Rüschlikon - March 27th, 2012

To the "IEEE History Committee"

Dear Madam,
Dear Sir,

We herewith confirm that

**IBM Research GmbH
IBM Research - Zurich
Säumerstrasse 4
CH-8803 Rüschlikon/SWITZERLAND**

hereby gives the permission to place an "IEEE Milestone Plaque" on its premises, such plaque being to commemorate "25 Years of High-Temperature Superconductivity".

This plaque will be placed in a protected, but publicly accessible area on the campus of IBM Research – Zurich.

IBM Research – Zurich is fully supportive of this nomination, and we offer our full cooperation and assistance in a dedication ceremony and installation of the plaque.

We confirm that we have the authority to make these statement on behalf of IBM Research GmbH, IBM Research - Zurich.

Sincerely,

IBM Research GmbH

**Thomas Schlund
Manager Site Operations**

**Roger Schneider
Manager Building Operations & Security**
