Dear Manny:

Your letter of May 5, concerning the Power Engineering Society Chapter, arrived yesterday.

We checked the files to find that after Bob Asdal acknowledged your petition last September, he unfortunately did not take the follow up action that he indicated. As you know, Bob Asdal has left the Institute, and Patricia D. Lech is now Staff Director for Field Services.

I am happy to report that as soon as your letter arrived yesterday, Pat Lech initiated the promised follow up of last year. She mailed out yesterday the approval letters to both Dick Poortvliet, Region 8 Director, and Jack Barkle, President of the Power Engineering Society.

If we have not heard from them by May 30, we will follow up by telephone. Pat Lech will write to you directly upon receipt of approvals or if any unforeseen delays occur. Please accept my apologies on behalf of the staff.

My Wife, Lotte, and I keep talking about the wonderful afternoon we had with you in Athens. Only yesterday she mentioned that she wondered if the new baby was a girl or a boy. Dick Poortvliet and I both have some good pictures of that day which we will get to you at the November Region 8 meeting.

Sincerely,

Eric Herz
General Manager
