26th October, 1935.

Dear Sir,

In reply to your letter of the 18th October, regarding the Transactions of the American Institute of Electrical Engineers, I would point out that I am in the habit of requesting our Purchasing Department to put through an order for the Journal and one copy of the bound transactions together at a combination price of \$16 plus \$4 foreign postage. For 1934 our Order No. was D. 71612 and for 1935 the number was D. 8304. In addition, the letter which I wrote confirming that I wanted a copy of the bound transactions for 1934 was evidently misinterpreted by you as a request for a second copy. When this copy arrived I decided I would keep it and passed your invoice to our Accounting Department for payment. This invoice for \$4. has been paid under Order No. D. 37476.

I trust that this makes the matter clear, and I am returning the invoice, which you sent to me under cover of your letter of the 18th October.

Please note that in future I do not require an extra copy of the bound volume of the Transactions. The one copy which I shall order together with the Journal at the usual combination price is sufficient for my purpose.

Yours faithfully,

A. P. M. Fleming

DIRECTOR.
