RE: Section Reassignment – San Gabriel Valley to Metropolitan Los Angeles Section

Dear Member:

Due to inactivity, the San Gabriel Valley Section has been dissolved. As a result of this dissolution, the boundaries of the neighboring Sections have been reorganized. Based on the preferred address on your IEEE membership record, you are now a member of the Metropolitan Los Angeles Section.

This change will make no difference in your membership status or service. You will continue to receive *IEEE Spectrum*, *The Institute*, your Society publications and subscriptions as before.

However, your new Section will be notified that you are now a member and you should begin to receive information from them about local IEEE activities. If the Section publishes a newsletter, you should begin to receive that newsletter in about 6 weeks.

If you would like more information about contacts within your new Section's leadership, or prefer to be affiliated with a Section adjacent to your new Section, please contact us at 732-562-5518 or email to sec-chap-support@ieee.org.

Thank you for your continued membership in the IEEE.

Sincerely,

Tracy Hawkins, Manager
Section/Chapter Support

Peggy,

UCLA has traditionally been part of the Coastal LA Section (formerly South Bay Harbor and Santa Monica Bay). However, their zip code has been changed from 90024 to 90095 and 90095 has apparently been assigned to the Metro LA Section. This has resulted in about half of the UCLA faculty (who have updated to the new zip code) to be considered part of Metro LA instead of Coastal LA.

Please let Larry and I know how we can straighten out this apparent error.

Thank You,
Kip Haggerty
