Subject: Gujarat Section

The formation of Gujarat Section has been supported in principle by Bombay Section (of which Baroda Subsection was a unit), though they have recommended a delay in approval till the end of December.

In so far as Bombay has no objection to the ultimate approval of the Gujarat Section, I see no justification in delaying action. I know from personal acquaintance that the volunteers of the proposed Section are doing a good job and they deserve our support.

I recommend that the Section be approved.

Dear Terry,

I enclose a petition from the members of the Baroda Subsection for change of name to Gujarat Subsection. Your early action on the petition will be appreciated.

They are also petitioning for upgrade to Section. I am told that they are awaiting the concurrence of Bombay Section, to which the Baroda Subsection is at present attached.

It would be helpful to approve the change of name at this time, and to handle the petition for upgrade thereafter.

Regards.

Sincerely yours,

M.V.

Sub: Change of name of Baroda Subsection to
Gujarat Subsection

Dear Sir,

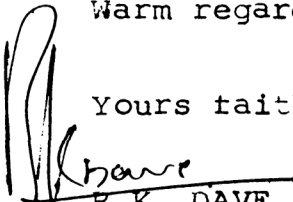

General Body Meeting of the Baroda Subsection held on 14th March 1990 passed the resolution indicated under item no.5 for changing the name and authorising Secretary-Treasurer to file a petition for the same (a copy of the same is enclosed).

The bye-law for the proposed Gujarat Section were approved unanimously.

It was decided that since the bye-law for the Baroda subsection (for which a change of name to Gujarat Subsection was recommended) are not traceable, the subsection during the interim period, between March and elevation of subsection to section, will follow the same bye-law as approved for Gujarat Section to the extent applicable. This is for your information and necessary action.

Warm regards,

Yours faithfully,

1 April 1990

Dear Shri *Chaudhary*,

It is a great pleasure to inform that Baroda Sub Section is now working with energies and success since January 1990 at Ahmedabad. The participation and support of members in restructuring and reactivating the sub section is highly appreciable.

At the General Body meeting of the Sub Section held on March 14th 1990, it was unanimously decided to rename the Baroda Sub Section as Gujarat Sub Section and it was decided to make recommendation to effect the change to the authorities.

A copy of resolution no.5 of General Body meeting of 14th March 1990 is attached.

Also, it may kindly be noted that;

1. In the original petition of sub section made in 1984 by Mr. J.S. Negi, it is explicitly mentioned that it was a petition for IEEE, Gujarat Sub Section.
2. The Baroda Sub Section includes state of Gujarat along with the union territory of Daman and Diu.
3. The Baroda Sub Section is now operating from Ahmedabad.
4. Ahmedabad is the biggest city in the specified area for Baroda Sub Section of IEEE.
5. Baroda City has also ^{been} renamed as Vadodara and there is no city by name Baroda (officially) existent as on today.

It looks to be incongruous to call IEEE sub section operative from Ahmedabad as Baroda Sub Section. As this IEEE Sub Section is encompassing the whole of the State of Gujarat alongwith Daman and Diu.
