Subject RE: Forming an IEEE Section in Iraq.

Dear Joe,

As promised, attached are half of the signed copies. The other half, I will send it to you in another email.

Thanks

**Subject:** Forming an IEEE Section in Iraq.

Dear Dr. Nazar Al-Rawas,

Thank you for your interest and willingness in forming the IEEE Iraq Section.

The following web site covers the formation of Sections and Subsections:

[http://www.ieee.org/web/geo\\_activities/units/forms\\_petitions/sebsubsec\\_pet\\_.html](http://www.ieee.org/web/geo_activities/units/forms_petitions/sebsubsec_pet_.html)

At the bottom of that page is a link that will present a petition document. This document will re-state the requirements to form a Section or Subsection and will provide room for 50 signatures. Multiple sheets may be submitted as necessary. You will need to provide 50 signatures of Active IEEE members who have a mailing address within the country of Iraq and hold an IEEE membership grade other than Student to begin the Section formation process, Only 20 signatures are needed for form a Subsection.

Once you receive enough signatures, you may submit the petition via mail or fax as given on the petition form or you may scan and email the forms to [petition@ieee.org](mailto:petition@ieee.org). At that point, I become your main IEEE contact for the rest of the formation process.

If necessary, we can provide a list of eligible petitioners to help you reach the 50/20 signatures requirement.

Here is a current copy of the Section/Subsection formation petition.

Best regards,

Joe Hale

Dear Colleagues,

Many thanks for your efforts.

I immediately copy the IEEE HQ in order to have the latest documents sent to Dr. Nazar Al-Rawas.

In order to invite him to Quebec, I ask that the section to be close to its creation, i.e. having the petition written and a list of petitioners agreed by IEEE HQ.

Best regards.

Dear Jean & Dr. Eesa,

I'm please to inform you that Dr Nazar Al-Rawas, the professor at the College of Engineering - Baghdad has accepted the idea of starting the formation of the first IEEE section in Iraq.

He needs R8 support, including a letter addressed to "Whom it may concern" providing him the guidelines on how to go about forming the section.

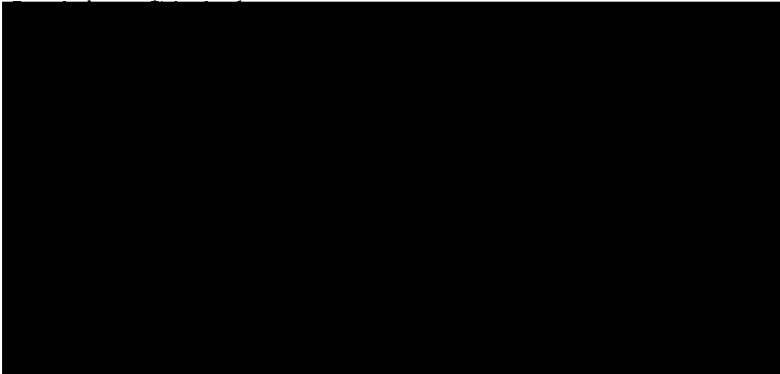

It may be a good idea if Dr. Nazar is invited to attend the Sept. meeting in Quebec.

This is for your kind information.

Best regards.
