Mr. Juan F. Morales

Dear Mr. Morales:

On behalf of IEEE's General Manager, Mr. Eric Herz, we are pleased to announce that formal approval was given during the Regional Activities Board Meeting, August 22, 1986 for the elevation of the Guatemala Subsection to Section status.

The territory of the section encompasses the Republic of Guatemala in Central America.

The geographical coding assigned to the Section is:

Region 09 Council 05 Section 37 Subsection 00

We are changing the records of all members residing within the territorial limits specified to reflect the new geographical code. This process will be completed in three to four weeks.

At this time, we are recording you as Section Chairman. We extend our best wishes for the success of the Guatemala Section, and if we can be of further assistance, please do not hesitate to contact us.

Sincerely,

Don Suppers

Estimado Rodolfo:

Por las múltiples ocupaciones que actualmente tenemos con la preparación de nuestra IV Convención, no he tenido el tiempo necesario para escribirte y felicitarte por tu nuevo cargo dentro del IEEE y agradecerte las atenciones que tuviste para con nosotros en nuestra reciente visita a Guatemala.

Mucho agradecería que enviaras una carta a Miss Emily Sirjane, en nuestra sede en New York, informándoles sobre la elección de ustedes como primera directiva de la Sub-Sección Guatemala. Todo esto para hacer oficiales las elecciones.

Espero que a la fecha hayas enviado la hoja de inscripción al Comité Organizador de la Convención y te esperamos como siempre con los brazos abiertos.

Cordialmente,

Ricardo A. Colorado

Mr. Ernesto Obregon
[REDACTED]

Dear Mr. Obregon:

Mr. M. Charles Moseley, Chairman of the Central America Section, has submitted a petition requesting approval to establish a Subsection of that Section, to be known as the Guatemala Subsection, to encompass the Republic of Guatemala.

The petition contains the following signatures:

- 17 valid signatures of active members, above Student grade, with mailing addresses in Guatemala
- 2 signatures of members in dues arrears
- 2 signatures of new applicants whose applications have not yet been received in IEEE

As you know, the Bylaws provide that a Subsection petition shall contain valid signatures of 20 IEEE members but the Regional Director is empowered to waive that provision and to recommend approval if in his judgement there is assurance that the formation of the Subsection will stimulate sufficient additional support.

Kindly use the enclosed copy of this letter to advise us if this petition has your approval.

Sincerely,

Emily Sirjane, Manager
Member Services

Dear Miss Sirjane:

As per the By-Laws please present for approval of the Regional Activities Board the attached copy of the petition received from Guatemala for the formation of a Guatemala Subsection of our Central American Section.

The petition has been approved by Section board of directors and was discussed with Ing. Ernesto Obregón, Director of Region IX, during the Regional Committee meeting held last week in Sao Paulo. Ing. Obregón gave verbal approval and requested that I submit the petition directly to New York to save time, with a copy to him.

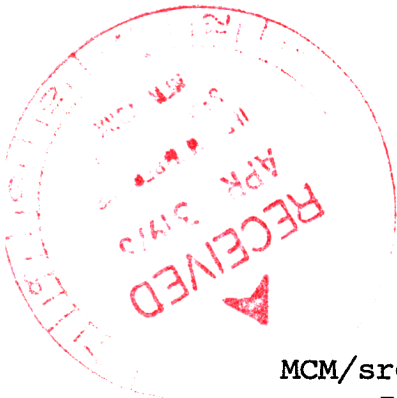

We are also establishing a Subsection in San José, Costa Rica and plan one also for Managua, Nicaragua in the near future. Thanking you for your prompt attention to this matter I remain,

Sincerely,

M. Charles Moseley
Chairman

The purpose of this letter is the formal petition of Guatemala Sub-Section to upgrade its status to become a Section. The approval of our parent section, and all additional papers, was sent in February

In addition I am sending three (3) signers more, two of them do not have a member number, because they have just filled their applications, and information regarding Federico Licht membership situation.

We expect in the meantime a favorable solution.
