IEEE Milestone for Gabor's invention of Holography

This letter is to confirm that Imperial College London agrees and welcomes a plaque to be mounted on the outside wall of the Electrical & Electronic Engineering Department at our South Kensington Campus in recognition of the invention of holography by one of our former professors and Nobel Laureate, Dennis Gabor.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Peter Cheung', with a stylized flourish at the end.

Prof Peter Cheung
Head of EEE.
