Executive Committee's approval.

We require a list of all the IEEE Members in India, in order to organise the activities of the Section better. We shall therefore thank you to kindly arrange for sending a copy of the list to us.

Yours faithfully,

Dear Dr. Fink:

I am extremely happy to note that you have authorized Mr. F.C. Kohli to proceed with the formation of IEEE India Section. I have no doubts that the Section will be formed without any further delay. As you very well know Bombay has the maximum number of IEEE members than any other city in India and under Mr. Kohli's leadership the job will be done.

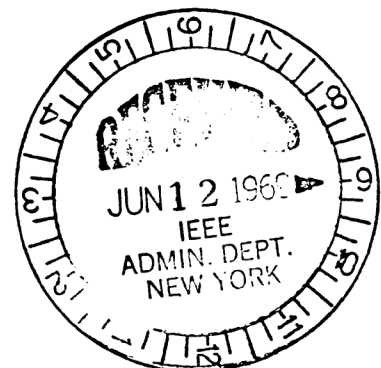

I am also happy to note the interest expressed by Dr. Jha and Mr. Ramabhadran. We had received similar expressions of interest from other possible centres in India.

Yours sincerely,

*H. K. Kesavan*

AIR MAIL

Mr. Shankar Kantebet  
11th Road  
Santa Cruz E.  
Bombay, India

Dear Mr. Kantebet:

As you know, the formation of an IRE Section in India was approved on November 16, 1959.

We have just learned that Mr. Morton Nadler, who had much to do in initiating the formation of this Section, is leaving India shortly, and are writing to inquire whether you have any knowledge as to the current status of operations in this Section, whether an organization meeting has been held, and officers elected.

We are most anxious to assist in any way we can to see that the activities of this Section get under way, and would be most grateful for any information that you can provide to us in this regard.

Very truly yours,

George W. Bailey  
Executive Secretary

April 7, 1960

*File*

Mr. V.Y. Kamat,  
Kamat Brothers,  
12, Dwarkadas Mansion  
Sardar Patel Road,  
Bombay 4

Dear Mr. Kamat,

As you know, the petition of the IRE members in India, which you were instrumental in collecting in Bombay, has been approved. It is necessary for the section now to elect officers.

As you may recall, at our last meeting you had agreed to act as provisional secretary, and to call together a meeting of the members in the Bombay region. I have been under the impression that a mailing list was sent to you from New York, but they may have not carried this out.

As I am leaving India shortly, I would like to see what can be done in this regard. I am accordingly sending you under separate cover all the material I have concerning the formation of the Indian IRE section. I shall be in Bombay on the evening plane from Calcutta on April 17 (arriving 10:15 PM), and I shall be flying to Zurich on April 20 at 1:30 A.M. I can see you either Monday or Tuesday or both (I shall be staying again at Green's Hotel).

Could you call together some of those who signed the petition so that one of those evenings we can discuss the completion of our work in forming the section?

From the material enclosed you will see that N.Y. has been corresponding mainly with Mr. Kantebet. It would be well if he could come along as well.

Yours very truly,

cc: executive secretary IRE

Dear Mr. Sitaram:

We have received your letter of October 8, 1959 concerning the establishment of an IRE Section in India; also, your suggestion that a good time to have the first meeting would be in New Delhi about December 21, 1959, following the Annual Meeting of the I.T.E. This appears to be a good plan for the reason that so many engineers will be present in New Delhi at that time.

We are pleased that you are interested in the formation of a Section in India and we are looking forward to receipt of the formal petition requesting approval of the IRE Executive Committee to establish the Section. It is our hope that the petition is received in IRE Headquarters no later than November 10, so that it can be acted upon by the IRE Executive Committee at their November meeting.

The IRE Executive Committee will meet again on December 15, but any action taken on the petition at that meeting may be too late for the necessary plans to be made by the Section for the proposed first meeting on December 21.

Copy for listings in the 1960 IRE DIRECTORY closed many months ago and publication is due very shortly.

Sincerely yours,

Emily Sirjane  
Office Manager

R. SITARAM,  
Assistant Professor  
( M 84800 )

Faculty of Electronics  
Madras Institute of Technology  
Chromepet P.O.  
Madras, India.

The Secretary  
Institute of Radio Engineers  
New York  
U.S.A.

October 8, 1959.

Sir:

On your suggestion to him Mr. Morton Nadler was here recently in connection with setting up Indian Section for I.R.E., for which Delhi, Bombay, Madras, Bangalore, Calcutta were chosen as five regional centres. When he came here we met a few local people in the profession and he addressed the I.T.E.(India). Mr. Nadler suggested that I be the Secretary for the Madras Centre which I accepted. He promised to go to Delhi, finally consult I.R.E. Members at Calcutta also and then write to you his impressions. During the course of his talk with us he said that during a year we hold one meeting at each centre and the one at Delhi should preferably be completed the Annual meeting of Institution of Telecommunication Engineers (India) so that we can have larger people attend the convention. This year the I.T.E.(India) proposed to hold the Annual General body meeting on 1st Delhi at New Delhi. So if you wish that I.R.E.(N.Y.) should arrange to inaugurate the Indian Section around that date, you can intimate all the Secretaries of the various centres in India, to go ahead with their plans. The I.T.E. general body meeting is followed by a convention for two days on 19th, 20th December 1959. You can suggest to the various Secretaries to have the I.R.E. (N.Y.) meeting about 21st December, 1959.

Please let me know your views.

Thanking you,

Yours sincerely

*R. Sitaram*

( R. Sitaram )

P.S. If you have not printed the I.R.E. Directory,  
please put my details as given above.

P. U. Sukhadia, M-29000  
Wireless Services  
1/16, Shantinath Bhuvan  
427, Sion Road, Matunga  
Bombay 19, India

Dear Mr. Sukhadia:

Thank you for your letter of September 15, 1959 and payment of \$17.50 for one complete set of each of the 1959 IRE NATIONAL and WESCON CONVENTION RECORDS.

Your letter of September 25 has also been received.

Shipment of this order is being made to you today, with the exception of Part 2 of the 1959 IRE NATIONAL CONVENTION RECORD, now out of print.

We have taken the liberty of crediting your \$0.70, intended to cover cost of Part 2, to your membership account extending your dues through the period ending January 1960. We trust this meets with your approval.

Enclosed, as requested, is our invoice covering renewal of your IRE membership dues and renewal of fees for Professional Group 1, 3, 4, 7, 8, 9, 15, 16, 21 and 25, as well as the cost of all available back TRANSACTIONS published by the Audio Professional Group.

By copy of the enclosed letter, we are requesting that your orders for the IRE CANADIAN CONVENTION RECORDS be investigated.

We are pleased to learn of your interest in forming an IRE Section in India, and wish to advise that plans are being made in this regard at the present time by two other IRE members residing in India. I am sure that these members will be pleased to learn of your interest and willingness to cooperate in the establishment of an IRE Section in India, and would suggest that you contact them at the addresses given below:

AIRMAIL

Mr. Morton Nadler  
Indian Statistical Institute  
203 Barrackpore Trunk Road  
Calcutta-35, India

Dear Mr. Nadler:

We have received your letter of September 15 and are pleased to forward to K. S. Bhatia, K. Negeswaran, M. N. Parthasarathy and D. Krishnaswamy a supply of membership application blanks.

We are withholding shipment of mailing lists and Section Constitutions to R. Sitaram and G. Suryan, for the reason that we do not feel they would serve a useful purpose at this time.

May we recommend that plans for the organization of an IRE Section in India proceed on a modest scale initially, with perhaps Section Headquarters established in Calcutta. Once this Section is in full effective operation, there will be time to explore the desirability of expanding the activities to include additional Sections or Subsections. It has been our experience that, rather than force the formation of a Section or Subsection, it is more advisable to wait until interest develops on a spontaneous basis by the local members themselves.

Sincerely yours,

Emily Sirjane  
Office Manager

Miss Emily Sirjane,  
Office Manager  
Institute of Radio Engineers  
1 East 79 Street, N.Y. 21

Dear Miss Sirjane:

In addition to Mr. Kamat, about whom I wrote in my last letter, provisional secretary for Bombay, I would like you to send mailing lists and copies of the section constitution to

R. Sitaram, Electronics Faculty, Madras Institute of  
Technology, Chromepet P.O., Madras India

Dr. G. Suryan, Department of Physics, Indian Institute of  
Science, Bangalore  
who are acting as provisional secretaries for their areas.  
In addition, please send membership application forms to

Flt. Lt. K.S. Bhatia, Air Force Technical College,  
Jalahalli, West Bangalore, India,

K. Nageswaran, Resa Company, B8 and 9, Industrial Estate,  
Guindy, Madras 16

M.N. Parthasarathy, Radio Engineer, Gov't of Madras,  
P.W.D. Buildings, Madras-5

D. Krishnaswamy, c/o the Standard Scientific Instruments Co.  
115 Brodies Road, Madras-28.

I hope you are also arranging for letters from the chairmen of the Egypt and Tokyo sections telling about their activities. If the letters are sent to you, could you duplicate them to all the provisional secretaries please? If they come direct to me, I of course will do that myself.

Next week I am visiting New Delhi where I hope to arrange something similar. And finally I shall turn my attention to my own area, Calcutta.

Unfortunately, although I found interest and even enthusiasm I do not hold out high hopes for the Indian section. Now that I have had the opportunity of meeting the members I find that their interests and professional levels may not lead to their gaining much from such a venture. In particular I find that many of them maintain membership for prestige reasons - the initials M.I.R.E. after their names on their stationery. On the other hand, the type that are most interested in our publications are too poor to afford membership. The salary for a research worker after 5 to 10 years is only of the order of 600 Rupees a month - about \$120! I understand that the Madras

members of the Institution of Electrical Engineers have given up their common meetings years ago as they couldn't bring them together even once a year. However the people who have agreed to serve as provisional secretaries are interested and devoted and perhaps something can be done.

I don't know what forms it may take, but if the IRE could be of assistance to India through the section that might have an excellent effect. I'll be able to tell you more on this after my visit to New Delhi where I'm meeting the President of the ITE - Institution of Telecommunication Engineers (India).

Yours sincerely,

Morton Nadler

September 10, 1959

AIRMAIL

Professor Paul O. Langguth  
UNESCO Technical Assistance Mission  
Indian Institute of Technology  
Bombay 18, India

Dear Paul:

What a real pleasure it was to hear from you again, Paul, and to learn of your interest in the formation of an IRE Section in India.

You will find attached a brief report on recent developments on the proposed IRE Indian Section. I would certainly appreciate your advice and comments on this subject.

Enclosed is a listing of all current higher grade members in India, as well as details on the requirements to form an IRE Section. Perhaps you are in a better position than we are to select and to contact prominent members in India who could effectively promote the formation of the Section. The only name that comes to my mind is that of Shankar R. Kantebet, elected to IRE Fellowship in 1949, who served as IRE Vice President in 1953. Also, it may interest you to know that back in 1953 we received an inquiry concerning the formation of an IRE Section in Calcutta from:

S. D. Chatterji  
Hemendranath N. Raha  
Mohi Mohon Mukerji

Nothing, however, materialized at that time.

IRE is going great guns, with a current membership of about 75,000 members. Of the 103 Sections, 8 are already established outside of the United States and Canada. Our last National Convention and Radio Engineering Show drew an attendance of over 66,000. We had a terrific panel symposium attended by more than 2,000. The subject was

page two (cont'd)

"Future Developments in Space" which, of course, is on the minds of many scientists these days.

AFCEA went through a poor year, due to the tactless administration of Captain Goulett, who had been highly recommended by Fritz Furth, AFCEA President and, as you know, Director of Research for ITT. The Directors got rid of Captain Goulett and elected Colonel Baird as General Manager. For the past three years Colonel Baird has been doing a tremendous job with SIGNAL magazine. He has now completely reorganized the Headquarters office and the finances are back in the black.

Wally Watts and Joe Heinrich, as you say, surely deserve the BG's. They are still very active in the administration of AFCEA.

We really miss you, Paul, but we realize what a tremendously important part you are playing at the UNESCO TAM.

Please give my best to your nice wife. I remember so well the party at your house when Colonel Jimmy Green and I met again after the first years of the war.

I shall tell Wally and Joe about your letter and your continued interest in IRE and AFCEA. I know that they will join me in sending you best wishes.

Sincerely yours,

George W. Bailey  
Executive Secretary

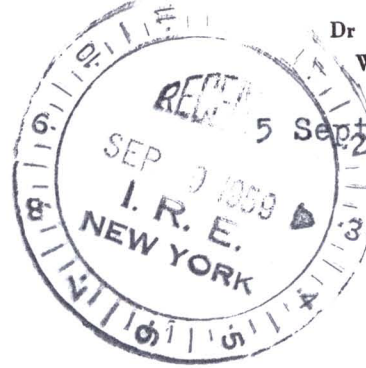

## UNESCO TECHNICAL ASSISTANCE MISSION

INDIAN INSTITUTE OF TECHNOLOGY, BOMBAY

Your Ref. ....

PERSONAL

Our Ref. ....

Dr Annie Besant Road,  
Worli, Bombay 18.

Mr. George W. Bailey  
Executive Secretary  
The Institute of Radio Engineers  
1 East 79th Street  
NEW YORK 21, N.Y., U.S.A.

Dear George :

It is quite a long time since I have last corresponded with you, George, however an occurrence of the past several days has prompted me to drop a letter to an old friend of AFCEA days, for some enlightenment.

Several days ago I received a note from a Mr. Morton Nadler who is with the Indian Statistical Institute, Calcutta, to the effect that he would visit Bombay, with a view to establishing an IRE Section. I was very happy to meet him yesterday as he is my first personal contact with IRE since arriving in India in Feb. 1958.

I am rather intrigued with the sudden idea of the possibility of forming an India IRE Section and also quite surprised to learn of so many Indian members. In the absence of Conventions, Conferences, Meetings etc. as well as the absence of Industry except the assembly of foreign made parts, I would be quite interested to know what sort of a "rallying point", we would have. Now, Mr. Nadler is fresh out of a ten year stretch in Czechoslovakia and it just occurs to me that it might be very helpful if you should approach some prominent Indians, who are in a dominant position, to more effectively promote such an IRE Section in India, in case it is your desire, to actively promote such activities. I would be happy to assist your effort in this respect if required. The usual method of working here on the part of U.N. and also ICA (USA) people is to advise and to assist the Indians to carry out the many projects, with the Indians holding the executive position. This may be the slower approach as I find in my own work, however it is the most acceptable method.

I should be interested in hearing from you, to learn all about the big strides in IRE and AFCEA. I see that two of our good friends have become Generals, namely, Watts and Heinrich. It is good to see that the deserving are being recognised.

With best wishes,

Sincerely yours

  
( Paul O. Langguth )

9/10/59

**Subject:** Report on Proposed IRE Indian Section

- 6/19/59- Mr. Norton Nadler in Calcutta, India, expressed interest in the formation of an IRE Section in India, centralized either in Delhi, Bombay or Calcutta.
- 6/24/59- IRE provided Mr. Nadler with full details on the requirements to form an IRE Section, furnishing him with the names of all higher grade members in India.
- 8/26/59- Mr. Nadler reported that the preliminary response to the question of an IRE Indian Section was very encouraging. He noted that Professor Sreenivasan of Bangalore advised him that "there are at present several thousand scientists and engineers who can come within the scope of the IRE in the different grades of membership."

Mr. Nadler suggested that such a Section venture should cooperate with (1) Institution of Telecommunication Engineers of India, with whom he had established contact and (2) many Indian members of The Institution of Electrical Engineers of England.

In view of the great size of India, he intimated it would be difficult to hold section meetings more than once a year, and he proposed to start immediately with the formation not only of an Indian Section, but Subsections located in Delhi, Bombay, Bangalore-Madras and Calcutta. He asked for our comments on this proposal.

8/31/59- We offered him the following suggestions:

- (1) Make no formal petition for the formation of Subsections at this time, since it might be difficult for these Subsections to meet the requirements for maintaining a Subsection.
- (2) When the Indian Section is established (which will include the entire country of India), arrange to hold meetings of the Section in each of the four outlying areas to accommodate those members.
- (3) Hold at least one meeting annually of the Indian IRE Section jointly with members of the Institution of Telecommunication Engineers of India.
- (4) Hold at least one meeting annually of the Indian IRE Section jointly with members of the Institution of Electrical Engineers in India.

It was suggested that the above plan would appear to (1) satisfy the IRE members in India, insofar as making it possible for them to attend at least one meeting of the Section a year, (2) would fulfill the requirements of the Indian Section to hold at least five meetings annually and (3) would demonstrate to members of other societies a desire to cooperate with them.

It was further suggested that at a later date, when the Indian Section operations are well underway, and interest is so evidenced in other local areas, Subsection could be formally established.

**Subject: Report on Proposed IRE Indian Section**

6/19/59- Mr. Norton Nadler in Calcutta, India, expressed interest in the formation of an IRE Section in India, centralized either in Delhi, Bombay or Calcutta.

August 31, 1959

AIRMAIL

Mr. Morton Nadler  
Indian Statistical Institute  
203 Barrackpore Trunk Rd.,  
Calcutta 35, India

Dear Mr. Nadler:

We are very pleased to learn from your letter of August 26 that the preliminary response to your inquiries concerning the formation of an Indian IRE Section is very encouraging.

We are forwarding separately, as requested, two additional sets of labels addressed to the current IRE members in India.

Your proposed organizational structure for an Indian Section is very interesting. As you know, in order to remain in good standing, each IRE Section is obliged to hold at least five meetings a year, and each Subsection must hold three meetings a year. You indicate that it would be difficult for the Indian Section, as a whole, to hold more than one meeting annually.

We offer the following suggestions:

1. Make no formal petition for the formations of Subsections at this time, since it might be difficult for these Subsections to meet the requirements for maintaining a Subsection.
2. When the Indian Section is established (which will include the entire country of India), arrange to hold meetings of the Section in each of the four outlying areas to accommodate those members.
3. Hold at least one meeting annually of the Indian IRE Section jointly with members of the Institution of Telecommunication Engineers of India.

August 26, 1959

1959

The Institute of Radio Engineers  
1 East 79 Street,  
New York 21, N.Y.,  
USA

Miss Emily Sirjane, Office Manager

Dear Miss Sirjane:

Thank you for the sample constitution and mailing list.  
Now that monsoon is drawing to a close I am going to make a  
lecture tour of the main centers of Indian electronics, at  
which I shall also raise the question of the Indian IRE sec-  
tion. The preliminary response is very encouraging. Prof.  
Sreenivasan of Bangalore writes that "there are at present  
several thousand scientists and engineers who can come with-  
in the scope of the IRE in the different grades of membership.

He also suggests that any such venture should cooperate  
with the Institution of Telecommunication Engineers of India,  
with whom I have established contact and will see near the  
end of September. Here in India, aside from the just-named  
organisation, many are members of the Institution of Electri-  
cal Engineers of England. The fact is that many Indian engin-  
eers cannot afford membership in more than one organisation,  
particularly those in government positions (the situation in  
private industry is somewhat better). My own assistant here  
who is a member of the IEE earns only Rs 400 a month (about  
\$80!). So IRE dues for him would come to almost a week's  
salary, even without professional groups.

One proprietor of a firm asked me for help in finding  
personnel. He would pay "Rs 2000 for a foreigner (European  
or American), 800 for an Indian. And this, without regard to  
qualifications. So you see the problem we are up against if  
we want to expand IRE membership here. However, there are  
certainly enough to ~~form~~ form a section. In view of the great  
size of this country, however, it will be difficult to hold  
"section" meetings more than once a year. I therefore propose  
to start immediately with sub-sections as well, to wit 1. Delhi,  
2. Bombay, 3. Bangalore-Madras, 4. Calcutta. If you look on  
the map, I believe you will appreciate this division. Then,  
aside from the All-India annual meeting, each of the remaining  
four meetings could be held jointly with a sub-section as one  
of the latter's three meetings.

I would like your views on this proposed organisational  
structure, as well as on possible cooperation with the local  
ITE and members of the IEE.

My own plans are as follows: from the 2-6 Sept. I am lecturing  
on computer design at the Tata Institute of Fundamental Research,

Bombay. On Friday 4 Sept. I am giving a public lecture under the auspices of the Institution of Engineers (India) in Bombay, on "Data-processing equipment from the designers point of view" to which I have sent out notices to all Bombay IRE members, asking them to remain after the meeting to discuss the formation of the section. The following week I am visiting Bangalore and Madras with a similar program. On 26 Sept. I am going to New Delhi for the same purpose.

I would appreciate your sending me at least two more sets of mailing labels. I am sure that the section will go ahead rapidly after my forthcoming trip.

Incidentally, sea mail takes up to two full months.

Yours sincerely,

*Morton Nadler*

*proposed*  
WE ARE PLEASED TO ACKNOWLEDGE RECEIPT OF YOUR LETTER OF NOVEMBER 13, 1953, IN WHICH YOU EXPRESSED INTEREST IN THE FORMATION OF AN IRE SECTION IN INDIA.

YOU WILL FIND ENCLOSED FULL DETAILS ON THE REQUIREMENTS TO FORM AN IRE SECTION. SINCE THERE IS NO IRE SECTION IN INDIA AT THE PRESENT TIME IT WILL NOT BE NECESSARY TO FULFILL THE FOURTH REQUIREMENT LISTED.

AS YOU REQUESTED, WE ENCLOSE HERewith A LIST OF IRE MEMBERS, ABOVE STUDENT GRADE, WITH MAILING ADDRESSES IN INDIA.

IF HEADQUARTERS CAN SUPPLY ANY FURTHER DETAILS OR INFORMATION, PLEASE LET US KNOW.

VERY TRULY YOURS,

EMILY SIRJANE  
OFFICE MANAGER

Calcutta 17, India.

November 13, 1953.

To  
The Secretary  
The Institute of Radio Engineers, Inc.,  
1, E. 79th. St.  
New York City, N. Y.  
U. S. A.

Dear Sir,

We have been considering for some time past the possibility of organising a chapter of the Institute here in Calcutta. We would be grateful to receive the relevant regulations and the procedure for implementing the scheme. A list of members in India would help to decide whether to organise the chapter on a township or a regional basis.

Thanking you for an early reply, we remain,

very truly yours

APRIL 3, 1953

MR. D. H. MARATHE  
THE INDIAN TECH. EDUCATION SOCIETY'S  
RADIO ELECTRIC INSTITUTE  
LAWINGTON CHAMBERS, LAWINGTON ROAD  
BOMBAY 4, INDIA

DEAR MR. MARATHE:

AS REQUESTED IN YOUR LETTER OF MARCH 28, 1953, WE ARE ENCLOSING HERE-  
WITH A STRIP LIST OF THE NAMES AND ADDRESSES OF ALL IRE MEMBERS, ABOVE  
STUDENT GRADE, RESIDING IN INDIA. *(proposed section)*

IN ORDER TO FORM A SECTION OF THE IRE IT IS NECESSARY THAT WE RECEIVE  
A PETITION SIGNED BY AT LEAST 25 MEMBERS ABOVE STUDENT GRADE, WHO HAVE  
MAILING ADDRESSES IN INDIA. WE ASSUME THAT IF A SECTION WERE FORMED  
YOU WOULD PLAN TO INCLUDE INDIA AS THE TERRITORY OF THE SECTION.

THE PETITION SHOULD BE ACCOMPANIED BY A STATEMENT TO THE EFFECT THAT  
THE PROPOSED SECTION WILL ABIDE BY THE CONSTITUTION FOR SECTIONS AP-  
PROVED BY THE IRE BOARD OF DIRECTORS. A COPY OF THIS CONSTITUTION IS  
ENCLOSED.

PLEASE LET US KNOW IF WE CAN SUPPLY ANY FURTHER INFORMATION OR BE OF  
ASSISTANCE TO YOU IN THIS MATTER.

VERY TRULY YOURS,

EMILY SIRJANE  
OFFICE MANAGER

The Secretary,  
The Institute of Radio Engineers,  
1 East 79 Street,  
NEW YORK 21, N.Y.

Membership No. SM 20797

Dear Sir,

In December last, when a few Radio Engineers in Bombay met at the Taj to felicitate Mr. S.R. Kantebet on his election as the Vice President of I.R.E., it was proposed that efforts should be made to bring together under one banner all Radio Engineers in India who are members of I.R.E.

Since I am one of the persons entrusted with the work, I request you to let me have at an early date a comprehensive list of all members, Associate Members & Associates from India who are now on the list of I.R.E. That will help us contact all these people.

We are planning to have a local section in India of the I.R.E. and I am to ask what suggestion you could offer in the matter and what facilities the local Section may expect from your side if formed.

In case a separate list is not available, at least a latest copy of I.R.E. members list may be sent.

Thanking you,

Yours faithfully,

D.H. Marathe.

P.S. As regards my membership dues, I am remitting the amount through Mr. S.K. Marathe like last year, which please acknowledge on receipt.

January 6, 1950

Mr. Pramod L. Sarma  
Box 7168, L.S.U.  
Baton Rouge, La.

Dear Mr. Sarma:

In reply to your letter of December 27, we are glad to hear that you are interested in forming a Section of the I.R.E. in India upon your return.

For your guidance, we are enclosing a copy of the I.R.E. Constitution and Bylaws; note particularly Bylaws Sections 63 through 70. We enclose also a copy of the Constitution for Sections, to which all Sections are required to conform.

As you will see, the first step in the formation of a Section is the submission to the Board of Directors of I.R.E. of a petition for the formation of a Section, signed by not fewer than twenty-five members, other than Students, with mailing addresses within the territorial limits proposed in the petition. All Sections are required to hold at least five meetings per year and maintain a minimum membership of twenty-five members, other than Students. When the petition has been prepared and is ready for submission to the Board of Directors, a letter should accompany it, stating that the Section accepts and will conform to the Constitution for Sections, and that it is the expectation of the petitioners that the meeting and minimum membership requirements will be maintained.

With reference to your last paragraph, the office informs me that your membership card and button, for which we acknowledge receipt of your check for \$3, are being sent to you.

Very truly yours,

George W. Bailey  
Executive Secretary

New York 21.

P.I. Sarma,  
Box 7168, L.S.U.,  
Baton Rouge, La.

December 27, 1949.

Dear Sir,

Many thanks for your kind letter of December 23, 1949, which informed me about my election to the Associate Grade of membership in I.R.E.

I also acknowledge the receipt of the last letter sent by the Secretary giving me suggestions for the application of my transfer to the Membership grade. By this time, I received kind letters of willingness for becoming my references for my membership from about 7 I.R.E. members; but I may postpone the despatch of the application till a later date.

In my last letter I mentioned my desire to open a Chapter of I.R.E. in India (after my return to India), so that the good services of I.R.E. may also be derived by an industrially backward country like India. One member, interested in the welfare of India informs me that at present there are sufficient number of members of I.R.E. in that country to apply for the initiation of a Chapter. I will lose no time to contact ~~with~~ the members just after my return. Hope the I.R.E. will not find any difficulty in permitting the initiation of its Chapter. There is an enormous field for development of Electronics in my country not only in Broadcasting but also in Instruments, etc.

I am remitting herewith a sum of \$3.00 for a Membership Button. Please oblige me by sending me at your earliest convenience the MEMBERSHIP CARD and the BUTTON.

Thanking you,

I am,  
Yours very truly,

*P. I. Sarma.*

Enclosed —

A cheque of three dollars only. — Received

February 10, 1948

Mr. Virgil M. Graham  
Sylvania Electric Products, Inc.  
40-22 Lawrence Street  
Flushing, L.I., N.Y.

Dear Mr. Graham;

I have for acknowledgment your letter of February 5 to Mr. G. W. Bailey, regarding the status of the proposed Section in India.

About three weeks ago, a member from India dropped into IRE Headquarters and seemed keenly interested in forming a Section in India, with its center in Bombay. I gathered from him that the idea of forming a Section has been entertained by Indian members of the IRE for some time. Our records show that there are 100 IRE members in India with about 25 of them living in Bombay - a sufficient number to form a Section. The visitor was supplied with the names and addresses of all members in India, a Section Manual, and a supply of application blanks and reference forms. I expect it will take several months for him to return to India and to organize a Section.

You may be interested in reports received from other areas regarding proposed Sections. There are very strong signs that a Section will be formed in Anchorage, Alaska, in the near future. Correspondence has been going on between Alaska and Headquarters for over half a year. An IRE member from Alaska stopped in at Headquarters about Christmas time, and talked over the situation with me. An IRE member in the Panama Canal Zone wrote in requesting information on forming a Section there last Fall. However, no further word has been received from him. I would expect that it would be somewhat difficult to maintain a Section in the Panama Canal Zone due to the fact that many of the personnel in that area are probably there on a temporary basis. I have also spoken with a member from Chile who indicated that there was some thought of breaking off from the Buenos Aires Section and forming a separate Section in Chile. I gave him what information I could and referred him to the Buenos Aires Section for further information and help. Nothing further has been heard on this matter. There has been quite a bit of correspondence between Headquarters and Mexico regarding forming a Section. Although this situation has not crystallized, I feel sure that we shall have a Section in Mexico in the not too distant future.

As regards activities in the United States, there seems to be very considerable activity in the South. A petition has been received for the formation of a Section at San Antonio, Texas, which will go before the March 2nd meeting of the Executive Committee. In addition, petitions are expected in the near future

Mr. Virgil M. Graham

-2-

February 10, 1948

from Amarillo, Texas, and Albuquerque, New Mexico. There has also been some thought of organizing a Section in Gainesville, Florida. However, this activity does not seem to be progressing very vigorously.

In answer to your question, no petition has been received from Sweden.

I have gone into considerable detail to bring you up to date, and in case you wish to include some of this information in the report of the Sections Coordinator.

Very truly yours,

E. K. Gannett  
Assistant Secretary

Dear George:

At the Executive Committee meeting you mentioned that a Section in India was in an advanced stage of formation. I would greatly appreciate further information as to the status so that I may include it in the report of the Sections Coordinator for the next meeting.

Along the same lines, has a petition for a Section been received from Sweden?

Very truly yours

Sections Coordinator  
I.R.E. Executive Section

VMG:HB

May 10, 1946.

Mr. N. Balasundaram,  
29, Mahila College Road,  
Lahore, India.

Dear Mr. Balasundaram :

Thank you for your very courteous letter of April 1. We are happy to comply with your request regarding the names and addresses of active members residing in India, which information will be forwarded to you, today, under separate cover.

Your letter seems to indicate that you are interested in forming a new Institute Section in India, and for this purpose we are also forwarding to you, under separate cover, a copy of our Section Manual.

The first step is the determination of the boundary. After the boundary has been decided, the next step is to write out a petition stating the boundaries for the Section. This petition must be signed by not fewer than 25 members as specified in Section 38 of the Constitution. Your petition, if found to be in good order, will then be presented to the next meeting of the Executive Committee, which would probably recommend the formation of a new Section to the Board of Directors who would act upon it at their meeting the next day.

The next step would be the careful consideration of the Section Manual and the election of officers in accordance with the Manual. You might note at this time that the Chairman of the new Section must be of Member grade or higher. An Associate is not eligible to be Chairman.

When the new Section has been authorized by the Board of Directors and your officers elected in accordance with the Section Constitution, you are then eligible for a rebate of \$0.75 per member per year for every member in your Section up to 700 and \$0.90 per year for all members over 700. In addition, the Section is entitled to a rebate of \$10.00 per meeting per year up to a maximum of ten meetings per year.

If we can be of any further assistance to you, please do not hesitate to call upon us.

Very truly yours,

George W. Bailey  
Executive Secretary

The Secretary,  
The Institute of Radio Engineers,  
330 West 42nd Street,  
New York 18. N.Y.

Dear Sir,

Thank you very much for your letter dated 7th February 1946. I am extremely pleased to know that I have been elected to the grade of SENIOR MEMBER.

By every means in my power I shall always strive to support all the activities and affairs of the Institute. In this connection I shall be pleased to hear from you regarding the number of the Institute members residing in India, their names and addresses of the active members. If I can contact these members I hope we will be in a position to organise frequent meetings etc. and thereby advance the art of Radio engineering. Also I shall be obliged if you can give me some hints how best I can promote the activities of the Institute here in India.

Sincerely Yours,

*N. Balasundaram.*

203 Barrackpore Trunk Road  
Calcutta 35, India

Dear Mr. Nadler:

We are pleased to acknowledge receipt of your letter of November 2 and petition for the establishment of an IRE Section to encompass the entire country of India, and to be known as the "India" Section.

The petition appears to be in order and will be presented to the IRE Executive Committee for approval at their next meeting scheduled for November 16, 1959. You will be notified shortly thereafter of the action taken.

Very truly yours,

Emily Sirjane  
Office Manager

Miss Emily Sirjane  
Institute of Radio Engineers  
1 East 79 St.  
New York 21, N.Y.,  
USA

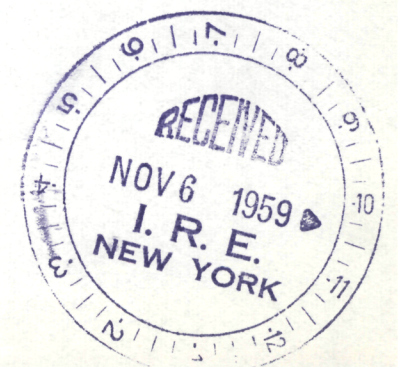

Dear Miss Sirjane:

Enclosed is a petition form with 10 signatures from Bombay. I hope it reaches you in time for Executive Committee Action this month.

I have a petition with five Calcutta signatures, but unfortunately one gentleman who was to sign it has kept it too long and I am unable to send it now. Since ten signatures are required, however, I trust the Bombay petition will do. In any case, I am relying on Mr. Sitaram to send in some further signatures as well.

Yours truly,

*Morton Nadler*

Mr. Ravi L. Kirloskar

Dear Mr. Kirloskar:

We are pleased to report that the Regional Activities Board, at the meeting on May 13, 1976, approved the reorganization of the India Section as follows:

1. Dissolution of the India Section and its Karnataka and New Delhi Subsections.
2. Establishment of the Bangalore Section with territory to encompass:

States, India:	Karnataka	Tamil Nadu
	Kerala	Union Territory of Pondicherry

The Kerala and Tamil Nadu Subsections, with no change in territory, are assigned to this Section.

3. Establishment of the Bombay Section with territory to encompass:

States, India:	Andhra Pradesh	Maharashtra
	Gujarat	Rajasthan
	Madhya Pradesh	

4. Establishment of the Delhi Section with territory to encompass:

States, India:	Arunachal Pradesh	Meghalaya
	Assam	Mizoram
	Bihar	Nagaland
	Delhi and Union	Orissa
	territory of Delhi	Punjab
	Haryana	Sikkim
	Himachal Pradesh	Tripura
	Jammu & Kashmir	Uttar Pradesh
	Manipur	West Bengal

The Eastern Zone and Uttar Pradesh Subsections, with no change in territory, are assigned to this Section.

5. Establishment of the ALL-INDIA COUNCIL to be composed of the Bangalore, Bombay and Delhi Sections.

All Chapters established by the former India Section now become All-India Council Chapters to be managed by the Council and to include in the three Sections all members of:

NPS-5/IECI-13  
ED-15/MTT-17  
PE-31

As soon as possible after elections have been held, we will appreciate being advised of the Executive Committee members of the new units. Enclosed are reporting forms for this purpose.

The IEEE Bylaws provide that each new Section, within six months of establishment, shall prepare and adopt Section bylaws. A copy of these Bylaws is to be sent to the Regional Director for his approval, with copy forwarded to IEEE Headquarters for our records. Three copies of a sample Bylaw are enclosed which may be used as a guide in preparing the Section Bylaws.

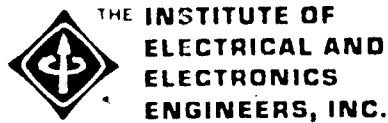

Our best wishes for the successful operation of the three new Sections. If we can assist in any way in planning the Section activities, please let us know.

Sincerely,

Robert K. Asdal  
Manager, Field Services

RECEIVED

MAR 22 1976

OFFICE OF THE REGIONAL DIRECTOR

March 22, 1976

Dr. Hiroshi Shinkawa  
Fujitsu Limited  
6-1 Marunouchi 2-Chome  
Tokyo 100 JAPAN  
Tel: (03) 216-3211

Mr. Robert K. Asdal  
Manager, Field Services  
IEEE  
345 East 47th Street  
New York, N. Y. 10017  
U. S. A.

Dear Mr. Asdal:

As you may already be aware by my cablegram of March 18, I am pleased to approve the petition from the India Section Executive Committee concerning the establishment of Sections in Bangalore, Bombay and Delhi and the dissolution of the India Section.

As for the establishment of the ALL INDIA COUNCIL, I understood the Bylaw requires a Recommendation of the Regional Committee, and I discussed the matter with President Dillard when he visited Tokyo recently. And now I have in mind that it is desirable to discuss the matter in our next Regional Committee meeting, which I am planning to hold it in Sydney in early September, rather than to hear the comments of the Committee members by correspondence. I expect the RAB can formally approve the establishment in its September meeting.

By the way, although the detailed schedule of the next Regional Committee meeting will be arranged by Dr. Nakagawa, Region 10 Secretary/Treasurer, in consultation with Australia Section, I shall be very happy if Dr. Saunders or, in case of his inconvenience, someone from the Headquarters could participate in our meeting in Sydney. I hope you may kindly consider this point.

Sincerely yours,

Hiroshi Shinkawa  
Director, Region 10

# India Council

March 16, 1976

Mr. T. V. Balan

Dear Mr. Balan:

We wish to acknowledge receipt of your letter of March 3, 1976 and the three petitions requesting approval to establish the BANGALORE, BOMBAY and DELHI Sections in India.

All of the petitions are in order, however, in checking the territory outlined for each, we found the following discrepancies:

- a) The Bangalore Section territory does not include the Union Territory of Pondicherry which was a part of the Tamil Nadu Subsection.
- b) The Delhi Section territory does not include the State of Orissa which was a part of the Eastern Zone Subsection.

Can you advise us if it is in order to include these areas in the appropriate Section territory?

As soon as we have your reply, and the approval of the Director of Region 10, Dr. H. Shinkawa, we will take action to obtain the formal approval of the Regional Activities Board for the:

1. Dissolution of the India Section and its six Subsections (Eastern Zone, Karnataka, Kerala, New Delhi, Tamil Nadu and Uttar Pradesh).
2. Approval of the petitions to establish the BANGALORE, BOMBAY and DELHI Sections.
3. Approval of the request to establish the ALL INDIA COUNCIL composed of the Bangalore, Bombay and Delhi Sections.

We await your response regarding the Section territories.

Sincerely,

Robert K. Asdal  
Manager, Field Services

Dear Mr. Asdal

March 3, 1976

" Formation of Area Council of India and Sections  
at Bangalore, Bombay and Delhi "

I am pleased to inform you that at the Annual General Meeting of the India Section held on 19th February 1976 under the Chairmanship of Mr. R.L.Kirloskar it was unanimously decided that the Area Council of India be formed with Mr.F.C.Kohli as the pro-tem Chairman and Sections be formed at Bangalore, Bombay and Delhi.

I am sending herewith xerox copies of the petitions for the formation of the three Sections signed by more than 50 members for each and would request you to seek the approval of Regional Activities Board for establishment of these Sections.

In anticipation of the approval, Mr. F.C.Kohli will be appointing Nomination Committees for providing slate of members for the Section Executive Committees of these three Sections.

I am endorsing a copy of this letter to Dr. H.Shinkawa, Director Region 10 with a copy each of the petitions and with a request to intimate to you by telex his approval.

We are anxious that these three Sections should be formed in course of next 4/5 weeks and the Sections are fully established with office-bearers latest by 1st May 1976, so that these Sections could be represented at the Region 10 meeting proposed in August 1976.

The India Section and the Subsections at Delhi and Karnataka will be dissolved as soon as these 3 Sections are formed.

With kind regards,

Dear Mr. Kohli:

I am pleased to inform you that our Subsection had its Annual General Meeting on December 27, 1973 and have elected the office bearers for the year 1974. The office bearers are the same as last year except that Dr. R.P. Shenoy, Director, L.R.D.E. has been co-opted as one more member of the executive committee.

I would also like to inform you that the General Body has passed the resolution reading as under:

" Since the Mysore State has been renamed as Karnataka from November 1, 1973, our Subsection may be hereafter known as IEEE Karnataka Subsection instead of IEEE Mysore State Subsection "

Hence I request you to inform this to headquarters that hereafter our subsection should be known as IEEE Karnataka Subsection instead of IEEE Mysore State Subsection known hitherto.

I am herewith enclosing a copy of the letter addressed to headquarters regarding the change in the name of our Subsection.

I am also enclosing a copy of the Annual Report submitted at the Annual General Meeting by the secretary, for your information.

With regards,

Yours sincerely,

INDIA SECTION - MYSORE STATE SUBSECTION

Annual Report of the Subsection

Dear Member:

I have great pleasure in submitting the Annual report of the IEEE - Mysore State subsection activities for the year 1973. At the last Annual General Meeting held on 6th February 1973, the following were elected as office bearers for the subsection for the year 1973.

Sri. Ravi L. Kirloskar	- Chairman
Sri. H.V. Gopalakrishna	- Vice Chairman
Sri. P.M. Hiriyannaiah	- Secretary cum Treasurer
Dr. I.G. Sharma	- Member
Dr. P. Paramashivaiah	- Member
Dr. B.I. Gururaj	- Member
Mr. K. Nagabhushanam	- Member

The subsection executive committee had <sup>11</sup> managing committee meetings. Chairman Sri. Ravi L. Kirloskar was present for most of the meetings. The attendance for the meetings was good.

ACTIVITIES:

Activities of our subsection was conducted during the year 1973, in association with the Institution of Engineers (India) for most of our lectures. I am pleased to inform you that our activities for the year was extremely encouraging and the response from members and non members was quite good. This has been appreciated well by India Section also.

During the course of the year, the following lecture meetings, panel discussion and refresher course were conducted. They are; 14 lecture meetings, 1 panel discussion and 1 refresher course. The details of the above are as given below:

<u>Sl.No.</u>	<u>Date of programme</u>	<u>Topic</u>	<u>Speaker</u>
1.	12 1 1973	Fluid Power Control System	Dr. Peter Dransfield
2.	12 2 1973	Background to Bucharest	Dr. H.V. Gopalakrishna
3.	19 3 1973	Electric Arcs in High Vacuum and their application	Prof. P S N Rau
4.	18 4 1973	Development of Television in India - A State of the art	Mr. T R Doreswamy
5.	23 4 1973	Panel discussion 'Power crisis in Mysore State - Problems and Solution'	Mr. K. Mathur (Presiding officer)
6.	18 5 1973	Techniques for Marketing Electrical Equipments	Kumar Mahadevan
7.	18 6 1973	Some recent developments in Electric Arc Welding	Mr. N.S. Subbanna
8.	5 7 1973	New methods for life testing insulating materials	Dr. K.M. Kamet
9.	11 7 1973	Developments of MRC fuses in India	Mr. K.D. Howton
10.	6 8 1973	One week refresher course on Power Electronics	Dr. V. Joseph
11.	23 8 1973	Control computers and Industrial Automation	Prof. I.G. Sharma
12.	13 9 1973	Design Aspects of Electronic circuits and Numerical Control systems for Machine Tools	Mr. S. Jayanth Kumar
13.	27 9 1973	Bottleneck in delivering nuclear power for the growth of India	Prof. C.K. Sanathanam
14.	11 10 1973	Salient features of short circuit listing station	Mr. S. Ananthakrishnan
15.	29 11 1973	Training for Operation & Management of Electric Power Systems	Mr. V.P. Varasimhan
16.	10 12 1973	An introduction to Crossbar Techniques - the modern common control telephone equipment	Mr. K. Thomas kora

MEMBERSHIP:

We were in contact with the Headquarters, New York, to give us the latest position of the membership of the subsection and we have now received the details of the same. At present we are having 59 members in our subsection. During the year, one member resigned and one member passed away. I am sorry to inform you the sad demise of Dr. Prasad who was an old member of our subsection.

During the year we have taken a number of steps to improve the membership of the subsection and we have sent many applications to the members on request for new membership. We have also reminded some of the members who have not paid their dues, probably due to their pre-occupations. We request all members to renew their membership and take part in the activities of the subsection.

We are organising a student chapter at the Indian Institute of Science under the stewardship of Prof. D.C. Sharma. We have announced during the year, the scheme for the students which provides for subsidised subscription for the student members who would enroll before 31st December 1973. The response is not very encouraging and we have received about 10 applications in this regard. The India Section is also encouraging the student chapter and promised to give all help in this regard.

FINANCE:

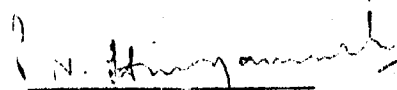

The Income and Expenditure statement of the subsection is given separate. As on today we have a balance amount of Rs. 1,038-00. We are still to get our subsection rebate for the year 1973 for all our activities.

I am pleased to inform you that our chairman, Sri. Ravi L. Kirloskar has been nominated to the Membership and Transfer Committee of the IETE Headquarters, New York. I am also pleased to announce that Sri. P.C. Kohli, Chairman of India Section has been nominated as the Director for Region 10. Sri. V.P. Kodali has been nominated as the Secretary for Region 10 and also the member of Publication Department of IETE Headquarters.

I am also pleased to announce that our Chairman, Sri. Ravi L. Kirloskar and secretary, Mr. P.N. Miriyannaiah have been put into steering committee for the Annual convention and exhibition of IETE India Section to be held in January-February 1974. IETE India section has viewed our subsection as one of the main active subsection and look forward for much help from our subsection. We have done our best for the IETE Annual convention and exhibition in the form of enrolling members to take part in the exhibition and present papers in the convention.

I would like to take this opportunity to extend my sincere thanks to our Chairman, Sri. Ravi L. Kirloskar, without whose encouragement and guidance the subsection could not have achieved the objectives. I would also thank all the members of the executive committee who have given me their full cooperation in the activities.

Mr. F. C. Kohli

Dear Mr. Kohli:

The Secretary of the Bangalore Subsection of the India Section Mr. P. N. Hiriyannaiah, has advised us that the Subsection wishes to be known as the "Mysore State" Subsection.

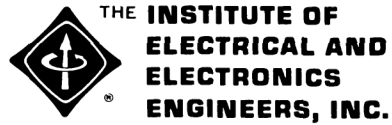

We will appreciate your advice if the India Section Executive Committee approved this change in name of the Bangalore Subsection and if it is in order for us to so report to the IEEE Executive Committee and Regional Activities Board.

Sincerely,

Emily Sirjane, Manager  
Member Services

The Institute of Electrical and

Dear Sirs,

Attention Miss Emily Sirjane, Manager,  
Member Services

-----

Thank you very much for your letter of February 15, 1973.

IEEE stationeries mailed from your end was received by me  
and hereby acknowledge receipt of the same.

In reply to your enquiry in the last paragraph of your  
letter, I am glad to inform you that our Subsection is to be referred  
as MYSORE STATE SUBSECTION which is situated in Bangalore.

Thanking you once again,

Yours faithfully,

( P.N. HIRIYANNAIAH )  
SECRETARY

Bangalore SS

December 15, 1971

AIR MAIL

Mr. H. B. Shah

Dear Mr. Shah:

We are pleased to advise that on December 14, 1971, all concerned approved the petition to establish the BANGALORE SUBSECTION of the India Section. The territory of the new Subsection will encompass all of the State of Mysore in India.

As soon as an election has been held, and the names of the officers are known, we will appreciate being advised for our records. If we can assist in any way in planning the activities of the new Subsection, please let us know.

Our Best Wishes for the successful operation of the new Subsection.

Sincerely,

Emily Sirjane, Manager  
Membership Services

July 27, 1971

AIRMAIL

Mr. Tatsuji Nomura

Dear Mr. Nomura:

We have received from the India Section Executive Committee:

1. A petition requesting approval to establish a Subsection, to be known as the Bangalore Subsection, to compass the State of Mysore. The petition has been checked and found to contain the signatures of twenty members, above Student grade, with mailing addresses within that territory.
2. The India Section Executive Committee has approved the request of the Tamil Nadu Subsection to expand its territory to include the Union Territory of Pondicherry.

We would appreciate your early advice as to whether you approve the above actions. When your comments have been received, we will submit these two proposals to the Regional Activities Board for formal approval.

Sincerely,

Emily Sirjane, Manager  
Member Services

ES:ta

July 27, 1971

AIRMAIL

Mr. H. B. Shah

Dear Mr. Shah:

We are pleased to acknowledge receipt of your letter of July 14.

1. We have checked the petition for the formation of the Bangalore Subsection and find that it contains the signatures of 20 members above Student grade with mailing addresses in the State of Mysore. (two of the petitioners had not yet paid their 1971 membership dues). We are submitting this petition to the Regional Director and the Regional Activities Board for formal approval.
2. We are also seeking approval by the Regional Director and the Regional Activities Board on the petition to expand the territory of the Tamil Nadu Subsection to include the Union Territory of Pondicherry.

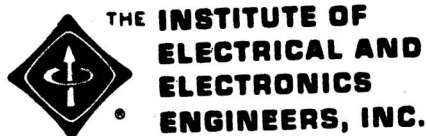

We will advise you as soon as the necessary approvals on the above two items have been obtained.

If you will kindly give us the specific dates in December 1971 when you are scheduling the Symposium on "System Controls and Applications", we will be glad to include it in our meeting announcement calendar.

Sincerely,

Emily Sirjane, Manager  
Member Services

Our Ref: IEEE-9-TN/Mysore.

14th July, 1971.

Re: (1) Mysore Sub-Section  
(2) Tamil Nadu Sub-Section  
(3) Seminar

Dear Miss Sirjane,

1. I am pleased to enclose a petition duly signed by 22 members having mailing address within the territory of state Mysore. Kindly, process the application at an early date.

2. A petition has been received to include the territory of Pondichary in the territory of Tamil Nadu. This acceptable to the India Section. We now request your approval to extend the territory of Tamil Nadu as requested.

3. We shall appreciate, if you will please, arrange for publication of the following news in the forth coming events.

Symposium on "System Controls And Applications" by Department of Electrical Engineering, University of Roorkee (U.P.) jointly with IE, IEEE during the month of December, 1971.

Thanking you,

Yours sincerely,

MADRAS - 2

May 17 1971

The Secretary  
Institute of Electrical and Electronics Engineers Inc.  
India Section  
c/o Mr. F.C. Kohli  
Tata Electric Companies  
Bombay House  
24 Bruce Street  
CHENNAI-1

Dear Sir:

As you are aware, our Sub-Section has just started functioning.

We would request you to kindly affiliate the Members resident in the Union Territory of Pondicherry to the Tamil Nadu Sub-Section. As you are aware, Pondicherry is only about 155 miles from Madras and the Sub-Section in Madras can effectively serve the IEEE Members resident in this area. Kindly approach the IEEE Head Quarters and get their approval for the same.

In this connection, the Sub-Section Executive Committee, at its First Meeting held on 29th March 1971, passed the following Resolution:

"Resolved that the India Section be approached to affiliate the Members resident in the Union Territory of Pondicherry to the Tamil Nadu Sub-Section".

Thanking you,

Yours faithfully

*V. Srinivasan*  
(V. SRINIVASAN)  
CHAIRMAN

*Approved by  
India Section Executive Committee  
H. B. S. H. A. H.  
(H. B. S. H. A. H.  
Hon. Secretary)*

Date: 1st March 1971

We, the undersigned, active members of The Institute of Electrical and Electronics Engineers, Inc., hereby petition for approval to form an IEEE Subsection of the India Section IEEE Section, to be known as the Bangalore IEEE Subsection.

The proposed territorial limits of this Subsection are defined, as follows:

Mysore State

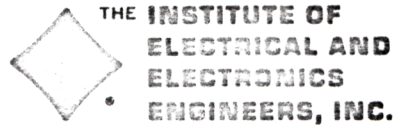

If approved, we agree to abide by the IEEE Constitution for Sections.

## IEEE BANGALORE SECTION, India

### Sub: Request to form a Separate Chapter for the IEEE Computer Society

The combined chapter CCEM (Computer, Communications & Engineering Management) Chapter # C016/COM019/TM014 has been operational under the IEEE Bangalore Section. Recently, in January 08, following a petition, COM019 chapter has come out as a separate chapter and this has received due approval.

Computer Society members of Bangalore Section desire to form a separate chapter C016 from the existing C016/TM014 combined chapter. Prof. S. Sadagopan, IEEE Member and Director of IIIT, Bangalore has agreed to be the Chairman of the new bifurcated Computer Society Chapter. His details and consent are given below:

Name: Prof. S. SADAGOPAN    Member #: 2177 8746  
Address: Director, International Institute of Information Technology (IIIT)  
26/C Electronics City, Hosur Road,  
Bangalore 560 100, India.  
Phone: +91 80 4140 7777, 2852 7627    Fax: +91 80 2852 7636  
Email: [s.sadagopan@iiitb.ac.in](mailto:s.sadagopan@iiitb.ac.in)

His declaration follows:

#### Declaration

I accept Chairmanship of the separate Computer Society Chapter C016 and responsibilities thereof.

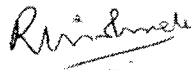

Date: April 16, 2008

  
S Sadagopan

#### Endorsement

The Executive Committee of the IEEE Bangalore Section is fully in support of the separate C016 chapter formation as described above, with Prof. Sadagopan as the Chairman of the chapter. The Section Chairman's signature is affixed below in endorsement and the request to form the chapter is submitted herewith.

IEEE Bangalore Section Chairman's Signature:

Chairman's Name: K. Ramakrishna, Senior Member, Member #: 01706076

Date: Apr 29<sup>th</sup>, 2008

Subject Re: Approval Request to Change Bangalore Section Joint  
Chapter C016/COM019/TM014 to Bangalore Section Chapter  
COM019/

Dear All,

I can't approve this change of Chapter with the information that was provided.

I would like to know if the members of C016 and TM014 have been heard and agree with this process. Are they aware they will be losing a Chapter ? Are they aware of the implications of such action ?

I understand and support the efforts to revitalize the Technical Societies within Bangalore Section. But IMO, the process can be done in a different way. A way that is of the interest of the Bangalore members that belong to all concerned Societies.

I suggest that Section ExCom and current COM019, TM014, C016 ExCom work into a solution that best defend the interests of all members. I recommend that a new COM019 Chapter be created and the current Chapter be maintained with C016 and TM014 Societies members.

Regards,

Antonio Doria  
Chapter Activities VP  
IEEE Computer Society

Dear Mr. Krishna:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Pedro Ray, and IEEE Technical Activities Vice President, Peter Staecker, it is a pleasure to inform you that the requirements of the RAB Operations Manual have been met, and IEEE Bangalore Section – Power Engineering Society Chapter has been formed. The effective date of this Chapter formation is 10 February 2007.

You have been recorded as Chapter Chair. When an election has been held, please report the name and member number of the new Chapter Chair to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>. Valuable information regarding IEEE Society Chapters can be found at [www.ieee.org/chapters](http://www.ieee.org/chapters). If we can assist you in any way in the planning of the Chapter activities, please let us know.

We extend our best wishes for the successful operation of this Chapter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Cecelia Jankowski'.

Office Held: Chairman Bangalore - Section Date: 13/07/04

**To Whom It May Concern:**

I hereby agree for the formation of the Bangalore Chapter of the IEEE Circuits and Systems Society. I look forward to actively taking part in its activities.

Name : Dr P.V. Ananda Mohan

IEEE Membership Number: SM 4961975

Signature: P.V. Ananda Mohan

Date: 21 June, 2004

Please send the signed form by regular mail or FAX to Dr C.P. Ravikumar, Texas Instruments India, Wind Tunnel Road, Bangalore, 560017, India, FAX number – 2504 8111.

To:

P ANANDA MOHAN

Date: June 12, 2004

Dear P ANANDA MOHAN,

Greetings! Bangalore is a hub of Electronics and IT activity. A coordinated effort is being planned to start a Bangalore chapter of the IEEE Circuits and Systems Society. Its charter will be to organize activities such as seminars, workshops, and tutorials in the areas related to circuits and systems. Since you are an active member of IEEE, I seek your cooperation in forming this chapter. Please fill in the information at the back of this letter, sign it, and send it to me by regular mail or FAX, so that we can persuade the president of the IEEE Circuits and Systems Society to give us the permission to start the chapter. You may Xerox the back side of this letter to collect additional signatures from your colleagues who are members of IEEE (Bangalore Section).

Regards,

Dr. C.P. Ravikumar

Vellenki U. Reddy

Dear Dr. Reddy:

Congratulations! On behalf of the IEEE Executive Director, Dan Senese, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the Signal Processing Society Chapter of the Bangalore Section has been formed. The effective date of this Chapter formation is 29 November, 2000.

At this time we are recording you as the Interim Chapter Chair. When an election has been held, please use the enclosed Officer Confirmation form to report the officers to IEEE. If we can assist you in any way in the planning of the Chapter activities please let us know.

We extend our best wishes for the successful operation of this Chapter.

Sincerely,

  
Cecelia Jankowski  
Managing Director  
Regional Activities

Indian Institute of Science  
Bangalore 560 012

Fax : 3600444  
Ph : 3092366  
Email : kasi@ee.iisc.ernet.in

To  
The Regional Activity Board

Sub : Reforming of Computer Society Chapter and Change in the Status of the Chapter.

The IEEE Bangalore Section Executive Committee in its meeting held on 25<sup>th</sup> April 2000 approved reforming of the Computer Society Chapter. Mr. Sundara Nagarajan who is organizing the Chapter also proposed a change in the status of this Chapter to include Communications Society and Engineering Management Society in the chapter. In view of the considerable overlap and interaction in the IT Industry and Academic circles in computer and communications area and challenging management issues in IT and engineering industry, it was felt that a joint chapter will serve the needs of members in these societies better. Hence the change in the status of the Computer Society to include Communications and Engineering Management was approved.

We propose to name this Chapter as CCEM Chapter. Mr. Sundara Nagarajan will be organizing this Chapter and will be its Chairman.

Mr. Sundara Nagarajan  
Chairman  
3373/M, 13A Main, 8<sup>th</sup> Cross  
HAL 2<sup>nd</sup> Stage  
Bangalore 560 008, India

I submit to the RAB the petition signed by 15 members and counter signed by me as Chairman of the Section for approval. Kindly convey your approval at the earliest.

With regards

Yours sincerely

  
(K Rajgopal)

Gopalasamy Athithan

Dear Dr. Athithan:

Congratulations! On behalf of the IEEE Regional Activities Vice President, Pedro Ray, and IEEE Technical Activities Vice President, Peter Staecker, it is a pleasure to inform you that the requirements of the RAB Operations Manual have been met, and IEEE Bangalore Section – Systems, Man, and Cybernetics Society Chapter has been formed. The effective date of this Chapter formation is 11 July, 2007.

At this time, we are recording you as the Chapter Chair. When an election has been held, please report the name and member number of the new Chapter Chair to the IEEE using the online Officer Confirmation form at <http://www.ieee.org/scsreports>. Valuable information regarding IEEE Society Chapters can be found at [www.ieee.org/chapters](http://www.ieee.org/chapters). If we can assist you in any way in the planning of the Chapter activities, please let us know.

We extend our best wishes for the successful operation of this Chapter.

Sincerely,

3 August, 2000

A. Anoop

Dear Mr. Anoop:

On behalf of the IEEE Executive Director, Dan Senese, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the Graduates Of the Last Decade Affinity Group of the Bangalore Section has been formed. The effective date of this Affinity Group formation is 3 August, 2000.

At this time we are recording you as the Affinity Group Chair. When an election has been held, please use the enclosed Officer Confirmation form to report the officers to IEEE. If we can assist you in any way in the planning of the Affinity Group activities please let us know.

We extend our best wishes for the successful operation of this Affinity Group.

Sincerely,

  
Cecelia Jankowski  
Managing Director  
Regional Activities

cc: D. Senese - Executive Director  
T. Sugano - Region 10 Director  
S. Blair - GOLD Committee Chair  
K. Rajgopal - Bangalore Section Chair  
T. Hawkins - Section/Chapter Support Manager
