Dear Mr. Lucas:

Enclosed you will find a list of fourteen (14) petition signatures which are been sent to you for upgrading our Subsection to Section status. These signatures added to our previous list of thirty-seven (37) people, will surpass the minimum number of fifty members as required by IEEE bylaw 404.2. We hope this will satisfy all requirements.

Please note that in the enclosed list the last four signatures are of members which have just recently sent their application (new and reinstatement) for membership. We trust that our upgrading petition can be formally approved at the August RAB Meeting. Please keep us posted on any developments.

Gentlemen :

At a meeting held in San José on February 28, the countries of El Salvador, Guatemala, Honduras and Costa Rica, duly represented by the undersigned, agreed to apply for Section status. Our petitions for this purpose are been sent to you separately by each country, and we all request that they be treated favorably and approved as early as possible by those concerned.

We believe this is a major and most significant step taken by our Subsections, and we are very optimistic that it will benefit all IEEE activities in this area. Evidently, the Central American Section will cease to exist and will become part of a rewarding and inspiring past.
