Dear Sir:

A request has been made by members of the Miami Section who live in Broward County that they be allowed to form a sub-section which incorporates the geographical limits of Broward County.

On June 26, 1973 the Executive Board of the Miami Section discussed this proposal and concluded that due to the traffic problem for the Broward members to attend monthly meetings they would approve such a petition.

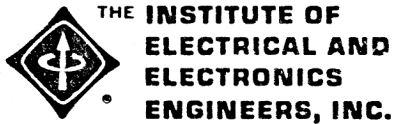

Yours truly,

Mr. G. V. McNulty

Dear Sir:

Attached is a list of IEEE Members and Associate Members within the Broward County area who desire that a Sub-Section to the Miami Section of the IEEE be formed.

As you will note, there is a substantial number of persons who feel their professional development in IEEE services would be enhanced by such a Sub-Section within the Miami Section. We would request that you consider this petition with the above in mind.

Should you be favorably disposed to act upon this petition, I would be happy to act in the capacity as Sub-Section organizer, or would be happy to work with anyone other than myself whom you would care to recommend.

Your assistance in this matter would be greatly appreciated.

Yours truly,
