Mr. Unnewehr,

This is to acknowledge receipt of your letter to Daniel W. Jackson, Life Member Chapter Coordinator, along with the completed Life Member Chapter Petition Form to establish a Life Member Chapter. All information will be forwarded to Mr. Jackson.

We want to congratulate you on organizing the establishment of the IEEE Daytona Beach Section Life Member Chapter . The first meeting seemed to have an encouraging turnout and with additional LM's having an interest in attending the next meeting in September, it seems the Chapter will be very successful.

Regarding the members signatures, I believe it will not be necessary to furnish them nor any additional information for the establishment of the Chapter. Therefore, having received the petition form, our records now indicate that the IEEE Daytona Beach Section Life Member Chapter is now formed.

Regards,

Diana
