Hrand K. Avanesian

Dear Mr. Avanesian:

Enclosed please find a copy of correspondence regarding the reactivation of the Iran Section received by the Field Services Department from Dr. M.Sharif-Bakhtiar. I have informed Dr. Sharif-Bakhtiar that you are currently working to revitalize the Section and suggested that he contact you directly.

I thought it might be helpful for you to have a current listing of the Higher Grade Members in Iran. Also included please find updated copies of the Region 8,9,10 Roster, Field Services Staff Listing, 1989 Secretary's Report, and 1990 IEEE Bylaws.

We hope to hear soon that you have had elections. Please contact us if you need any further assistance or have any questions.

Sincerely,

Cindy Poko, Section & Chapter Support

IEEE IRAN SECTION SUMMARY

Established: February 12, 1970

Officers' terms end: 07/92

The Section activities were suspended in June 1985; and reactivated in 1990. Iran Section received a \$300.00 Section start up rebate in 1991.

Membership/Student Branches/Society Chapters

The Iran Section does not have a Student Branch and there are currently no Chapters. The high student membership (159 of 515 total) may make branch formation an attractive option.

Iran members hold an average of three Society memberships each (515 members, 1600 memberships held, only 11 affiliates). Prime Chapter formation opportunities follow:

Circuits and Systems (CAS-04) 136 members

Computer (C-16) 211 members

Control Systems (CS-23) 107 members

Power Engineering (PE-31) 103 members

EXECUTIVE OFFICERS:

CHAIRMAN: Caro Lucas

VICE-CHAIRMAN: Reza Mohammad Hashemi

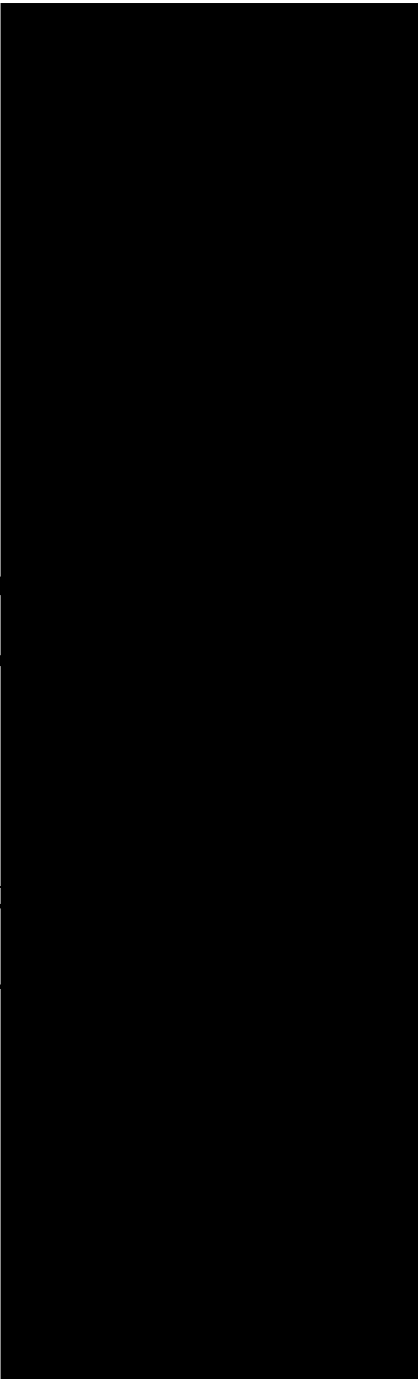

TREASURER: G. R. Lahiji

SECRETARY: M-Hassan Modir-Shanechi

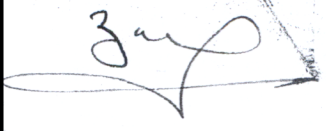

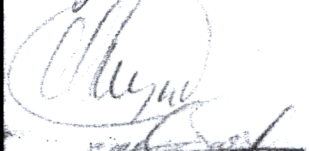

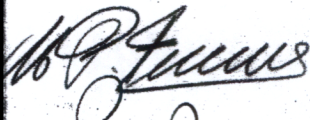

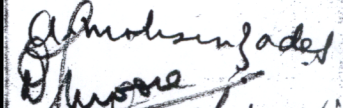

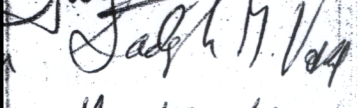

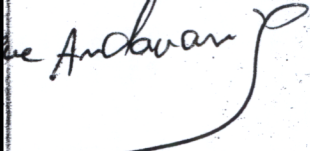

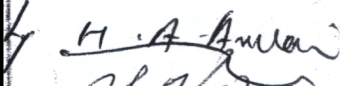

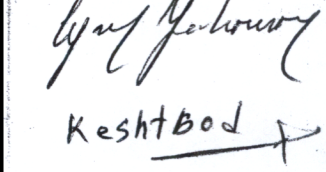

Additional officers are listed in Region 8 roster (copy attached).

The following IEEE members and potential members hereby petition for formation of a section to be called the Iran Section whose territory is the country of Iran.

If approved, we agree to abide by the IEEE constitution for section.

No. 516-1/15400

Date Dec. 31, 1969

Dr. R.P. Wellinger

Dear Dr. Wellinger:

In the course of participating in the last International Electrotechnical Committee in Tehran, my Colleagues and I had the opportunity to meet Mr. W.H. Devenish, Editor of IEEE Newsletter in Region 8, who sent me your name and address on his return to England.

While Mr. Devenish was in Tehran, we discussed with him the possibility of Initiating an IEEE section in Iran. As he indicated, with 54 IEEE members present in Iran, there would be no problems for establishing this Section. However, since a good number of this membership are located in different cities of Iran, at the moment we have collected the signature of 25 members and 12 potential members in the enclosed petition for opening this Section.

I hope that this petition receives your approval, I would appreciate it if you would send me the necessary instruction.

Sincerely Yours,

A. Tchamran
Chairman, Department of
Electrical Engineering

Mr. F. G. Varenhorst

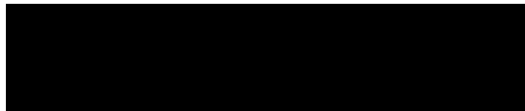

Dear Mr. Varenhorst:

In your letter of January 3, you express interest in the formation of an IEEE Section in the country of Iran.

We are pleased to advise that there has been considerable interest by other members in this endeavor and a formal petition requesting approval to establish the Iran Section has been submitted to IEEE. Action is now being taken on this request and we expect that the new Section will be approved within a month or two.

The Section Organizer will be glad to hear of your interest in the new Section. You may wish to communicate with him and offer your services in getting the activities of the Section underway:

Dr. Abbas Tchamran

If we can assist you or Dr. Tchamran in any way please let us know.

Sincerely,

Emily Sirjane, Manager
Membership Services

AIRMAIL

Professor A. Tchamran

Dear Professor Tchamran:

Dr. Roger P. Wellinger, Director of IEEE Region 8, has forwarded to me your letter of December 31, 1969 with the petition requesting approval to establish an IRAN Section, with the territory of the new Section to encompass the entire country of Iran in Asia.

We are very pleased to advise you that, following approval by the entities involved, this new Section has been formally established on February 12, 1970.

To assist you in planning an organizational meeting for the election of officers, we are scheduling preparation of a set of envelopes addressed to all members residing in Iran for airmail shipment to you on February 27. As soon as the names of the Section officers are known, we will appreciate being advised so that this information can be recorded in Headquarters.

mailed 2/27/70
shipped 2-13-70
O-HC
We are forwarding separately a Section Manual and a small supply of stationery. When Section officers are elected and the names announced to IEEE, additional supplies will be forwarded.

We want to assist you in any way we can in your efforts to get this new Section organized and hope you will let us know how we can help in this regard.

Sincerely,

Emily Sirjane, Manager
Membership Services

January 16, 1970

AIRMAIL

Dr. R. P. Wellinger

Dear Dr. Wellinger:

A petition has been received requesting approval to establish an IEEE Iran Section with territory to encompass the country of Iran.

The petition has been checked and found to contain the signatures of 23 active IEEE members above Student grade with mailing addresses in Iran; 2 active members who maintain USA (military) mailing addresses; 12 signatures of individuals who have pledged to join the IEEE.

As of this date there are 55 IEEE members in Iran (no Students).

As you know, the Bylaws provide for such a petition to contain the signatures of not fewer than fifty members, other than Students, with mailing addresses within the territorial limits of the proposed Section. The Regional Activities Board does have the privilege of recommending waiver of this restriction by accepting fewer than fifty names.

With your recommendation in this matter, action will be taken to request the Regional Activities Board to vote by letter ballot on this petition. We await your further advice in this matter.

Sincerely,

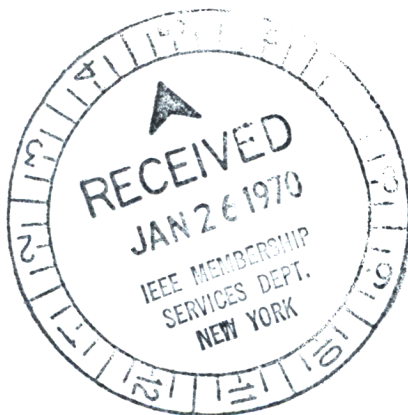

Emily Sirjane, Manager
Membership Services

OFFICE OF THE REGIONAL DIRECTOR

Miss Emily Sirjane

Neuchâtel, January 20, 1970

Dear Emily,

Enclosed please find the petition just submitted by the chairman of the Department of electrical Engineering of the University of Technology of Teheran, Iran, Professor A. Tchamran.

Please take this letter as my full endorsement and recommendation for the formation of this new section.

The indications that the growth potential of this section will be fully stimulated by the formal foundation of an Iran section that I have no doubt R.A.B. will do its best to recommend the exception necessary for the formation of this new section.

Thanking you in advance for your help in this matter I am

very truly Yours

Roger P. Wellinger

30 March 2000

Hamid Soltanian-Zadeh
[REDACTED]

Dear Dr. Soltanian-Zadeh:

On behalf of the IEEE Executive Director, Dan Senese, it is a pleasure to inform you that the requirements of the IEEE Bylaws have been met, and the Graduates Of the Last Decade Affinity Group of the Iran Section has been formed. The effective date of this Affinity Group formation is 30 March 2000.

At this time we are recording you as the Affinity Group Chair. When an election has been held, please use the enclosed Officer Confirmation form to report the officers to IEEE. If we can assist you in any way in the planning of the Affinity Group activities please let us know.

We extend our best wishes for the successful operation of this Affinity Group.

Sincerely,

Cecelia Jankowski
Managing Director
Regional Activities

Affinity Group Petition

REQUIREMENTS TO FORM AN IEEE AFFINITY GROUP

An affinity group shall be a local unit of an IEEE entity or standing committee established by petition to the parent entity to fulfill the purposes of the IEEE. "Parent Entity" refers to an entity or standing committee. The following groups have been acknowledged by RAB as parent entities as defined above and described in their charters: Graduates of the Last Decade, Women in Engineering and Consultants Network. No parent entity shall be formed when the topic matter is within the domain of a technical Group, as determined by Societies' fields of interest.

The petition to establish an Affinity Group shall contain the following:

- Name of the Section or Sections.
- Name of the parent entity (e.g.: GOLD, Consultants Network).
- Name of the organizer (who becomes interim Chair pending election of a regular Chair at a later organization meeting).
- Signatures of at least six (6) IEEE Members, other than Students, who are Members of the Section(s) involved and who indicate they will join the Affinity Group, if established.

The petition shall be submitted to the Section Executive Committee for written approval and forwarded with this written approval to the IEEE Managing Director, Regional Activities.

Regional Activities staff will review the petition and work with the organizer to resolve any discrepancies. The Affinity Group shall be considered established after the IEEE Managing Director, Regional Activities has ascertained that the Regional Director and the IEEE parent entity have no objection to its formation.

The IEEE Managing Director, Regional Activities will notify the Regional Activities Board, the IEEE sponsoring entity, and the Section Chair on behalf of the IEEE Executive Director.

TO FORM A JOINT AFFINITY GROUP

The requirements are the same as for a single Affinity Group, except that not less than three of the six signatures on the petition shall be members of each of the parent entities involved.

The status of an Affinity Group may be changed from single to joint, or vice versa or from one joint combination to another, without submission of a petition. The change in status will become effective following approval of the request for change by the Regional Director(s), Affinity Group Chair, Section Executive Committee, and other

Section Officer's Signature: Massam - Ghafoori

Office Held: CHAIRMAN OF IRAN SECTION Date: Feb 14 2000

Please send all petitions to the attention of **Peggy Kovacs** via fax to (732) 463-9359 or mail to:
